

Council Chamber, Ann Arbor, Mich., Sept. 7, 1914. No quorum being present, Council adjourned to meet Sept. 8, 1914, at 7:30 p. m. Ross Granger, Clerk.

Sept. 8, 1914. Adjourned regular session.

Meeting called to order by the president. Present: Ald. Fiegel, Heusel, Hanselmann, Koernke, Prochnow, Flynn, Markey, Hubbard, Sherk, Groves, G. Lutz, Pres. Schmid, 12. Absent: Ald. A. Lutz, McGreggor, Sink, 3. Minutes of previous meetings approved.

Communications.

From the Mayor—

Sept. 8, 1914.

To the Council: Gentlemen—I respectfully announce the appointment of Frank J. Keihl as patrolman. This brings the police force up to the number designated by the police committee recommendation, as adopted by the council August 3rd, 1914. R. G. MacKenzie, Mayor.

Ordered on file.

Communication from G. Frank Allmendinger, calling attention to drinking fountain on gravel road, and asking that city have water turned on, received. Moved by Ald. Markey, that matter be referred to the Water committee. Adopted.

From Board of Public Works

The Engineer presented two sets of specifications on concrete pavement for Ann st., between Main and First sts., one specifying re-enforcing and the other regular tar concrete, as that laid in the past.

Moved by Mr. Rehberg, that the board recommend to the council the specifications that provide for re-enforcing. Adopted by board.

(Council action.)

Moved by Ald. Prochnow, that the plans, specifications and estimate of cost for paving Ann st., between Main and First sts., as presented by the Engineer, and recommended by the Board of Public Works, be approved and the Board of Public Works proceed and pave said street according to the charter and ordinance governing the same.

Resolved, further, that the construction of said pavement is hereby declared to be a necessary public improvement.

Adopted as follows: Yeas, Ald. Fiegel, Heusel, Hanselmann, Koernke, Prochnow, Flynn, Markey, Hubbard, Sherk, Groves, G. Lutz, Pres. Schmid, 12. Nays, none.

Ann Arbor, Mich., Sept. 8, 1914.

Hon. Geo. W. Hubbard, Chairman Lighting Committee, City Ann Arbor: Dear Sir—As per your request, I herewith inclose you proposition of the Eastern Michigan Edison Co. to furnish service to the proposed ornamental street lighting system on Main st., Ann Arbor, Mich.

First Proposition.

We propose to furnish service to post, equipped with 1 100-watt Mazda Tungsten lamp, to burn all night, every night, approximately 4,000 hrs., and 4 60-watt Mazda Tungsten lamps to burn until 10 p. m., each and every night, approximately 1,500 hours; to renew all lamps, as they burn out, and to wash and renew globes, for the sum of \$39.00 per post per annum.

Second Proposition.

We propose to furnish service to post, equipped with 1 60-watt Mazda Tungsten lamp, to burn all night, every night, approximately 4,000 hrs., and 4 40-watt Mazda Tungsten lamps, to burn until 10 p. m., each and every night, approximately 1,500 hrs.; to renew all lamps, and to wash and renew globes, for the sum of \$27.00 per post per annum.

These propositions to be covered by a contract signed by the company and the city of Ann Arbor for a period of five years, beginning with the commencement of service.

These propositions conditional on the contract being given for the installation of this service by the Merchants' Credit Association, or if installed by some contractor, the city or the Merchants' Credit Association pay the expense of furnishing an inspector for the work by the Eastern Michigan Edison Co.

Respectfully submitted, Eastern Michigan Edison Co., By R. W. Hemphill, Jr., Division Manager.

Moved by Ald. Hubbard, that the second proposition be adopted. Adopted by unanimous vote of those present, 12.

Petitions.

From Andrew Gibson, et al, for storm water sewer on Edwin st., received and referred to sewer committee.

From H. Schlegel, et al, for taking care of surplus water on W. Madison st., received and referred to street and sewer committees.

From Nellie Hamilton, et al, asking that roadway on Forest ave., between Hill and Wells sts., be fixed at 24 feet in width, received, and on mo-

tion of Ald. Groves, the petition was granted by unanimous vote of those present, 12.

Claim of George Stoll for damages to shade trees in front of his property, on Packard st., received and referred to the city attorney on motion of Ald. G. Lutz.

