## City Attorney's Report on Meyer Claim.

Ann Arbor, Mich., July 17th, 1915. To the Honorable the Common Council, city of Ann Arbor: Gentlemen—The claim of Charles F. Meyer for damages to his automobile claimed to have been caused by having the same mired on State street near Dewey ave., which said claim was referred to me by your honorable body under date of June 5th, 1916, has been carefully investigated by me, and 1 beg leave to report as follows:

This street had been lately dug up in order to place a sewer therein, by Tom Joyce, the sewer contractor. If this street was in a bad or dangerous condition, the contractor was to care for the same, he having executed a bond to the city of Ann Arbor to save it harmless in such instances. This bond was signed by the Chicago Bonding & Surety Company of Chi-While the amount claimed is small, I nevertheless do not feel that the claim should be allowed unless it is first allowed by the Bonding Com-3.61 pany. In making this recommendation I wish to have it understood that I am not taking advantage of Mr. Meyer, and recommending that the

the fact that he says in his communication that he will not sue if city does not pay his claim.

The liability should be fixed so that the city could in turn collect from the contractor or the bonding company.

Respectfully submitted, Frank B. De-Vine, City Attorney.

Report accepted and ordered placed on record.

City Attorney Frank B DeVine also reported that Tom Joyce had notified the City Engineer that he could not complete his sewer contracts with the City of Ann Arbor, and the Board of Public Works had instructed the City Attorney to take up the matter with the Chicago Bonding

claim should not be paid because of Surety Co., sureties on the bond of Mr. Joyce.

Police Committee.

Moved by Ald. Freeman, that the Mayor's office be given over to the Police department for an office, and that the pictures of the former Mayors be placed in the Council Chamber.

Adopted by following vote: Ald. Fiegel, A. Lutz, Mayer, Flynn, Donnelly, Sherk, Freeman, Geo. Lutz.

Nays, none.

Ald. Donnelly reported that Zack Simons would give gravel from his property on Fuller st., provided the city would widen said street.

Referred to Street committee. The Council adjourned.
