TWO FATAL ACCIDENTS.

A Little Girl Killed by the Cars at Ypsilanti.

JOHN SCHULTE WAS DROWNED AT SCIO.

Thurlow T. Drops Dead at Clio.—Changes in Washtenaw Pension Board.—Two Good Concerts, Etc., Etc.

Washtenaw's New Pension Board.

The U. S. pension board of examining surgeons in this county has been reorganized. Dr. John Kapp, of the old board, is retained. Dr. E. F. Pyle, of Milan, succeeds Dr. W. F. Breakey, of this city, as the republican member of the board, and Dr. Thomas Shaw, of Ypsilanti, succeeds Dr. F. K. Owen, of Ypsilanti.

Death of Benjamin Taylor.

Benjamin Taylor, of this city, died very suddenly Tuesday afternoon. He was mowing with a lawn mower when he was seen to drop over on the grass. He was carried home and died within an hour, without having spoken. He was sixty-seven years old and was born in Leeds, England, coming to Ann Arbor in 1881. For a number of years he was sexton in St. Andrew's church and was an intelligent man. The news of his sudden death shocked many of his friends, as he had been in apparently good health. His death was due to hemorrhage. The funeral was held in St. Andrew's church yesterday afternoon.

Drowned at Scio.

John Schulte lost his life by drowning in the Scio mill pond last Sunday morning. He was in bathing with a number of others and was unable to swim. He sat on a boat and as it neared the shore jumped off, where he evidently thought the water not over six feet deep and, strange to say, Schulte never again appeared after he went down. Help was near but it was an hour before the body could be recovered, and although every effort was made towards resuscitation, life was extinct.

The deceased was in the employ of Heinzmann & Laubengayer for two years as fireman. For the past two months he has been living with his wife's parents, Mr. and Mrs. Sindlinger, of Scio. He leaves a wife and two young children.

Lost a \$1,000 Colt.

B. F. and W. W. Watts had a practical illustration of the uncertainty of life, especially in horse flesh, on Thursday morning, a telegram being received by them announcing the death of the four-year-old colt, Thurlow T., which they owned. The colt was in the 2:40 race at Clio, Wednesday afternoon, and in the third heat of the race dropped dead on the home stretch, either from heart disease or from the bursting of a blood vessel. The colt was valued at \$1,000 and was one of the promising young horses of this vicinity. He had a mark of 2:39½ and this season had shown several half-miles under 1:15. Two weeks ago at Saline he won the four year old race easily, five half-miles of the race being trotted between 1:14½ and 1:16½. The loss to the owners is a total one, as they carried no insurance.

The U. of M. Daily.

As is well known, this has been the most successful year in the history of the U. of M. Daily. This year's editorial board are to be congratulated for the excellence of their publication and for the growing interest in the Daily on the part of the students.

Foremost among college dailies of this country, the U. of M. Daily may well be taken as standard, worthy of imitation by others. The U. of M. Daily will be the only college daily at the World's Fair. The volume of the current year has been bound in the college colors. The back of the volume is made up of a diagonal strip of yellow and blue cloth, resembling the U. of M. button, with edges of yellow and blue. Across the back is printed in gilt, "World's Columbian Exposition Edition." The volume is very pretty and appropriate and has been highly praised by all who have seen it. It will be placed with the U. of M. exhibit in the liberal arts building. F. J. Schleede is to be credited with the excellent work done on the binding.

A Silver Wedding.

Bethlehem church was the scene of an enjoyable surprise to two of Ann Arbor's most popular German residents last Friday evening. The day was the twenty-fifth anniversary of the marriage of the pastor of the church, Rev. John Neumann, and his estimable wife. Unknown to the pastor, the members of the congregation arranged for the celebration of the affair. The church was beautifully decorated and at 7:30 o'clock the bell was rung and the congregation assembled. The reverend gentleman and his family were then sent for and upon their arrival, Mr. and Mrs. Neumann were again united in wedlock, the marriage ceremony which they had been parties to twenty-five years before being repeated in the presence of the congregation, Rev. Paul Irion, of Freedom, and Rev. Mr. Schoettle, of Manchester, officiating. Following the ceremony congratulations were showered upon Rev. and Mrs. Neumann by the large number present, and many handsome gifts were presented to them as remembrances of the occasion, among them being a beautiful tea service from the Ladies' Society of the church.

Killed by the Cars.

