

The Ann Arbor Register.

VOL. XXV. NO. 21

ANN ARBOR, MICHIGAN, THURSDAY, MAY 25, 1899.

WHOLE NO. 1274

PASSED 1-4 MILL BILL.

WENT THROUGH WITH A RUSH YESTERDAY.

GODSEND TO UNIVERSITY.

\$90,000 ADDITIONAL INCOME TO UNIVERSITY EACH YEAR.

University People Happy—A Good Thing For Ann Arbor—Will Give the U. of M. a Boom. The Fourth of a Mill Bill came up in committee of the whole at half past four o'clock yesterday, and passed by a majority of 84 to 4. Two or three weeks ago there was scant hope that the bill would pass. But the friends of the U. of M. went to work and left no stone unturned to win friends for the bill. The result was shown yesterday when it passed with practically no opposition. This means over ninety thousand dollars additional income per year. This will constantly increase as the taxable property of the state increases. No doubt it will run more than a hundred thousand dollars per year. It practically only remains for the Governor to sign the bill, and there is scarcely any doubt along that line. This will enable the U. of M. to keep in the front rank with the great Universities of this country. Indirectly it will be a benefit to every property owner and business man in this city.

RAISED THEIR SALARIES.

ANN ARBOR TEACHERS GAIN A \$1,000 INCREASE.

Principals of Ward Schools and Several Teachers in the Wards Given Increased Salaries.—Maximum for Principals \$600—For Ward Teachers \$500.

While Ann Arbor has long had the reputation for having the best public schools in the state, many teachers have been employed at a salary little larger than is usually paid for teachers in the country schools. The board took the matter in hand Tuesday night and adopted a schedule by which the regular increase in salaries for the principals and teachers in the various ward schools shall have the usual increase in price according to length of service augmented so that now the principals will in time be paid \$600 per year instead of \$500 as formerly, and the other ward teachers will be able to reach \$500 instead of \$400 which was the maximum heretofore. As a result of this new arrangement the following teachers will receive \$25 more this year.

Genevieve K. Duffy, Lula B. Southmayd, Nancy E. Purdam, Alice E. Rothman, Carrie L. Dickens, Nellie M. Gaffney, Lillie Volland, Emily Gundert, Augusta Walters, Cora Z. Crandall, Fannie VanGieson, Bertha Feiner, Melinda K. Mogk, Emma Alexander, Emily Purfield, Zada Rhodes, Emma Weitbrecht, Anna Shannon, Mable Benham, Pauline Wurster, Jarric P. Krause, Annet Ailes, Julia A. Howard, Charlotte Millard, Sarah O'Brien, Katherine Diehl, Eugenie Mogk, Matie Goodale, Anna Clinton, Lucinda G. Downs, Ella Wright, May Louise Cady, Elsie Anderson, Sarah Ballah, Eliza Ladd, Anna Robinson, Clara G. Plympton, Matie P. Cornwell.

This makes a total increase of \$950 for the coming year.

The following is a complete list of the teachers for the next year.

HIGH SCHOOL CORPS OF TEACHERS FOR 1899-1900.

| | Present Salary | Total Service in A. A. |
|------------------------|----------------|------------------------|
| H. M. Slauson..... | \$2200 | 22 yrs |
| J. G. Pattengill..... | 1800 | 31 yrs |
| H. N. Chute..... | 1700 | 31 yrs |
| L. D. Wines..... | 1700 | 22 yrs |
| Alice Porter..... | 750 | 20 yrs |
| Mary E. Hunt..... | 750 | 16 yrs |
| Louis P. Jocelyn..... | 1150 | 14 yrs |
| Sarah Whedon..... | 700 | 10 yrs |
| J. Montgomery..... | 1275 | 30 yrs |
| Gretrude T. Breed..... | 700 | 12 yrs |
| D. W. Springer..... | 1300 | 13 yrs |
| G. K. Duffy..... | 825 | 5 yrs |
| L. B. Southmayd..... | 825 | 6 yrs |
| N. E. Purdam..... | 825 | 5 yrs |
| A. E. Rothman..... | 875 | 5 yrs |
| Mary E. Bennett..... | 550 | 5 yrs |
| W. H. Hawkes..... | 500 | 13 yrs |
| (pro rata) | | |
| Roy B. Smith..... | 140 | 5 yrs |
| Bessie E. Stevens..... | 500 | 2 yrs |

| Lucy K. Cole..... | 500 | |
| Matie P. Cornwell..... | 550 | |

| SUBSTITUTE TEACHER. | | |
|---------------------|-----|-------|
| Lois Smith..... | 250 | 1 yrs |

