University of Michigan, Aug. 29, 1918.

City Council, Ann Arbor, Mich.: Gentlemen—I respectfully request to build a stone curbing around what is known as the Condon property, located at the corner of North University avenue and Haven street. This curbing is to match as near as possible the present stone curbing around the Martha Cook property, which would be blue stone, axed finish, to be set in a concrete base with apron.

Yours very truly, E. C. Pardon,
Supt.

Moved by Ald. Lutz, that matter be referred to Street Committee with power to act.

Adopted by the following vote: Yeas—Ald. Heusel, Huss, Mayer, Prochnow, Donnelly, Spathelf, Freeman, Lutz, President Reichert—9. Nays—None.

In view of the fact that there is very heavy traffic on Volland street, and that clouds of dust pour into the windows of the old Hall place, where a large number of soldiers are quartered, thus making it difficult for them to keep things clean enough for critical inspection by their superior officers; we, the undersigned, respectfully petition the Common Council to have that part of Volland street between Washtenaw avenue and Fourteenth street sprinkled at the expense of the city.

Respectfully submitted, Mrs. H. B. Cannon, et al.

Moved by Ald. Freeman, that matter be referred to Street Commissioner, with power to act.

Adopted by the following vote: Yeas—Ald. Heusel, Huss, Mayer, Prochnow, Donnelly, Spathelf, Freeman, Lutz, President Reichert—9. Nays—None.
