To the Honorable the Common Council,
 Ann Arbor, Mich.
 Gentlemen:

Your Committee to whom was referred the matter of a new plan for issuance of Tax Receipts proposed by the City Treasurer respectfully reports that we have heard a detailed description of the plan and that we recommend its adoption by the Council.

Its new and essential feature includes making tax bills in duplicate, mailing one copy to the property owner thus advising him what tax he is called on to pay, what the penalty may be for delay beyond certain dates in payment, and any other information, in printed form, that it may be considered desirable to convey to him.

As the compilation of a mailing list is necessary for working the plan and this can most readily be made at the next tax-paying time, the plan can not be put into operation until just before the time for collection of taxes in the summer of 1927.

H. M. SLAUSON,
 E. E. LUCAS,
 J. EDGAR DWYER,

Committee.