Miss Alice Bissell, a young Ypsilanti lady, the daughter of Mr. and Mrs. L. E. Bissell, and sister of Mrs. C. Y. Smith, of that city, met with a sudden and frightful death at that place on Monday morning. She had been to visit a young friend of hers, Miss Hollys, who lives on the north side of the city, and upon returning she attempted to cross the Michigan Central tracks ahead of the Jackson accommodation. The train was late, and she did not realize the speed with which the train was approaching nor the danger she was in. She had reached the center of the track when the engine struck her and threw her about forty feet. Spectators rushed to her at once, but life was extinct before they reached her side, and the condition of the body indicated that death was instantaneous. The remains were carried to the home of her parents, and Drs. Owen and Hueston made an examination, which showed bad wounds about the face and head, one leg broken, and many bad cuts on the body.

The deceased was 14 years of age, and was a bright and lovable girl. She was a good scholar, and has attended the primary and grammar departments of the Normal School for several years. Her father is a prominent carpenter and contractor, and the parents and friends are grief-stricken over the sad and sudden death.

School of Music.

The Faculty Concert, Thursday was a fitting close to the excellent series of this season. The execution in the Grieg Sonata and especially the Foote Quartet was of the highest order, while the works themselves are among the most interesting of these composers. Mr. Schmall's appearance with the viola created a wave of exhilarating surprise that grew into satisfied enjoyment as that gentleman proved his thorough ability to handle his instrument most artistically. The performance of each member of the faculty was as usual excellent and heartily appreciated by the large audience.

COUNTY AND VICINITY.

Willis will have a brass band. Manchester has a newly organized brass band. Saline put \$800 of her liquor tax into the street fund. Rev. Mr. Miller will preach at the Baptist church in Manchester. Tecumseh is talking of following Milan's lead and organizing a bicycle club. Mansfield Davenport, of York, fell from a ladder recently and severed one of the arteries in his wrist. He was taken to Milan for repairs. Fowlerville has decided that she doesn't want to spend \$6,000 for fire protection. The majority of the voters thought that too much to pay. The graduating class of the Saline school this year numbers seven, the members being Fred H. Clarke, Maud D. Freis, May V. Hurd, Burt D. Hammond, Donna Weissinger, Henry Williams, and Allen F. Wood. The commencement exercises were held yesterday. On Monday we were called by Mr. D. Nissly to his potato garden to witness the work of a new variety of bugs that are stripping the vines of their leaves very rapidly. They are a small dark-red bug, with black and yellow stripes extending only about one-half the length of the back, in size are not larger than a kernel of buckwheat, have a hard coating or shell, many legs, and keen eyes. In their nature they are not logy but are very active, are easily frightened, will often run when you appear in sight, a slight shake will jar them from the vines, but it takes but a few seconds for them to pick themselves up and climb on again. Paris green they heed but little.—Saline Observer.

The plain truth is good enough for Hood's Sarsaparilla. No need of embellishment or sensationalism. Hood's Cures.

Chelsea.

The brick are being laid on the Schenk stores. Several cases of measles are reported about town. D. B. Taylor was an Ann Arbor visitor on Thursday. C. H. Kempf returned Monday from the World's Fair. Mrs. Geo. McClain visited relatives at Albion last week. J. A. Palmer and wife are doing the World's Fair this week. Main street is being widened and much improved north of town. J. C. Taylor and wife spent last Sunday with relatives in Iosco. Boyd's new store is expected to be ready to occupy by the Fourth. The hay crop is large this year again and farmers will be cutting it next week. Ninety degrees in the shade was pretty warm for the first three days of this week. The school children are happy over their release this week from the school room. The bridge north of town on the Letts road is washed out and unsafe until repaired or a new bridge put in. Interesting Children's Day exercises were given at the Baptist and Congregational churches last Sunday night. The graduating exercises of our high school were at the town hall Thursday night. Seven candidates took diplomas. All spring crops look unusually well about here and unless something happens to injure them, large crops will be realized. There is to be a grand celebration at Cavanaugh Lake on the Fourth, which will be well patronized, as there is no other near here. Property owners north of town are about to petition to have the Bolles creek straightened and widened from the Pierce ditch on west to get rid of the water so they can use their marshes. The market continues dull and receipts very light light. Wheat, 60c; rye, 45c; oats, 33c; potatoes, 65c; eggs, 12c; butter, 12c. Wool moves but little yet at 16c for washed fleeces. All who are able prefer to wait a while before selling at that price at the risk of getting less. Wool cannot be raised for 16 cents a pound.

