A Boy Burned to Death.

MICHIGAN CITY, Ind., Oct. 23.-Yesterday morning the residence of Frederick Mast, east of the city, was burned to the ground and his young son perished in the flames. Detroit Not a Good Ball Town.

DETROIT, Oct. 23.-Managing Director Stearns said last night that Detroit would have no League Base Ball club next year. He has nearly accomplished the disposel of the team. Philadelphia has taken Thompson, and the price to be paid is \$5 000. Pittsburg will probably get Conway and Rowe. The franchise goes to Cleveland. He says it was absolutely out of the question for Detroit to continue with the expensive club, as in three years it has cost \$60,000, and no dividends have been paid.

PULSIFER WAS TOO HASTY.

If He Had Waited a Few Days His Luck Would Have Turned.

BOSTON, Oct. 23.-Col. Pulsifer's ill-luck began to change soon after his death by suicide and it looks as though the tide of prosperity would have turned towards him once more if he had waited three days longer. Monday the bonds of the Marietta & North Georgia railroad were floated on the London market and were taken at par. This was one of Col. Pulsifer's pet schemes. He had advanced a small fortune in the road, but he began to think his money was thrown away. Another enterprise in which he was a large stockholder was the Boston Conduit company. Its object was to lay the electric telephone and telegraph wires under ground. It received a franchise from the board of aldermen, but it was vetoed by Mayor O'Brien and its friends feared that was the end of it. But Monday night the board of aldermen passed the bill over the mayor's veto. This will put the company on its feet. But Col. Pulsifer could not wait for these e: terprises to yield the return which he expected.

Col. Pulsiter was insured in the New York Life for \$100,000, the New York Equi' ble for \$100,000, the New York Mutual for \$15,-000, the Pennsylvania Mutual for \$10,000, the Massachusetts Mutual for \$20,000, the Northwestern for \$5,000, making a total of \$250,009. Reports say that the losses will be paid.