Upon motion of Trustee Scott, the board adjourned.
EUGENE F. Mills, Sec'y.

JUSTICE MOVED RAPIDLY.

IN ANN ARBOR ON TUESDAY AFTERNOON.

Peter Craig Bought a Pomere on a Contract at Noon—Sold it an Hour Later—Was Arrested and by Three O'clock had been Sentenced to 60 Days in Jail.

Tuesday at about twelve o'clock a man giving his name as John A. Smith bought a portiere of Mr. Slade who sells goods on the installment plan. A little later Slade learned that the goods valued at \$9.00 had been offered at a second hand store for \$1.00. Slade told the second hand man to buy the goods and handed him a dollar for that purpose. Slade then went for an officer and the fellow was soon up before Justice Duffy. The Justice thought that a \$25.00 fine or 60 days in jail was about the right thing although the fellow plead hard to have the sentence lightened but without avail.

RESOLUTIONS OF RESPECT.

In Honor of the Late Mary Galpin of Superior

Whereas the father of infinite love has sent the silent messenger of death into our midst and taken unto himself our sister Mary Galpin and Whereas she was one whom we had learned to love and reverence and who was nearly always present at our meetings. Be it resolved

1st That our society has lost a most earnest, constant and consecrated worker whose council and influence will never be forgotten.

2nd That we extend to the bereaved husband and family the heartfelt sympathy of the entire society and

3rd That a copy of these resolutions be spread upon the minutes of the society and also printed in the ANN ARBOR REGISTER.

THOUSANDS ON HAND TO WELCOME CO. A.

BOYS BANQUETED MONDAY.

The City Beautifully Decorated—The Day a Perfect One—Crowds Too Large to be Handled—As a Result the Parade was not a Success—The Armory Turned Over to the Boys.

Last Friday was anxiously looked forward to by thousands of our citizens who wanted to give Co. A. a rousing reception on their return. Nearly every business house and many residences were beautifully decorated with flags and bunting. It was understood that the company would arrive here by special train at about one p. m., but for some reason or other it was seven o'clock in the evening when the special pulled into the city. Although many people from the country had gone home, the streets were packed and the crush was so great at the depot that everything seemed demoralized. As a result of this and the fact that the friends and relatives of the boys literally carried them off their feet, the boys did not fall in the line of march and the parade was badly demoralized. So great was the crush and so many of the boys had been carried off to their homes by their friends that the program arranged for the armory had to be given up. So great was the rush at the armory, indulged in mainly by students, that the only way the building could be cleared so as to save the decorations which it was rumored the students would carry off as souvenirs, that the lights had to be turned off. The attention of our citizens was then turned toward making the banquet to be given the boys at the armory Monday night by the W. R. C. a success. In this they were more than successful. The armory had been tastefully decorated and the tables made inviting. At 8:30 the guests had all arrived and the Mayor called for order. An impressive invocation was offered by Ald. Hamilton. After the feast of good things had been enjoyed. Following the attention given to the wants of the inner man. H. W. Newkirk, ex-Mayor Chas. E. Hiscock and ex-Mayor, S. W. Beaks were on the program and made excellent addresses. Mr. Hiscock was assigned the duty of welcoming the boys back and he did himself proud in his happy remarks. Mr. Beaks told of the scheme to redeem the armory for the boys and then of the determination to raise the money and purchase it and make the boys a present of the building. He told how this had, by hustling all been accomplished and that the boys now had the building for their own use. Capt. Granger, J. E. Beal, Fred Huntoon, Mr. H. S. Dean, Lieut. Belser, Prof. M. E. Cooley, and Major Soule were also called upon and gave interesting talks. Most excellent music was furnished by the Lyra society. It was an evening long to be remembered by all present, and certainly gave the ample assurance that they are appreciated by the citizens of Ann Arbor.