The 8th annual commencement exercises at the Milan high school were held in Gays Opera House. The stage was beautifully decorated with flowers and the class colors of '93 which were pink and green. The orations and essays were very interesting and the music rendered by the celebrated Chequamegon was fine. The house was crowded. It has a seating capacity of 550 but 800 were crowded in to listen and see the graduating exercises of '93.

It is Strange

That people suffering from Piles will endure them for years or submit to dangerous, painful, cruel, and expensive surgical operations, when all the time there is a painless, certain lasting cure, which gives instant relief and costs but a trifle. It is called the Pyramid Pile Cure and can be found at all drug stores. Any druggist will get it for you if you ask him.

A RETIRED BUSINESS WOMAN.

A Page From Her History.

The important experiences of others are interesting. The following is no exception: "I had been troubled with heart disease 25 years, much of that time very seriously. For five years I was treated by one physician continuously. I was in business, but obliged to retire on account of my health. A physician told my friends that I could not live a month. My feet and limbs were badly swollen, and I was indeed in a serious condition when a gentleman directed my attention to Dr. Miles' New Heart Cure, and said that his sister, who had been afflicted with heart disease, had been cured by the remedy, and was again a strong, healthy woman. I purchased a bottle of the Heart Cure, and in less than an hour after taking the first dose I could feel a decided improvement in the circulation of my blood. When I had taken three doses I could move my ankles, something I had not done for months, and my limbs had been swollen so long that they seemed almost purified. Before I had taken one bottle of the New Heart Cure the swelling had all gone down, and I was so much better that I did my own work. On my recommendation six others are taking this valuable remedy."—Mrs. Morgan, 569 W. Harrison St., Chicago, Ill. Dr. Miles' New Heart Cure, a discovery of an eminent specialist in heart disease, is sold by all druggists on a positive guarantee, or sent by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, six bottles for \$5, express prepaid. It is positively free from all opiates or dangerous drugs.

Sold by Druggists everywhere.

NEVER A FAILURE.

The Red River Valley of Minnesota and North Dakota has never had a failure of crops.

It produced 30,000,000 bushels of wheat besides other cereals in 1890.

Farms can be had on the crop plan, or long time cash payments.

It is not an uncommon thing to pay for a farm from the proceeds of one crop.

It has all of the advantages of an old country in the shape of school, church, market, postal & railway facilities and all the chances of a new country in the way of cheap lands, rich soil, and increase in values.

It is one of the most fertile and promising regions in America not yet fully occupied.

In the rush to the far west, however, this rich valley has been over-looked.

It has room for a million more people.

An Exciting Scene in Detroit

Received at the Chicago Bankrupt Clothing Co., No. 4 Monroe Avenue.

The Great Sacrifice Sale Begins this Week.

There was a wild time at the Chicago Bankrupt Clothing Co.'s store, No. 4 Monroe Avenue, yesterday. People went frantically to the sight of the clothing bargains offered.

Yesterday the new and immense \$360,000 stock of the latest and most fashionable clothing and furnishings for men and boys reached town. No Woman

is beautiful with a bad skin, covered with pimples, freckles, moth, or tan. I have been asked many times what will remove these unsightly blemishes. No face paints or powders will remove them, as they are caused by impure blood. The only sure remedy I have ever seen is Sulphur Bitters, and in hundreds of cases I have never known them to fail.—*Edith's Fashion Gazette.*

When you have bought one fine thing you must buy ten more, so that your appearance may be all of a piece.

Fail to do their Duty.

Everybody has at times failed to do their duty towards themselves. Hundreds of lady readers suffer from sick headache, nervousness, sleeplessness and female troubles. Let them follow the example of Mrs. H. Herbecher, Stevens Point, Wis., who for five years suffered greatly from Nervous Prostration and sleeplessness, tried physicians and different medicines without success. But one bottle of Dr. Miles' Nervine caused sound sleep every night and she is feeling like a new person. Mrs. Elizabeth Wheeler, Laramie City, Wyoming, who tried all other remedies, declares that after three weeks' use of the Nervine for Headache, Nervous Prostration, etc., she was entirely relieved. Sold by Eberbach & Son's. Trial bottle Free.

