COMMUNICATIONS.

To the Honorable the City Council:

Gentlemen:—The University desires  
to close up the north drive on South  
University avenue as has been done  
on the north and west streets, this is  
especially desirable on account of the

corner of the campus. Will your  
honorable body kindly signify your  
willingness that this should be done.  
This request should have gone to you  
several days ago, but in the turmoil  
incident to the opening of college the  
matter was forgotten.

Very truly yours,

JAMES H. WADE,  
Secy.

be granted.

Ann Arbor, Oct. 5th, 1907.

To the Common Council:

Gentlemen:—Your committee, to whom the following matters were referred, respectfully recommend that the petition for a water main on 8th street, from Liberty street, to Washington street, be denied, as there is ample fire protection in said locality at present. As to hydrants on Forest avenue and Hill street, and on Forest avenue and Willard street, we recommend that the one asked for at corner of Forest avenue and Willard street be placed as soon as is possible, the other we can not see a necessity for at present.

Respectfully submitted,

E. B. MANWARING,

W. H. STARK,

Committee.

Moved by Ald. Abbott be concurred in.

Adopted as follows:

Yeas—Ald. Stark, Hochrein, Sweet, Maubetsch, Markey, St. James, Blach, Goodyear, Fischer, Abbott, Pres. Walz.—11.
