

Project Act: Advocacy Education for All

Have YOU ever wanted to *advocate* for yourself
but didn't know how?

Engage and participate in an opportunity to learn about the First Amendment, civil rights, the Americans with Disabilities Act and how these can help you advocate for yourself and the community.

Share your unique experience of successfully living with a disability by training to be and serving as a volunteer Peer Mentor.

**This workshop series is open to people of all ages and abilities.
All sessions will meet from 12:00-4:00pm on the following dates:**

July 13th, 18th, 20th, 22nd, 27th and 29th.

Workshops will be held at the Ann Arbor CIL
unless otherwise communicated.