A Surgical Operation

For the cure of Piles is always painful, often dangerous and useless, and invariably expensive; on the other hand there is a new certain cure, perfectly painless, gives instant relief and permanent cure and costs but a trifle. It is the Pyramid Pile Cure. It is a more certain cure than a surgical operation, without any of the intense pain, expense and danger of an operation. Any druggist will get it for you.

Distressing Kidney and Bladder Diseases relieved in six hours by the NEW GREAT SOUTH AMERICAN KIDNEY CURE. You can't afford to pass this new, magic relief and cure. Sold by H. J. Brown, druggist, Ann Arbor, Mich.

Set right—all the proper functions of womanhood. Dr. Pierce's Favorite Prescription is the remedy. It regulates and promotes their action, and removes the obstructions and suppressions which cause trouble and misery. At the two critical periods in a woman's life—the change from girlhood to womanhood, and, later, the "change of life"—it is a perfectly safe and an especially valuable remedial agent, that can produce only good results. It's a powerful, invigorating tonic, and a soothing and strengthening nerve; a legitimate medicine—purely vegetable, perfectly harmless—and carefully adapted, by an experienced physician, to woman's delicate needs.

For all the derangements, irregularities, and weaknesses peculiar to the sex, the "Favorite Prescription" is a remedy so certain that it can be guaranteed. If it doesn't give satisfaction in every case, the money is returned. No other medicine for women is sold in this way. No other medicine can be.

Royal Baking Powder, made from absolutely pure Grape Cream of Tartar.

Imparts that peculiar lightness, sweetness, and delicious flavor noticed in the finest bread, cake, biscuit, rolls, crusts, etc., which expert pastry cooks declare is unobtainable by the use of any other leavening agent.

The city must do something quickly to dispose of the garbage which was formerly collected by owners of pigs, but which since the passage of the ordinance removing pigs from the corporation has proven a source of great discomfort to housekeepers and, allowed to fester in the hot sun, proves much more deleterious to health than the pigs proved.

As usual the Register froths at the mouth over a saloon ordinance and denounces the Council as voting for disorder, etc., and in fact comes as near swearing as so highly a moral paper could come. Now we do not desire to pose as defending the council, but the reform mayor must come in for his share of the blame.

Adrian Press Washtenawisms. The Ann Arbor Argus gives an interesting review of the late Hon. Chas. S. Gregory, of Dexter.

The Milan Leader man sighs for a drink of soda water, and there's not a soda fountain in the village.

The ball team of the University of Illinois came over to "swipe" our "Athenians" last week. They escaped with their lives but not with their scalps.

"The prize awarded the fast team of J. H. Ford, of Milan, for a dash of speed, was a pair of Whoa Emma bits," says the Leader. The team had run away.

"The junior laws are being quizzed this week on 'Personal Property,'" remarks the Washtenaw Times. Is it about the same thing as being "held up?"

An electric light dynamo burned out at Ann Arbor the other night. Part of the city shone with the other dynamo, and part appeared to have been hit with an eclipse.

The Ypsilanti Sentinel of last week announced a "full" board at the Monday session of the council. The record of proceedings "fully" justified the announcement.

Rev. Dr. Coburn will preach next Sunday evening at Ann Arbor on the topic, "Jonah and the Whale." Bet him a thousand dollars he can't prove that it was a whale.

Mrs. Joseph Collins, of Lyndon, had her carriage-top wrecked and her arm broken in the same act, by the interference of a tree limb in what was clearly none of its business.

Charles Fox and a young lady, of Ann Arbor, were standing under a shed out of the rain, when boozier Roney and a bottle of whiskey bowled along and offered Fox a drink. He spit cotton and declined. Roney struck at him for this discourtesy, but hit the girl. She felt hurt, and so did Fox, who sailed into Roney, with the young lady as referee. They were rolling around among the fleas, a mass of legs, arms and chaos, when bystanders interfered and segregated them.

Rev. John G. Paton, D. D., a missionary of wide experience and a resident of the New Hebrides islands of the Pacific, lectured at Ann Arbor recently. The good man has devoted much of his life to the conversion of cannibals, and now the inhabitants of the New Hebrides will eat no human flesh except that of a very tender, juicy baby, well cooked.