Claim of Mr. and Mrs. Fred Osborn, for damages on account of city allowing wells to flow on the city property known as the Steere farm, received and referred to the city attorney on motion of Ald. G. Lutz.

Ann Arbor, Mich., Sept. 8, 1914.

To the Finance committee of the Common Council: Gentlemen—I have examined the foregoing accounts against the city of Ann Arbor, and I hereby certify that they are correct to the best of my knowledge.

ROSS GRANGER, City Clerk.

To the Honorable, the Common Council: Gentlemen—Your Finance committee has reviewed the foregoing report. Warrants for salaries were drawn Sept. 1, 1914. We recommend that same be approved and that warrants be ordered drawn for the foregoing accounts.

GEORGE LUTZ, ALBERT FIEGEL.

E. W. GROVES, Finance Committee.

Ald. G. Lutz moved the adoption of the report, which was adopted by unanimous vote of those present, 12.

Ald. G. Lutz presented estimate of amount due E. L. Schneider on construction of sanitary sewer No. 64,

\$589.71, and moved that it be allowed and warrant drawn for same, which was adopted by unanimous vote of those present, 12.

Ann Arbor, Mich., August 31, 1914.

This is to certify that bill for services for cleaning up premises of Mr. J. R. Blackwood, at 714 Monroe st., was duly presented by me and payment of same has been refused. The amount \$3.50 goes to the city assessor or therefore, and spread by him as tax against said property.

John A. Wessinger, Health Officer.

On motion of Ald. G. Lutz, the city assessor was instructed to spread the amount of bill against the property.

Ordinance Committee.

Ald. Sherk presented an ordinance entitled, "An ordinance to protect the health of the City of Ann Arbor, to prescribe regulations for the establishment of slaughter houses and the regulation of the same, and providing a penalty for the violation of the same," which was given its third reading.

Moved by Ald. Groves, that the word "animals" in section 10 be changed to "meat."

Amendment adopted as follows: Yeas, Ald. Fiegel, Heusel, Hanselmann, Prochnow, Flynn, Hubbard, Sherk, Groves, G. Lutz, Pres. Schmil, 10. Nays, Ald. Koernke, Markey, 2. An Ordinance to Protect the Health of the City of Ann Arbor; to prescribe Regulations for the Establishment of Slaughter Houses, and the Regulation of the Same, and Providing a Penalty for the Violation of the Same.

The Common Council of the City of Ann Arbor Ordain:

Section 1. Every slaughter house, or other place for the slaughtering of animals or the operation at which animals are slaughtered for the purpose of being used for food, exhibited for sale as food and for use as food, within the limits of of the City of Ann Arbor, shall be constructed in accordance with the following provisions:

The same shall consist of a substantial and suitable building well lighted, containing a killing room, a chill room, a cold storage and refrigerating room, and suitable pens, chutes, etc., commensurate therewith. The killing room shall be adequate in size and the floor of said killing room shall be

of concrete not less than three inches thick, connected with sewer by means of suitable traps, and duly equipped with water seals, and constructed in such a manner as to secure perfect drainage; it shall be provided with hot and cold water, also tank for scalding animals, together with an ample supply of hose; it shall be provided with runways, windlasses, overhead trackage and system of trolleys running from the killing room into and connecting with chill and cold storage rooms, by which and upon which animals slaughtered can be raised, lowered and carried from killing room to chill room and cold storage rooms without handling same with hands; it shall be amply equipped with buckets, tubes and other utensils and devices into which the blood, offal and refuse shall be placed and immediately removed without the necessity of handling with hands; the walls, ceilings and partitions in said building and the floor of the same shall be constructed of material susceptible of a high degree of sanitation and easily kept so; all apparatus, tools, knives and cleavers, etc., used in or about said building shall be kept perfectly clean; said room shall be provided with cuspidors, toilets, towels and soap for use of employes working therein. The chill room shall be of adequate size; the walls, partitions and ceilings of said room shall be thoroughly insulated with approved material, and equipped in such a manner that all condensation shall take place above carcasses and be promptly trapped out of the building, thereby securing as far as practicable dry refrigeration; said construction and equipment shall be such that the approximate temperature maintained shall be 40 degrees Fahrenheit; it shall also be equipped with overhead trolleys and trackage, connected with the killing rooms, and also with the cold storage or refrigerating room, and the same shall be sufficient in height and capacity to permit all animals slaughtered to be hung from the trolleys, and no animal or portion of same shall be placed on the floor or permitted to rest thereon, and all animals and food products placed therein shall be handled with the hands as little as possible.

