DEMOCRATS, TAKE WARNING.

There being no other issue of THE DEMOCRAT before election we make a last appeal to democrats to stand by their ticket. Republicans when they are in a majority ask no favors of democrats and never scratch a man. It is only when they are in a minority that they are polite and very friendly and ask democrats to scratch this man or that.

DEMOCRATS TO THE FRONT.

We are on the eve of the most important election that has taken place in a generation. Questions of the greatest importance are to be decided on the fourth of November. Let no democrat say "my single vote will make no difference. It may be the deciding vote. It may be the vote that shall determine whether Nathaniel B. Eldridge or Edward P. Allen shall represent this district in the next congress. If you are in favor of hurling from power the radical party, then work for the success of the democratic ticket from now until the close of the polls.

EXAMINE YOUR TICKETS.

Voters, examine your ticket and see that it is the true democratic ticket. Look out for tricks, misrepresentations and falsehoods. Be sure that you vote your own ticket. If it is the old story, "divide and conquer." Democrats! If you would preserve your self respect, if you care anything for the respect of others, you will be true to yourselves, true to your principles, and true to the candidates of your party! Let no unprincipled bolter who has the money for his treasury in his pocket, who has been bribed to betray his party, ever vote from your honorable allegiance! When a howling bolter urges you to scratch your ticket ask him just to divide with you the money which he has received for his treachery! Why should these creatures receive pay for their treason and you receive nothing but disgrace and contempt for yours? But no faithful democrat will put himself in such a position. The bolting democrats can be counted on your fingers, each one has a personal motive or a personal interest. They make a great noise, but they deceive nobody. They go to their beds at night lust and dispirited themselves as they would know they are hated and despised by the democrats. Let us stand together next Tuesday and before the rising of Wednesday's sun we can rejoice together in a glorious victory!

REPUBLICANS WILL ARGUE THAT THEIR CANDIDATES ON THE COUNTY TICKET ARE GOOD MEN, and if elected would serve the county faithfully. Yes! but are not our candidates equally as competent and deserving of the united support of the party? Democrats remember the day when you went to the polls on the fourth day of November.

Let every democrat work and vote for John J. Robinson. He is a worthy man and should be re-elected.

Every democrat who votes for James T. Honey for judge of probate, votes for Frederick Pastorius, for should Honey be elected to the office, Pastorius to be the probate register, the place now filled by Wm. G. Doty. How do you like the picture? But then we don't believe that the people of Washtenaw county are quite ready to turn the office over to the honest executor, the stuffer in the Kempf estate—F. Pastorius.

READ THE MULLIGAN LETTERS.

What would be the use of electing Albert Case to the office of county treasurer? He is a well-to-do farmer, and under no circumstances would he remove to this city, but on the contrary would "farm" out the office.

HONORABLE IN HONESTY.—Cleveland.

The soldiers of this district all recollect that Col. Eldridge is the first representative they ever had who did something beside promise and talk. He acted and he never fails to advocate the rights of the soldier, and he desires to see principle rather than a desire to see corruption and promises of good times and steady employment for the then succeeding four years. What has been the result? The workmen need not be in-

Commerce should be as free as the winds of Heaven.—Patrick Henry.

M. H. BRENNAN, the republican candidate for the office of prosecuting attorney, expects to get a number of temperance votes on the strength of his being a strong temperance man and a wearer of the red ribbon.

TELL THE TRUTH.—Cleveland.

STRIKES, riots, arson, tramps by the million, millions of bushels of good, sound corn burned for fuel, steady decline in prices of agricultural products, a steady rise or firmness in charge for transportation and most articles the people must consume, these are the fruits of that deadly institution, Protective Tariff.—Ex.

BURN THIS.—Blaine.

The common council of Ann Arbor, through its committee, invested Denmore Cramer with whatever of authority he had in the tramp business. What he had and what he obtained to have do not agree in any point.—Ypsilanti.

The facts are Mr. Woodruff, D. Cramer received his appointment from a committee organized by the board of supervisors to suppress the tramp nuisance. Be a little more truthful hereafter in your utterances.

JAS. KEARNS will make a good register of deeds.

EVERY vote for Honey is one for the honest executor, Frederick Pastorius, who has been promised the office of probate register as an offset for what he is doing for Honey.

EVERY true democrat can afford to devote the whole of election day to the polls. See that your friends and neighbors vote and that they vote right.

In the second representative district the democrats have also nominated a farmer and now the farmers have an opportunity of electing one of their number to the legislature. Mr. E. P. Harper it seems is just the man for the position. He would make a good legislator.

The democratic meeting held in Freedom last Saturday was attended by over 2,000 people. The Germans, as usual, were enthusiastic, and will be heard from on the evening of Nov. 4.

If democrats do their duty every man on the county ticket will be elected. With a majority in our favor a republican should stand no chance of an election.

Some one has declared content worse than contempt, and the comparison is a true one. Many are the "concocted" who cry down legitimate remedies, and who delude suffering humanity, whose only salvation is the immediate use of Bull's Cough Syrup.

A watched jack-pot never opens.