An Ann Arbor citizen, "sassed" a lawyer, Saturday, worshiped in jail, Sunday, and paid a fine, Monday. And yet a lawyer can abuse a witness like a Turk, from Monday around till Saturday, if he wants to, and receive the protection of the law. If witness "kicks," the judge says he must answer. If he kicks the judge, he goes to jail for moving the poise on the scale of justice. It's not just!

The Ypsilanti Sentinel thinks the Normal girls more winning than those of the University, as "the former got their appropriation for their 'gym,' while the latter got the cold shoulder." Not to be wondered at. The University girls went up to Lansing scented with scholasticism shubarb, juley and laboratory compounds, while their Normal sisters, with liquid eyes and lilac blooms, wilted on the necks of the legislature and murmured, "Oh, do please, you dear old Sawbucks!" and they did.

Homes for World's Fair Visitors.

In view of the crowded condition of Chicago and its hotels during the World's Fair period, Poole Bros. have done a public service in issuing a very carefully prepared list of the homes in Chicago that are thrown open to the public on this occasion. The list is complete and gives the name, location, and number of rooms, etc., so that correspondence may be had and arrangements made before the visitor comes to Chicago. This list is accompanied by splendid sectional maps of the city on a large scale, by which the location of every house can be accurately found. Copies can be obtained at the Michigan Central ticket office at the publisher's price, 50 cents—less really than the value of the maps themselves.

These words are very familiar to our readers, as not a day passes without the report of the sudden death of some prominent citizen. The explanation is "Heart Disease." These symptoms mean heart disease. The most reliable remedy is Dr. Miles' New Heart Cure, which has saved thousands of lives. There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. Why? Why is Strictly Pure White Lead the best paint? Because it will outlast all other paints, give a handsomer finish, better protection to the wood, and the first cost will be less. If Barytes and other adulterants of white lead are "just as good" as Strictly Pure White Lead, why are all the adulterated white leads always branded Pure, or

"Strictly Pure White Lead?"

This Barytes is a heavy white powder (ground stone), having the appearance of white lead, worthless as a paint, costing only about a cent a pound, and is only used to cheapen the mixture. What shoddy is to cloth, Barytes is to paint. Be careful to use only old and standard brands of white lead.

"Armstrong & McKelvy" "Beymer-Bauman" "Eckstein" "Fahnestock" "Anchor" "Kentucky" "Morley" "Southern" "Shipman" "Red Seal" "Collier" "Davis-Chambers"

are strictly pure, "Old Dutch" process brands, established by a lifetime of use. For colors use National Lead Co.'s Pure White Lead Tinting Colors with Strictly Pure White Lead.

For sale by the most reliable dealers in paints everywhere. If you are going to paint, it will pay you to send to us for a book containing information that may save you many a dollar; it will only cost you a postal card to do so.

Our Letter.

Editor Argus: For the benefit of the inquiring patrons of the Students' Lecture Association and of the public in general, the board of directors of said association desire to correct a false impression that has been held by some. The statement, for which perhaps the reporters of the press are responsible, has been made that the chartered Students' Lecture Association on is composed entirely of members of the law department. The truth of the matter is that said association comprises not only the whole of the law department, but also the whole of the medical and dental departments, together with a large part of the literary department. This fact thus exposes the truth that the opposition, the No-name Combine, is composed of only a part of the literary department, or in other words, of the so-called "Griffin Faction."

As has been before stated by the press, the Students' Lecture Association has been incorporated under the laws of Michigan, a thing which should have been done long ago; for, being thus incorporated, the association is made a responsible body capable of carrying on business, as any other incorporation, and thereby being enabled to furnish to the public a course of entertainments of the highest rank. The acting board of directors have labored diligently to get the business for the ensuing year upon a firm basis, and steps have been taken toward procuring for next year's course such men as Benjamin F. Harrison, David B. Hill, and the famous Spanish orator, Emilio Castelar. In the line of music at least two of the best concert companies obtainable will be included.

The board have also decided upon a new feature, which will probably be of interest to the public. Instead of limiting the course of lectures to Ann Arbor, as has been done in the past, there will also be given next year a course of lectures in Grand Rapids and other large cities in Michigan, and there is strong probability that the association will be incorporated under the laws of Ohio, and a course be also given in the large cities of that state. It is evident that under such a plan it will be possible to secure the greatest talent and give our patrons the benefit of a rare intellectual treat.

The board of trustees, acting in capacity of the Students' Lecture Association, are endeavoring to make it an association of which the outside world as well as the students and citizens of Ann Arbor may be justly proud.