Cold storage and refrigerating rooms shall be of adequate size; and shall be equipped with adequate systems of artificial lights; the walls, partitions and ceilings of said room shall be thoroughly insulated with approved insulating material, and constructed in such a manner as to produce dry refrigeration, and said construction and equipment shall be such that the approximate temperature to be maintained shall be 43 degrees Fahrenheit. It shall also be connected with the killing room and chill room by overhead trackage and trolleys, which shall be sufficient in height, size and capacity to permit all animals killed and stored therein to be hung from the trolley, and no portion of same placed on the floor; the walls, partitions and floor shall be kept perfectly clean.

Section 2. No person or persons, corporation or corporations shall erect within the corporate limits of the City of Ann Arbor, a building in which animals are to be slaughtered and prepared for market or human food, unless the plans of such proposed building are first approved by the Health Officer of the City of Ann Arbor, and a plan of such proposed building shall be filed with the City Clerk.

Section 3. Every owner, lessee or occupier of a slaughter house in this City shall at all times afford free access to every part of said premises to the health officer, or to any committee or member of the Common Council, or its authorized agents, for the purpose of inspecting such premises or contents.

Section 4. Every slaughter house where animals are slaughtered to be used as food, offered for sale, or sold for food within the limits of the city of Ann Arbor, shall be located at such places as are permitted by the Common Council of the city of Ann Arbor, and shall be so located as to permit connection with the sewer system and water service, and so it shall be supplied with an adequate supply of water for daily and constant flushing and purifying the place, with adequate sewerage and drainage for the speedy removal of all blood and other refuse from such slaughtering, killing or rendering of tallow and lard.

Section 5. All slaughter houses in which animals are slaughtered, to be used as food, exhibited for sale, or sold for food in the city of Ann Arbor, shall be operated in accordance with the following provisions:

A. No animal intended for slaughter shall remain on the premises or premises immediately adjoining or adjacent thereto over night, and not more than 25 animals of any one kind, shall be kept at any one time.

B. No cattle, sheep or swine shall be killed for human food within the limits of the City of Ann Arbor, while such cattle, sheep or swine are in a diseased, overheated, or feverish or exhausted condition. No calf which shall be less than four weeks old; no pig, which shall be less than five weeks old, and no lamb, which shall be less than eight weeks old, shall be killed for human food, or same or any part thereof shall be kept or offered for sale in said City.

C. All tracks, traps and other receptacles, all chutes, platforms, racks, tables, etc., and all knives, saws, cleavers and other tools, and all utensils, machinery and articles used in moving, handling, cutting, chopping or other process shall be thoroughly cleaned before using.

D. No employee or other person shall be permitted to expectorate on the floor, and proper cuspidors which will not readily upset shall be provided for employes in each room, and shall be kept thoroughly clean and sanitary.

E. Water-closets and toilet rooms shall be required for employes, and such rooms shall be entirely separated from compartments in which carcasses are dressed, or meat food products are stored, placed, handled or prepared. Such closets, etc., shall be conveniently located, sufficient in number, and shall be kept in sanitary condition. Convenient and sanitary urinals and washstands shall be provided.

F. The room in which meat or meat food products are prepared, stored, packed or otherwise handled shall be free from odors from toilet rooms, catch basins, tank rooms, etc., and shall be kept free from flies and other vermin by screening or other methods.

G. Meat and food products must

not be permitted to fall on floors, and in the event of their having fallen, the soiled portions must be removed and condemned.

H. Only good clean water shall be used in the preparation of carcasses, parts of meat, or meat food products, etc.

I. Each animal that is slaughtered shall be required to remain in the chill room and refrigerating room at least twelve hours before same is delivered to owner, or used for food, or offered for sale as food.

Section 6. No person or persons, corporation or corporations, shall bring or cause to be brought into, or kept or offered for sale, in any public or private market in this City, any meat or dead animals, the flesh of which is intended to be used for human food, until such meat or dead animal shall have been fully and properly cooled, and until all blood shall have ceased dripping therefrom. No cased, blown, plaited, raised, stuffed, putrid, impure or unwholesome meat fish, bird or fowl shall be held, bought or sold, or offered for sale for human food, in any place in this City.