Many Curious Things Found in an Old Detroit Directory Published in 1845—Book Owned by G. B. Mason of Thompson St.

Mr. G. B. Mason, of Thompson street handed THE REGISTER an interesting old relic one day last week. It was a directory of the city of Detroit and register of Michigan published in 1845, by James H. Williams. It is a curious old volume and contains some peculiar features. Apparently one of the most important things is a list of the officials of the Michigan Central railroad, as this is given on the first page after the title. In the preface which follows is the statement that it had been seven years since a directory of Detroit had been issued, that one being the first that had ever been published. This was soon after Detroit had been visited by the cholera, and the author goes on to say, by a wild spirit of speculation which he declared to be nearly as disastrous as the plague. At that time the census showed that there were 10,948 people living in the city of which 418 were colored.

AN OLD RELIC.

These people worshiped at twelve different churches. At that time Detroit was the state capital and the state government did business in what had been the Detroit Female Seminary. It was a brick building 56x40 located somewhere on Griswold st. The Wayne county building was located at the corner of Griswold and Congress sts. in a building fully as large as that of the state building. In the directory proper very few street numbers are given the houses, excepting in a few instances not having risen to the dignity of numbers. At that time there were six wards in the city and each ward was represented by two al-

dermen. Although there were at that time in Detroit nearly eleven thousand people, one postmaster an assistant and one clerk attended to all the business. Their ability to do this may be accounted for by the fact that the postage rates were as follows: Letters, within 30 miles 6c; 30 to 40 miles 10c; 90 to 159 miles 12c; 150 to 400 miles 18c; over 400 miles 25c. Newspaper publishers were required to pay one cent on all papers sent out to subscribers in Michigan and 1c. to those outside of the state.

The directory shows that John S. Berry was then governor and received \$1,000 per year. The attorney general was then paid \$800, the same salary that is paid that official at the present time. At that time there were on the board of regents such men as Lewis Cass and Wm. A. Fletcher. In the state senate appeared the name of John Allen of this city, and in the house were Henry Compton, of Ypsilanti, Fitch Hill, Isaac Magoon, Henry T. Walker, Asa Williams and Thomas Wood, of Ann Arbor. The late Alpheus Felch was at that time one of the associate justices of the Supreme court. He was also the presiding circuit judge for this district, which besides this included Lenawee, Hillsdale, Branch, Calhoun, Jackson and Eaton counties.

A full page and a half is devoted to the U. of M. By the laws then in force, the governor appointed the regents, of which there were then twelve. The governor, lieutenant governor, the judges of the Supreme court and chancellor of the University were also, ex officio, members of the board of regents. At that time there were five professors in the institution.

At that time the Michigan Central railroad was owned and operated by the state and had been completed as far west as Marshall. One train was run each way each day. The fare from Detroit to Marshall was \$3.50. This rate has been gradually reduced until it is now \$3.23. This means a reduction of 27 cents in 54 years. Pingree would like to know how much longer it will require to get down to \$2.10 which would be a two cent rate.

DEATH OF MISS LUELLA B. DAVIS.

Luella B. daughter of Frank and Elizabeth Davis of Superior township died Sunday morning May 14, of cerebral meningitis after an illness of about two weeks. The funeral services were held at Dexter Wednesday, where the remains were interred.

Luella was born in the township of Superior Oct. 25, 1884 and was nearly 15 at the time of her death. She was the eldest daughter in family of four children. Stricken down just as she was budding into womanhood, and when life was so full of promises and brightness, her death is a sad blow to the family, but especially to the bereaved mother, who had come to look upon her not as a child any longer but as a companion and friend.

She was a merry sociable girl, loved by all who came in contact with her, ambitious to do something for herself and not be a burden upon her parents. Her bright sunny nature will long be remembered by the young people with whom she associated, and especially by the scholars of the district school which she had attended. As a token of the love and respect of the scholars the school attended the funeral in a body and sent a beautiful floral token as an offering of love to the memory of her who in the springtime of her life had been called away into the great unknown.

