Mayor's Office.

Formal complaint relating to the liquor bonds has been filed in the Mayor's office.

It is stated that the qualifications of certain sureties do not meet the requirements of the law.

The Common Council having fixed the amount of the bond at \$3,000, each surety must justify in real estate, situated in Washtenaw county, in a sum equal to this amount. This property, too, must be worth \$3,000 over and above all indebtedness and all exemptions from sale or execution.

Such investigation as I have been able to make since receiving the complaints leads me to believe they are well founded. Many, perhaps all, of the bondsmen are worth more, counting personal property, than the requirements of the law demand. Others are owners doubtless of real estate situated without the county, but the

terms of the statute are explicit, and I should be remiss in duty if I did not call attention to the fact that certain bonds do not satisfy the laws of our state.

Therefore I must disapprove of the action of the Common Council relating to the liquor bonds of Frank C. McCaffery, J. S. Fred Smith, Ernest Paul, Jacob A. Gwinner, Richard Kearns, jr., Joseph L. Rose, John C. Burns, Paul & Corson, Edmund Clancy, Philip Sauer, jr., Add Collum, Oswald Dietz, Philip O'Hara.

With this exception I approve of the minutes of the meeting of the Common Council held April 30, 1901.

R. S. COPELAND,

Mayor.

Dated May 4, 1901.

On motion of Ald. Brown the Mayor's communication was laid on the table.