Section 7. The provisions of the ordinance with reference to the equipment, management and operation of slaughter houses shall apply to all slaughter houses now in construction or operation, or that may hereafter be constructed or operated and from and after thirty days from the time this ordinance shall become operative, it shall be unlawful for any person, firm, corporation, association, butcher, vender of meat, or any other person, to have any animal slaughtered to be used as food, or exhibited for sale as food, or sold for food, within the limits of the city of Ann Arbor, at any slaughter house not equipped, managed and operated in accordance with the provisions of this ordinance.

Section 8. From and after thirty days from the time this ordinance shall become operative, it shall be unlawful for any person, firm, corporation, association, butcher or other person to erect, establish, maintain or operate any slaughter house where animals are slaughtered to be used as food, or offered for sale as food, or sold for food, within the limits of the City of Ann Arbor, which

slaughter house is not constructed, maintained and operated in accordance with all of the provisions of this ordinance, and it is hereby declared to be the duty of the health officer to enforce the provisions of this ordinance.

Section 9. Any violation of any of the provisions of this ordinance shall be punished by a fine to be imposed upon the offender when duly convicted thereof, not exceeding one hundred dollars, and the costs of prosecution, and in imposing such fine, the Court may make a further sentence that in default of the payment of such fine, and costs, the offender may be imprisoned in the county jail of Washtenaw county, for a period of time not exceeding ninety days.

And every day any person or persons shall violate the provisions of this ordinance, shall be deemed a separate offense.

Section 10. All ordinances or parts of ordinances in the City of Ann Arbor, inconsistent with the provisions of this ordinance, are hereby repealed. Provided: that nothing in this ordinance shall be construed to prevent any farmer from killing, dressing or selling in the open market, unless diseased, any meat intended for food that he has purchased, raised fed or slaughtered.

Section 11. This ordinance shall take effect ten days from legal publication.

The Chair put the question, "Shall this ordinance pass as amended?" Passed by following vote: Yeas, Ald. Fiegel, Heusel, Hanselmann, Prochnow, Flynn, Hubbard, Sherk, Groves, G. Lutz, Pres. Schmid, 10. Nays, Ald. Koernke, Markey, 2.

Ald. Sherk presented an ordinance entitled, "An ordinance to protect the health of the City of Ann Arbor, and to provide for the proper ventilation of all theaters," which was given its first reading by title, and referred to the ordinance committee on motion of Ald. Sherk.

Sewer Committee.

By Ald. Sherk: Resolved, that each and all of the lands, tenements and premises hereinafter mentioned are deemed and declared to be benefited by the construction of lateral sewer No. 61, to the extent of the cost thereof, street crossings excepted, and all such lands shall consti-

tute and all of the said lands herein-after mentioned is fixed and determined as the district and special district upon and against which shall be assessed and charged all the costs and expenses of construction of such lateral sewer, that is to say:

Block 3 N. range 1 E., lot 14; block 3 N., range 2 E., lots 1 and 2 and the west 88 feet of lot 16; block 3 N., range 3 E., the east 75 feet of lots 1 and 2, and the west one-half of lot 16; block 3 N. range 4 E., the east 44 ft. of lot 1, and of the south 16 1-2 ft. of lot 2, and the west one-half of lot 16; block 2 N., range 1 E., the north 49 1-2 ft. of the east 65 ft. of block 2 N., range 1 E.; block 2 N. range 2 E., lot 4 and the west 1-2 of lot 5; block 2 N., range 3 E., the east one-half of lot 4 and the west 58 ft. of lot 5; block 2 N., range 4 E., lots 7 and 8, and the north 75 ft. of lot 1; block 3 N., range 5 E., that part of lots 13, 14 and 15 which is west of Detroit st., excepting the small corner of lot 13 now owned by H. B. Dodsley, the east 52 ft. of lots 2, 3 and 4; block 3 N., range 6 E., the north 99 ft. of lot 3; that portion of the west 92 ft. of lot 4 which is southeast of Detroit st. and now owned by Chas. A. Perkins, Louise W. Kaufmann and Jacob Goffee; block 4 N., range 6 E., that part of lot 5 which is northwest of Detroit st., excepting a small parcel now belonging to Geo. Heibein and being in the northwest corner of said lot 5; that part lots 6 and 7 which is northwest of Detroit st., that part of lots 7 and 8 which is southeast of Detroit st. and which now belongs to H. J. Pearson, James W. Green, Mary J. Clarken and Chas. and Jennie Wheeler; that part of lots 1, 2 and 3 now belonging to Albert F. Mayer, Edward C. and Florence Krapf and Herman Krapf.