A GREAT DISCOVERY.—Mr. William Thomas, of Newton, Ia., says: "My wife has been seriously affected with a cough for twenty-five years, and this spring more severely than before. She has used many remedies without relief, and being urged to try Dr. King's New Discovery, did so, with most gratifying results. The first bottle relieved her very much, and the second bottle has absolutely cured her. She has not had so good health for thirty years." Trial bottles free at Eberbach & Son's drug store. Large size 50c.

Game birds.—Gamblers.

Never Give Up.—If you are suffering with low and depressed spirits, loss of appetite, general debility, disordered blood, weak constitution, headache, or any disease of a bilious nature, by all means procure a bottle of Electric Bitters. You will be surprised to see the rapid improvement that will follow; you will be inspired with new life; strength and vigor will return; pain and misery will cease, and henceforth you will rejoice in the praise of Electric Bitters. Judging from the signs of the times, old Washtenaw will speak in thunder tones next Tuesday. The democrats are jubilant, the republicans despondent, and have only been holding meetings throughout the county to keep up the organization of the r. o. p.

Supervisors Bennett and Braum have been appointed a special committee to confer with the common council of this city in reference to the building of a new jail, in which the city shall have lock-up privileges, and to report at the January meeting of the board.

Now that the campaign is about over THE DEMOCRAT will devote much more space to local matters. We will endeavor to make the paper as interesting as a time past, in fact we will continue to maintain the reputation of publishing the only local newspaper at the county seat.

Hon. Chas. S. May addressed a rousing democratic meeting in Ypsilanti Tuesday evening. The hall was packed with people and many turned away unable to get in admittance.

The course of the Washtenaw Post is dignified. Pretending to be neutral, or at least impartial, it has now for the second time assumed a democratic candidate, with unscrupulous malignity.

Hon. T. T. Logan, president of the state horticultural society, paid a flying visit to Fr. E. Baur, last Saturday, in regard to an exhibit of fruit from this county at the exposition at New Orleans.

All fruit growers are requested to bring perfect specimens of fruit, four specimens of each kind, to the monthly pomological meeting, or any time next week to Secretary Ganzhorn.

The attendance grows larger daily. Assistant Manager Watts is organizing a polo club.

The new Wilkie skates are daily growing in popularity.

Mr. J. E. Wyman has engaged Miss Miss Lydia Canwell as treasurer for the Process rink in Detroit.

Notwithstanding the cold weather Superintendent Preston appears at his post faithful and cool-headed as ever.

The barrel race on Tuesday was quite a laughable affair. After a hard struggle at the first barrel Geo. Slater kept the lead until the finish and was declared the winner.

On Friday evening one student from each department of the university will skate in a three mile race for the championship of the university. The prize will be a season ticket.

Beginning about Nov. 10 there will appear at the rink a list of attractions, the best that can be engaged, including fancy bicyclists, fancy skaters, horizontal bar performers, etc.

George A. Peters' Declaration. To the Greenbackers of the first representative district of Washtenaw county.

In my last week's communication I showed that the farmers of this representative district were robbed by excessive railroad freights, at a low estimate, three cents a bushel.

and make it honored at home and abroad. Then the railroads are allowed to charge more for hauling our freight a short distance, than they do for a long haul.

Yesterday was a gala day for the democracy of old Washtenaw. Although the meeting had less than a week's publicity, fully 10,000 people were present.

The street parade was the largest witnessed since the memorable campaign of 1864. At an early hour large numbers commenced arriving from the country, and by half after eleven o'clock, the time fixed for the delegations to make their appearance, the streets were lined with people.

That the university is not "solid for Blaine," was evidenced from the hundreds of students who took part in the parade. They were preceded by the Chequamegon band and were followed by the various delegations representing every city and township in the county.

Bands from Ypsilanti, Chelsea, Saline, Manchester, and this city were interspersed throughout the procession which was some two miles in length. A large number of banners bearing different inscriptions and devices, were conspicuous and elicited much applause as delegation after delegation passed by.

At two o'clock several thousand persons assembled in the public square south of the court house to listen to Gov. Begole, Gen. Rosecrans and C. B. Whitman, who in turn made ringing speeches for Cleveland and reform.

It was not until five o'clock that the vast concourse dispersed. The meeting was in every way a grand success. That the people of Washtenaw are thoroughly aroused to the importance of the hour cannot be gainsaid. The demonstration was an evidence of the fact that the democracy of the county will speak in thunder tones at the ballot box on Tuesday next, which will leave no room for republicans to doubt that Washtenaw county is democratic by a "large majority."

In the evening the Hon. Wm. P. Wells was escorted by several hundred students to the opera house, where he spoke to an immense audience.

FIGURES WILL NOT LIE, but they will impel a man to bloodshed. I have traveled thousands and thousands of miles on railroads in general, and the Michigan Central in particular, but he never fastened upon me until last week.

I had left Chicago on the Fast New York Express, and dined sumptuously in the swiftly moving caravansary. I enjoy the good things of this life, and took much solid pleasure in the well-supplied meal the sable servant brought me, letting the cases of business slip away as the pleasant landscape sped by, tinging with the tints that followed the sunset, dallying with the breeze and sipping my wine.