The funeral services were conducted by Rev. H. O. Field of the Dixboro M. E. church and the remains interred at Dexter beside those of a sister who died some years ago.

Two brothers, a sister, father and mother are left to mourn the loss of her who so early in life was called to lay down her earthly duties.

The Executive Committee and all other officers of the Washtenaw County Pioneer Society and others to whom this notice is sent are earnestly requested to meet in the Circuit Court room at Ann Arbor on Saturday, May 27 at 3 o'clock p. m. to make arrangements for the next meeting of this Society at the Fair Grounds in Ann Arbor.

ROYAL BAKING POWDER CO., NEW YORK.

You Can't Get Rested

Because that tired feeling is not the result of exertion. It is due to the unhealthy condition of your blood. This vital fluid should give nourishment to every organ, nerve and muscle. But it cannot do this unless it is rich and pure. That is what you want to cure. That Tired Feeling—pure, rich blood. Hood's Sarsaparilla will help you "get rested." It will give you pure, rich blood, give you vigor and vitality and brace you up so that you may feel well all through the coming summer. If you have never tried Hood's Sarsaparilla, do so now, and see how it energizes and vitalizes your whole system.

REGARDLESS OF AGE.

The kidneys are responsible for more sickness, suffering, and deaths than any other organs of the body.

A majority of the ills afflicting people to-day is traceable to kidney trouble. It pervades all classes of society, in all climates, regardless of age, sex or condition.

The symptoms of kidney trouble are unmistakable, such as rheumatism, neuralgia, sleeplessness, pain or dull ache in the back, a desire to urinate often day or night, profuse or scanty supply.

Uric acid, or brick-dust deposit in urine are signs of clogged kidneys, causing poisoned and germ-filled blood. Sometimes the heart acts badly, and tube casts (wasting of the kidneys) are found in the urine, which if neglected will result in Bright's Disease, the most dangerous form of kidney trouble.

All these symptoms and conditions are promptly removed under the influence of Dr. Kilmer's Swamp-Root. It has a world wide reputation for its wonderful cures of the most distressing cases.

No one need be long without it as it is so easy to get at any drug store at fifty cents or one dollar. You can have a sample bottle of this wonderful discovery, Swamp-Root, and a book telling all about it, both sent to you absolutely free by mail. Send your address to Dr. Kilmer & Co., Binghamton, N. Y., and kindly mention that you read this liberal offer in The Register.

AN INTERESTING LETTER.

From Los Angeles, California—Tells of Many Peculiar Customs.

LOS ANGELES, Cal., March 14, 1899. EDITOR REGISTER.

For two years much less than the usual amount of rain fell in southern California. Last year less than 4 inches, this year 3 inches. They ought to have from 14 to 18 inches, hence it is very dry and a week's downpour now would not save the wheat and hay crops. One day I stepped into a real estate office and inquired the price of property. Were you ever present when a hornet's nest was disturbed? Two men were sitting down at a desk; they both got up and came for me. What did I want, an orange ranch, a lemon ranch, peach ranch, walnut ranch, chicken ranch, and so they went on ranch after ranch until their list was exhausted. When I got a chance to speak I said, would you let me have just what house and lot. A double lot up on 23rd street, near Figueroa street and Adams avenue, the swell part of the city; the house was almost new, contained eighteen rooms, not considering closets, bath and pantry, finished in hardwood and had all modern improvements. Lot contained five orange trees, three lemon trees, peach and apricot trees, two bunches of banana bushes, a hedge of calla lilies, a bank of roses, geraniums, heliotropes, and so on to the end. The property was worth \$20,000, and was recently offered for \$25,000, but now the owner and wife had gone east and they had instructions to sell it for \$20,000, half cash, balance long time at the low rate of 7 per cent. During all this time I had been backing toward to the door, out one of them got in the doorway and was bound I should go and look at it at last.