Resolved, further, that this resolution, order and determination be and the same is hereby certified to the City Assessor.

Adopted by unanimous vote of those present, 12.

City Engineer presented plans, specifications and estimate of cost of building sanitary sewers on Granger ave., First st. and Moore st., which were accepted and ordered on file.

By Ald. Sherk:—Resolved, that the matter of sanitary sewers on Packard st., from Granger ave. southeasterly; on First st., from Catherine to Ann sts.; on Moore st., from Broadway to Pontiac sts., including the reports

thereon of the city engineer, be referred to the sewer committee, and said committee meet in the room of the board of public works at a time to be fixed by the chairman of said committee for the purpose of making due inquiry relating to said sewer district and, after hearing all persons interested therein desiring to be heard, said committee report to the council at the next regular meeting.

Adopted by unanimous vote of those present, 12.

Street Committee.

To the Common Council:—Gentlemen—Your committee on streets recommends that Philip st. east of Main st. be graveled.

E. W. Groves, J. W. Markey, Theo. F. Prochnow, Albert Fiegel, I. L. Sherk, Street Committee.

Ald. Groves moved the adoption of the report, which was adopted by unanimous vote of those present, 12.

Fire Committee.

Moved by Ald. Flynn, that the salary of the chief of fire department be increased to \$100.00 per month. Adopted by unanimous vote of those present, 12.

Lighting Committee.

Moved by Ald. Hubbard that a Tungsten street light be placed in center of Felch Park. Adopted by unanimous vote of those present, 12.

Cemetery Committee.

To the Council:—Gentlemen—Your Cemetery committee have had the following matters under consideration and recommend that Fair View cemetery vault roof be given a coat of tar wash. We also recommend that front part of cemetery be laid out in lots.

J. W. Markey, Thos. Hanselmann, Albert Fiegel, Cemetery Committee.

Ald. Markey moved the adoption of the report, which was adopted by unanimous vote of those present, 12.

Moved by Ald. Markey, that the park board be requested to trim the trees in Fair View cemetery. Adopted.

Officers' Reports.

To the Council: Gentlemen—I respectfully recommend that such number of street signs as are found necessary to complete the work of indicating the city streets be ordered and properly placed.

Ross Granger, City Clerk.

Ald. Groves moved the adoption of the report, which was adopted by unanimous vote of those present, 12.

Ann Arbor, Mich., Sept. 5, 1914.

To the Common Council: Gentle-

men—I herewith transmit for your farther orders the assessed valuations in sprinkling districts Nos. 11 to 15 inclusive; also in lateral sewer districts Nos. 51 to 63 inclusive; also in pavement district No. 30.

Respectfully submitted, E. G. Mann, Assessor.

By Ald. Fiegel:—Resolved, that Thursday, September 24th, 1914, be and the same is fixed as the day, 2 p. m. the hour, and the council room the place, for the review of the assessment rolls of sprinkling districts Nos. 11, 12, 13, 14 and 15; lateral sewer districts Nos. 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62 and 63; pavement district No. 30.

Resolved, further, that the city clerk do advertise the same according to law.

Adopted by unanimous vote of those present, 12.

STREET COMMISSIONERS' REPORT

Ann Arbor, Mich., Aug. 8, 1914.