THE BOARD OF DIRECTORS.

COUNCIL CHAMBER,
ANN ARBOR, June 19, 1893.

Regular session.
Called to order by Pres. Watts.
Roll called. Quorum present.
Absent.—None.
The journal of the last session was approved.

COMMUNICATION FROM THE MAYOR.

To the Honorable Common Council:

GENTLEMEN:—I have the honor to inform your honorable body that I have not approved of so much of the proceedings of your honorable body of June 5, as accepted the proposition of Clay Green to rent the city certain offices and authorizing the committee on public buildings to make changes in the plans and specifications for such offices, for the reason that the Council cannot delegate to a committee authority to bind the City or Council.

B. M. THOMPSON, Mayor.
Ald. Manly moved that the communication be received and filed.
Adopted.

PETITIONS AND COMMUNICATIONS.

The following resolutions were received and read:

By Ald. Terns:
Resolved, That the Common Council of the City of Ypsilanti extend to the Honorable the Mayor, Common Council and Officers of the City of Ann Arbor its heartfelt sympathy in the loss by death of one of its aldermen, A. H. Fillmore, feeling that by his death our sister city loses an able alderman as well as an honored and respected citizen; and

Resolved, That this resolution be spread on the records of the Council Proceedings and copy be sent to the Ann Arbor Council.

I hereby certify the above to be a true copy of resolution passed unanimously at a special meeting of the Common Council of the City of Ypsilanti, held at the Council Hall, Monday evening, June 12th, 1893.

C. P. MCKINSTRY,
City Clerk.

Ald. Pretteman moved that the resolutions be received, and spread on the journal, and the Clerk acknowledge the receipt thereof. Adopted.

To the Common Council:
The Board of Review of the City of Ann Arbor; respectfully represent to the honorable Council of said city, that for the performance of its duties and that of the City Assessor plats of the city should be furnished, that said plats should be on a scale of not less than 1/2 inch to the rod, so that the name of property owners may be rated thereon by the Assessor, that proper comparison of the value of adjacent property can be made.

By order of the Board of Review.
W. J. MILLER, Clerk.

Referred to Finance Committee.

A communication from Saginaw was read, setting forth that the action taken at a former meeting of the Common Council of that City declining outside aid for the sufferers by the recent conflagration in that City, although prompted by a proper pride was the result of too hasty action; that the showing of the past two weeks has demonstrated that outside aid would be very acceptable and useful.

Received and filed.
A petition was received and read, from J. F. Hoelzle, asking permission to build a cesspool on the west side of his store on Fourth Avenue.

Referred to Street Committee with power to act.

GOOD HEALTH.

IS YOUR BLOOD IMPURE? Are you suffering from any Kidney or Female Complaint? Have you a Cough, Cold or any disease of Throat, Chest or Lungs? Is your Liver performing its functions properly? If you have any of these complaints it will certainly pay you to try the medicines mentioned below, which are warranted.

A REMARKABLE CURE.
MESSRS. FOLEY & CO., Chicago.
GENTLEMEN:—I had a scrofulous taint of the blood from childhood. An ulcer began on the side of the nose, having all the appearance of a most malignant cancer, became about the size of a silver dollar and ended a thin, offensive matter. The agony of mind I suffered cannot be described as I contemplated the progress of the disease.

I was induced to try the Clinic Sarsaparilla; it appeared to neutralize the poison in the blood, the ulcer ceased. The diseased tissues in the bottom and edges of the sore seemed to loosen and the natural flesh to take its place. Thus the cure continued until an even surface remained. No part of the disease remains.
Mrs. H. B. ADAMS,

SUFFERED 27 YEARS.
Mr. G. A. Stillson, a merchant of Tampico, Ill., writes, August 10th, 1891:
MESSRS. FOLEY & CO.
GENTLEMEN:—Your Kidney Cure is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I, myself, am able to testify to its merits. My face to-day is a living picture of health, and your Kidney Cure has made it such. I had suffered twenty-seven years with the disease, and to-day I feel ten years younger than I did one year ago. I can obtain some wonderful certificates of its medical qualities.

WHAT A PHYSICIAN SAYS.

GENTLEMEN:—Please send me six dozen Honey and Tar at once. I will say that within the past two months I have had three or four cases of Pneumonia, in all of which I have used your Honey and Tar with the most gratifying success. Yours truly,