For a while I did not know but that they would make me shell out \$10,000 right there. It would have been a great strain on my pocket book, but they think a tourist must be a chump to come out here and not have \$10,000. If not what is he here for. You know when Adam got in a scrape and cornered in the garden. In order to get out of it he lied, and from that day to this men have been laying everything on to the women, so I told them my wife would not live in such a big house. At last I got out, but one followed me a block down the street he was bound to sell something. I never went down that street again and have not peeped at real estate since. It is my candid opinion if anyone wanted to invest in real estate here, now is the time. Many say values are about one-third less than five years ago and in many cases property can be bought for about half what it could a few years since.

A large amount of property is changing hands on mortgages; crops have failed and it is just impossible for farmers to pay, I should say ranchmen, it is very improper to say farmers out here. The people here are very polite and kind to tourists. I asked a gentleman one day if one could see the ocean from any of the high hills at the north end of town. He said, "Yes, from the top of that mountain you can get a good view." So I started up. I walked and rested, tugged and pulled and sweat and rested time and time again and spoiled a handkerchief moping my face. After a long tug I reached the top. There were two men up there leveling off a place for some fool man to build a house. I asked them in what direction I should look in order to see the ocean. They pointed to the west, but said that range of mountains and the fog obstructs the view. They had been there at work for over a month and they had never seen it. How I did wish that there might be a good earthquake and catch those real estate men and the man that took me for a sucker and got me to climb that hill. While up there I had a grand view. Before me to the north and west there was a wilderness, a perfect forest of derricks. They came there in this way. The supply of oil got low, in fact was about all gone. There was a meeting held, the situation was discussed. Los Angeles to be left in the dark! Los Angeles, the light of the world, to be without oil! No, its light must not be dimmed. What was to be done. One said, let's dig. So they dug, and after many days they struck oil; oil, oil was on everybody's lips. Oil right in the heart of the city, up went the derricks, they are right in the door yards, in the streets, some have a pump in front of their house and one in the back yard, they pump kerosene from one and gasoline from the other. One man was so fearful some one would strike his vein that he did not move his house but erected a derrick over it and set the drill to work down the chimney. It certainly was a great find for Los Angeles.

The stores do not carry the same class of goods as with us. At least many of them cater to the trade of tourists and you will see signs, "Souvenirs, relics, curios, Japanese goods, Chinese goods, Asgrian store, and so on. I saw one rug that they would not sell for less than \$10,000, but they had them as low as \$20 to \$25. The jewellers have a great variety of stones such as Arizona rubies, canary gems, fire stones, pearls, diamond doublets, Egyptian lucky stones and many others which they will set in rings and studs while you wait. Some of the jewellers carry immense stocks of good goods. I went into a Japanese store and in looking around saw a very fine cup and saucer. I made up my mind I would squander two dollars upon it, so you may know it was nice if I would pay two dollars for a cup when one that cost ten cents would do just as well. I asked the lady attendant the price and she said \$40. I had hold of the cup and came near letting it drop. I remarked that I had a long distance to travel and it might get broken so I would not take one so high priced. She said here are some for \$20 and \$25, but still there was the same objection as before, so she showed me some at \$12 and \$15, but I was making for the door, so she trotted out some of the common trash at from \$3 to \$5. I remarked, "You have a very fine stock of goods." She said, "Yes, the finest on the coast." It was certainly the best I ever saw outside of Japan. I said, "Such fine goods must sell pretty slow here." "O, no," she said, "we have