Hon. Board of Public Works, Evart H. Scott, President: Gentlemen—The following is a report of the work done by the Street Department during the month of July, 1914:

July 15, 15-29; cleaning paved streets, labor	\$605.37
Extensions and crosswalks, labor..	\$145.12
(2 extensions and crosswalks across Edward north side Summit; extension N. W. corner 5th ave. and Kingsley; repairs extension S. W. corner 5th ave and Kingsley; lowering crosswalk across 5th ave west side Detroit st; 2 extensions and crosswalk across Onondaga st. north side Hill st; repairs crosswalks Detroit and Division and Fuller; extension S. W. corner Ashley and Huron; extensions Church and Prospect, Roosevelt, Oakland, Hill, Willard; lowering crosswalk across Martin south side Cambridge rd. and extending curb east and west sides Martin; extensions N. W. and S. W. corners Forest and Hill; cement gutter boxes north and south sides crosswalk east side Division at Kingsley street.)	
Repairs culvert spring between Hiscock and Summit streets, labor	\$ 1.62
Repairs street pavements, labor....	8.29
(Laying pavement at intersections to match with new paving at Church and Hill; repairs concrete Packard between Arch and State; repairs brick: water department hole N. Main, opposite postoffice)	
Repairs inlets and gutter boxes and cleaning inlets, labor	\$ 32.93
(New top box Apple and Pontiac sts; tile under sidewalk across A. A. Machine Co. track, Broadway; repairs inle top north side Liberty at Maynard; lowering inlet southwest corner Oakland and Church; filling old inlet south side Washington west of 3d; cleaning catch basin Hill and Edwin st storm sewer.)	
(Of above amount, \$20.89 was for cleaning inlets after rain storm.)	
Miscellaneous work and repairs, labor	\$ 67.46

(Foreman city yard and handling empty cement sacks, \$52.00—repairs crosswalk Clark and Ann, \$1.06—repairs cement mixers and steam roller, \$12.17—work on tar kettle, \$2.23)
 Cleaning crosswalks, labor\$ 2.00
 Setting new street signs at corners, labor\$ 61.40
 Cleaning culvert Division and Hill and culvert Allens creek in State, Arch, White and McKinley and ditch in Edwin street, labor\$119.35
 Flushing catch basins and inlets, labor\$ 11.50
 Repairs pavement corner North and East University avenues, labor\$192.54
 City Engineer Dept., acct—
 (Work on new sanitary sewers, \$56.39 — clearing up, hauling tile, etc., \$4.80—repairs sanitary sewer cor. E. and N. University ave, \$41.31—building manhole storm sewer S. University and Church, \$2.45—flushing sanitary sewers W. Washington and Lawrence and repairs Lawrence, \$12.56—opening wells at Steere farm, \$6.00 \$123.51
 Grading, graveling and patching dirt streets, labor\$802.71
 (Graveling. Brooks, Miller ave, Spring, Hiscock, Summit, Madison between Packard and 5th ave, Packard east of paving; grading: Cambridge road for oiling between Baldwin and Martin, W. Summit, Washtenaw east of Fair Oaks Parkway, Berkshire road, Martin Place, Cambridge road, Baldwin to Forest; leveling off water dept. ditch S. University; graveling: S. University, E. University, Elizabeth, N. Main, Hill, N. 5th ave, Monroe, Tappan, Forest, Detroit, Kingsley, West Washington street.)
 Cleaning gutters on dirt streets, labor\$180.95
 (North 4th ave, W. Ann, W. Jefferson, W. Madison, Broos, Depot, Hamilton Place, S. University, North Ashley, Ox-

for droad, 1st between Kingsley and Arn)
 Unloading cars cement, labor\$ 30 56
 Grading for sidewalks, labor\$106 03
 (Wells, lawn extension Elizabeth, cutting bank Chapin st, McKinley north side west of Packard, Olivia west side south of Minerva, Wells, north side Baldwin to Berdon road, Washtenaw ave east of Fair Oaks Parkway, Martin place, Huron between Glen ave and 14th, extension 5th ave south side between Liberty and William street.)
 Tarring paved streets, labor\$279.11
 (Washtenaw ave west of S. University, State between Arch and Packard, State, Packard to Monroe, Arch, 5th ave, Packard to Detroit, Packard, Wells to S. Main.)
 Cutting weeds on streets and lawn extensions in the several wards, labor..\$ 79.31
 Setting drinking fountains, labor..\$ 55 86
 (Court house, 1st and Liberty, South and East University avenues.)
 Church street paving No. 30, labor acct.\$2,142.02

Total\$5,027.54
 Respectfully submitted, J. WISNER, Street Commissioner.

Street commissioner's report for month of July received and ordered printed in minutes. Marshal's report for month of August received and ordered on file.

Engineer's Department, Ann Arbor, Michigan, Aug. 31, 1914.

The Honorable Common Council, Ann Arbor, Michigan: Sirs—In compliance with instructions, I present the following report of the gauging of wells at Steere farm, up to the time that they were closed. The flow is given in gallons per twenty-four hours.

	July 21	July 29	Aug. 3	Aug. 10
Well No. 1.	59,600	56,500	58,500	46,200
Well No. 2.	136,800	121,000	115,200	90,100
Well No. 3.	120,000	132,100	130,000	118,000
Well No. 4.	23,600	21,400	19,300	18,300
Well No. 5.	211,000	199,500	190,300	176,500
Well No. 6.	157,000	157,000	157,000	153,000
Well No. 7.	158,200	139,500	131,500	123,500
	<u>866,200</u>	<u>827,000</u>	<u>801,400</u>	<u>725,600</u>

This twenty-day test is absolutely no criterion, as a test of a little longer duration was conducted two years ago, from Oct. 19th to November 13th, in which results showed a greater flow at the expiration of the time than at the beginning. If these wells are allowed to flow for a considerable period of time there will be undoubtedly fluctuations, but under similiar weather conditions the flow should be practically the same.

Very truly yours, Manley Osgood,
 Engineer's Department, Ann Arbor, Michigan, September 8, 1914.

To the Honorable Common Council, Ann Arbor, Michigan: Sirs—Complying with your instructions of August 17th, last, I present herewith plan and profile specifications and the following approximate estimate of the cost of building a 24 in. storm water sewer on Cambridge road from Forest avenue to Lincoln avenue:
 982 lin. ft. 24 in. tile, at \$0.80 \$785.60
 120 lin. ft. 18 in. tile, at \$0.50 60.00
 2 18 in. elbows, at \$1.65 .. 2.30
 730 lin. ft. 12 in. tile, at \$0.25 182.50
 18 12 in. elbows, at \$0.60 .. 10.80
 6 Manholes, at \$40.00 240.00

14 regular inlets, at \$12.00 ..	168.00
4 alley inlets, at \$10.00 ...	40.00
2 special inlets, at \$15.00 ..	30.00
Excavating and backfilling:	
982 lin. ft. 6-8 ft. deep for 24 in. tile, at \$0.75	736.50
120 lin. ft. 9-6 ft. deep for 18 in. tile, at \$0.50	60.00
730 lin. ft. 0-6 ft. deep for 12 in. tile, at \$0.45	328.50
<hr/>	
Total	\$2644.20
Engineering and laying tile	200.00
<hr/>	
Total	\$2844.20

As a matter of record, I want to advise again against the construction of so small a sewer. A 24 in. sewer will carry only about 1-4 as much water as a 39 in. sewer, both having a fall of one foot in one hundred feet as in this case. The estimated cost for the larger sewer is only \$2,161.00 more than the above estimate.

Respectfully, Manley Osgood.

Engineer's Department, Ann Arbor, Michigan, September 8, 1914.

The Honorable Common Council, Ann Arbor, Michigan: Sirs—Complying with your instructions of August 17th last, I present herewith plan and profile, specifications and the following estimate of the cost of a 24 in. storm water sewer on West Jefferson from Second street to Third street:

320 lin. ft. of 24 in. tile, at \$0.80	\$280.00
120 lin. ft. of 16 in. tile at \$0.50	60.00
280 lin. ft. of 12 in. tile, at \$0.25	70.00
1 man hole	40.00
6 regular inlets, at \$12.00 ..	72.00
4 special inlets, at \$15.00 ..	60.00
1 24 in. by 12 in. tee, at \$1.90	1.90
6 12 in. elbows, at \$0.60 ...	3.60
4 18 in. elbows, at \$1.15 ...	4.60
Excavating and backfilling:	
352 lin. ft. 6-8 deep for 24 in. tile, at \$0.75	264.00
120 lin. ft. 0-6 deep for 18 in. tile, at \$0.50	60.00
280 lin. ft. 0-6 deep for 12 in. tile, at \$0.45	126.00
<hr/>	
Total	\$1042.10
Engineering and laying sewer	100.00
<hr/>	
Total	\$1142.10

As a matter of record, I want to again advise against the construction of so small a sewer. A 24 in. sewer will carry only about 1-3 as

much water as a 36 in sewer, both having a fall of about eight inches in one hundred feet, as in this case. The estimated cost for the larger sewer is only \$472.80 more than the above estimate.