sold over \$1,000 worth today. I asked who bought them mostly, residents or tourists. She said the suckers buy most of them. No, she did not say suckers, she said tourists. In some stores you will see pieces of olive or orange wood smoothed off and they will paint a very small jackass with immense ears on a piece. On another piece there will be painted a great big buck Indian, he will be represented as dressed in a battered plug hat and a string of beads around his neck. It is warm, clothes are of no use to an Indian. In one store there were bugs of all kinds and descriptions pinned up on the side of the store. There was orange wood with horned toads on them, in the absence of a horned toad any old toad would do. There were also scorpions, tarantulas and pickled lizards in a jar, and in the show case was a dried rattlesnake with a blue ribbon around the head and tail. I asked the proprietor what they would do with a dried rattlesnake. He said, "Za lady put him around her neck and wear him to opera and during the performance she play with ze tail and make one little rattle, see?" Yes, I saw. I told him I could stand a horned toad mounted on a chip, but when it came to pickled lizards and dried rattlers for my family and myself, we would draw the line. They have rattlers done up in the shape of neckties for gentlemen. If there is any thing under the heavens above that tourists will not buy I should like to see it. I went into an Algerian store and among other curiosities saw a match box. I inquired the price, it was marked \$1.50, but he was selling out to go to the Paris exposition next and he had put the price down to \$1. As that was more than I would give, he wanted to know what I would pay for it, I said twenty-five cents, oh my, he certainly could not take less than fifty cents but I was obdurate so he called to some one in the back part of the store and soon a young lady, a real Algerian girl came on, she had long black hair hanging down her back, her eyes were jet black, and sparkled like two diamonds her complexion was like alabaster tinted a slight pink her teeth were perfect, in the language of Paul she was a beauty. She knew all about match boxes in general and this particular one was the best made, as she advanced to explain its many good qualities I caught a sniff of her breath. Moses and Great Scotts it was a cross between onions and garlic! No it was not a cross, it was the essence distilled of both. It has been many a year since I have backed away from a good looking girl, but I backed. She came down to thirty-five cents for the box that was quite a drop from a \$1.50, but I would not come up ten cents on my bid not even for a live Algerian beauty. She evidently had been taught from her youth up that if she wanted a fine complexion she must eat onions and garlic. The stores carry Navajo, Indian and Mexican blankets and everything that is useless that one can think of.

B. J. C.

It's folly to suffer from that horrible plague of the night itching piles. Doan's Ointment cures quickly and permanently. At any drug store 50 cents.

GOOD REASONS FOR ECONOMY.

Some Figures Which Show That the U. of M. Professor Earns His Salary.—More Students for Every Professor than at any Other School.

The following table shows the ratio of the teaching force to the number of students in ten of the largest universities of the country. The first column gives the number of persons composing the faculty, including instructors of all grades; the second gives the total number of students enrolled in the institution; the third the proportion of students to teachers:

| Faculty. | Students. | Ratio. |
|-------------------|-----------|-----------|
| John Hopkins..... | 123 | 641 5.2 |
| Cornell..... | 328 | 2038 6.2 |
| California..... | 286 | 2391 8.3 |
| Northwestern..... | 222 | 2019 9.1 |
| Columbia..... | 303 | 2185 9.2 |
| Harvard..... | 411 | 3901 9.4 |
| Yale..... | 355 | 2500 9.7 |
| Chicago..... | 212 | 2307 10.9 |
| Pennsylvania..... | 258 | 2834 10.3 |
| Michigan..... | 222 | 3192 14.4 |
| Total..... | 2620 | 24008 9.1 |

The report that David Henning is sick in California is erroneous. Mr. Henning is in Chicago, Ill., in good health and spirits and will visit Ann Arbor in the near future.

Delicate Children

They do not complain of anything in particular. They eat enough, but keep thin and pale. They appear fairly well, but have no strength. You cannot say they are really sick, and so you call them delicate.

What can be done for them? Our answer is the same that the best physicians have been giving for a quarter of a century. Give them

Scott's Emulsion

of Cod-Liver Oil with Hypophosphites. It has most remarkable nourishing power. It gives color to the blood. It brings strength to the muscles. It adds power to the nerves. It means robust health and vigor. Even delicate infants rapidly gain in flesh if given a small amount three or four times each day.

See and \$1.00; all druggists. SCOTT & BOWNE, Chemists, New York.

PLENTY OF IT.

Lots More Proof Like This and it is all from Ann Arbor People.