Respectfully, Manley Osgood.

City Engineer's report on flow of wells at Steere farm, estimate of cost of constructing storm water sewer on Cambridge road from Forest ave. to Lincoln ave., and storm water sewer on Jefferson st. from Second to Third sts., received and ordered printed in minutes.

Moved by Ald. Groves, that the board of public works advertise for bids on the construction of storm water sewers on Cambridge road, and W. Jefferson st., according to plans and specifications presented by the engineer, and approved by this council, and report at next meeting.

Adopted by unanimous vote of those present, 12.

Resolutions.

By Ald. Groves: Whereas, Fred C. Weinberg and Mary K. Weinberg, his wife, as proprietors, have recently made and executed a certain plat or sub-division to the city of Ann Arbor, that is known as Weinberg's subdivision in the city of Ann Arbor, and

Whereas, said plat has been approved by the board of public works of this city, and accepted by this council, and

Whereas, the street lines of South Division st. between a point lying between the north line of Weinberg's subdivision and Hill st., and south Fifth ave. between the south line of Madison st. and Hill st., in said Weinberg's plat, are changed so that a portion of South Fifth ave. and South Division st. as formerly platted in Maynard and Morgan's addition to the village (now city) of Ann Arbor, is now contained in said Weinberg's subdivision in the City of Ann Arbor now, therefore,

Be it resolved, that so much of South Fifth ave. and South Division st. as platted in said Maynard and Morgan's Addition to the village (now city) of Ann Arbr, as is now contained in Weinberg's subdivision in the city of Ann Arbor, be and the same is hereby vacated and held for nought, and be it further resolved that so much of Moseley st. as lies between the east line of South Fifth ave. an South Division st., in Maynard and Morgan's Addition to the village (now city) of Ann Arbor, and now contained in Weinberg's subdivis-

ion in the city of Ann Arbor, be and the same is vacated and held for nought.

Adopted by unanimous vote of those present, 12.

By Ald. Groves: Resolved, that Hill st., within the city, east of Oswego st., be covered with six inches of gravel, nine feet wide.

Lost by following vote: Yeas, Ald. Koernke, Prochnow, Groves, 3. Nays, Ald. Fiegel, Heusel, Hanselmann, Flynn, Markey, Hubbard, Sherk, G. Lutz, Pres. Schmid, 9.

By Ald. Fiegel: Resolved, that the City Engineer be directed to file with the City Clerk on the first and fifteenth of each month, a statement showing total amount in gallons of water flowing from the seven wells on the Steere farm, the clerk to report same to council at the regular meetings. Adopted.

Moved by Ald. Koernke, that the sidewalk along the property of Mrs. Molkentine, 508 Fourth st. be repaired. Adopted by unanimous vote of those present, 12.

By Ald. Markey: Whereas, the Street Commissioner ordered tar for filler on State st. after the board of public works had recommended to the common council that grout filler be used in place of pitch filler,

Resolved, that the common council hereby demands an explanation from the Street Commissioner as to why he ordered tar before this body had

an opportunity to take action upon the recommendation of the board of public works.

Moved by Ald. Groves, that the matter be referred to the Street committee. Adopted by unanimous vote of those present, 12.

By Ald. Sherk: Resolved, that the board of public works be and are hereby authorized to build an intake on the south side of Packard st., between State st. and Mr. Mullison's driveway, also to build a catch basin at the corner of Arch st., at the intersection of Packard st. Adopted by unanimous vote of those present, 12.

Ald. Groves presented a list of streets that needed graveling, and on motion of Ald. Markey it was referred to the Street committee.

Moved by Ald. Groves that the property owners on the north side of Edwin st., from Mary st. to Division st., be ordered to build sidewalks, and the street commissioner to construct a crosswalk on north side Edwin st. across Division st. Referred to Sidewalk committee.

Moved by Ald. Prochnow, that bids on extra heating of police department rooms be referred to Finance committee, with power to act. Adopted by unanimous vote of those present, 12.

The Council adjourned.

ROSS GRANGER, Clerk.