"The proof of the pudding is in the eating of it." If any city or town in the Union has sufficient proof on the following subject, it is Ann Arbor. Genuine merit is finding its reward in the hearty endorsement of local citizens. When people right here at home, friends and neighbors of our readers, give a statement like the following for publication, it is proof convincing for the most skeptical. Read this testimony:

Mrs. George Carpenter of No. 1133 Forest Avenue says: "The pains across my loins were so severe at times that I could hardly straighten or bend. The twinges often extended under my shoulder blades and down my thighs. I also suffered a good deal from severe cramping of the muscles of my limbs. Headaches and dizziness were of frequent occurrence. I used a number of different medicines but they did not do me any good. I saw Doan's Kidney Pills so highly recommended for troubles like mine that I went to Eberbach & Son's drug store and procured a box. I soon began to feel better and improved steadily, until cured."

Doan's Kidney Pills for sale by all dealers, price 50 cents. Mailed by Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name Doan's, and take no substitute.

Annual Meeting of American Medical Association, at Columbus, Ohio.

One fare round trip to Columbus via Ohio Central Lines from all points, June 2, 3 and 5th, tickets good returning until June 13th.

WORST KIND OF CASE.

WE WILL TELL YOU IF YOU WILL BELIEVE IT.

The Experience of Well Known Persons ought Surely to Be Convincing.

We ask you to read the following statement from a well known citizen because she suffered from one of the worst kind of cases of backache and kidney disorders, and was cured by Morrow's Kid-Ne-Olds. If you are in the least way troubled with a week's back or disordered kidneys, use Morrow's Kid-Ne-Olds; they cure every time.

Mrs. L. Luten, 193 Rifford street, Benton Harbor, Michigan, says: "My husband has suffered with backache for several years, also severe pain across the kidneys, and had spells of dizziness, nervousness and urinary trouble. Learning about Morrow's Kid-Ne-Olds, I procured a package and he took them according to directions and in three days' time he was greatly relieved, and has not felt so well for years. He is going to continue to take them to make sure of a permanent cure."

Morrow's Kid-Ne-Olds are not pills, but Yellow Tablets and sell at fifty cents a box at all drug stores and at A. E. Mummary's Drug Store. Mailed on receipt of price. Manufactured by John Morrow & Co. Chemists, Springfield, Ohio.

Chronic Nasal Catarrh poisons every breath that is drawn into the lungs. There is procurable from any druggist the remedy for the cure of this trouble. A small quantity of Ely's Cream Balm placed into the nostrils spreads over an inflamed and angry surface, relieving immediately the painful inflammation, cleanses, heals and cures. A cold in the head vanishes immediately. Sold by druggists or will be mailed for 50 cents by Ely Brothers, 56 Warren st., New York.

A POPULAR WEDDING TRIP

Is to take a D. & C. Steamer to Mackinac Island, Michigan.

If you want a delightful wedding trip where you are not likely to meet acquaintances, take one of the D. & C. new steel passenger steamers to the Island of Cool Breeze. Stat-rooms and parlors reserved thirty days in advance. Send two cent stamp for illustrated pamphlet. Address, A. A. Schantz, G. P. A., D. & C., Detroit, Mich.

IS MY BLOOD PURE.

This is a question of vast importance to all who wish to be well. If your blood is impure you cannot expect good health, unless you begin taking Hood's Sarsaparilla at once. This great medicine makes the blood pure and puts the system in good health, cures spring humors and that tired feeling.

Hood's Pills cure nausea, sick headache, biliousness and all liver ills. Price 25 cents.

LAKE TRANSPORTATION.

Take an Outing Upon the Lakes—The Anchor Line Offers the Opportunity.

The Anchor line offers some of the fine excursion tours it is possible to take. Call for their circulars at the Michigan Central depot at Ann Arbor and see for yourself. A trip to any summer resort via the lakes will do you more good than the balance of your vacation. Full information may be had of H. W. Hayes at the M. C. depot where tickets to all points may be secured.

The Acme White Lead and Color Works of Detroit offer to suggest appropriate colors of their New-Era High Grade Prepared Paints to anybody who will send photograph or description of their residence.

Sore Throat

Sore throat and constant coughing indicate an affection of the bronchial tubes which may develop into pleurisy or inflammation of the lungs. Do not wait; but use Dr. John W. Bull's Cough Syrup at once and be cured.

Dr. Bull's COUGH SYRUP
Cures Hoarseness and Sore Throat.
Doses are small and pleasant to take. Doctors recommend it. Price 25 cts. At all druggists.

NEWS FOR MICHIGANDERS.

A Whole Regiment of News Items From Michigan Towns

CAPTURED FOR BRIEF READING.

Three Persons Killed by a Howard City Brutal Fiend—The Deaths in the State for April were 300 Less Than in March—Other Items.

Brutal Murder at Howard City.

Joseph Harvey, who has lived all his life on a farm near Howard City, whose boyhood training was good, and who never had any vicious or eccentric habits or characteristics to distinguish him from tens of thousands of young men whose lives have been spent on farms near small towns, showed recently, notwithstanding all this, that he possessed a murderous spirit that will make him for all time a notable figure in the list of cold blooded human slayers. As a result of his insane desire to kill, a wife, grandmother and uncle met instant death, while his father-in-law is fatally wounded and Harvey's only six-months-old baby is crippled for life. In addition to this the murderer shot himself in the mouth and eye and lay down beside his dead wife to die, but such a fate was not his good fortune, as he will not die from his injuries. One theory for the awful tragedy is that Harvey had no intention of murder, until his uncle took him to task for keeping the horse out late. Then, when he killed his uncle, an insane streak seized him and the other murders were the consequence. However, this is only a suggestion as to what might have prompted the deed, and the real motive for the crime may never be known.

2,965 Deaths in the State in April.

The total number of deaths in Michigan for the month of April was 2,965, about 300 less than the number reported for the previous month. The date rate for April was 15.6 per 1,000 estimated population, as compared with the rate of 16.5 for March. The death rate was low for infants and children, but remained high for the aged. The most important causes of death were as follows: Consumption, 474; other forms of tuberculosis, 56; typhoid fever, 36; diphtheria and croup, 25; scarlet fever, 6; measles, 18; whooping cough, 16; pneumonia, 354; diarrheal diseases of children, 55; cerebro-spinal meningitis, 170; influenza, 148; peripneumonia, 12; cancer, 116; accidents and violence, 133. Pneumonia and influenza markedly declined, as compared with the preceding month, while cerebro-spinal meningitis showed an increase of 34 deaths over March.

Trouble Among the Bees.

Maccabee circles are in a state of great excitement over the report that trouble has broken out again between Supreme Record Keeper Boynton, the father of the order, and Supreme Commander Markey. Markey is after Boynton's job, and the latter charges that Markey has been sending out a circular letter to his friends asking them to secure the right kind of delegates. This Markey denies, but acknowledges he will try and secure the office of supreme record keeper. Mr. Boynton says that the main contest is a renewal of the old fight of creating a reserve for the order. Markey and a number of officers have endeavored for years to have the annual convention adopt an amendment to the constitution providing for an accumulation fund. Boynton has always opposed this and so far has been victorious.

Barry County Murder.

A most atrocious murder was committed in Barry county some time during the evening of the 15th, when Mrs. Sarah Newsberry, living in Yankee Springs township, was assaulted by some fiend, and probably ravished, as every strip of clothing was torn in shreds from the body, except both stockings and one shoe. Her head was smashed in. Robbery was not the object; as she was in destitute circumstances, and what little money she had was found in the pocket of her dress, which was in the room. Mrs. Newsberry was an old lady 75 years of age and lived alone in a little log hut. Chas. P. Smith, a half-witted young man, is under arrest suspected of committing the awful crime.

Lost in a Storm.

The schooner Nelson of Bay City foundered in a storm in Lake Superior on the 14th, and nine persons, including the captain's wife and 2-year-old child, went down with her. The Nelson was in tow of the steamer A. Folsom, which also had the schooner Mary B. Mitchell as a consort. In the heavy wind the tow line parted and the schooner which was heavily laden with coal was left to the mercy of the waves, her canvass having all been taken in before the breaking of the tow line. Shortly after the parting of the line, and before her crew had time to lower the yawl boat, the Nelson threw her stern into the air and dived straight to the bottom in 300 feet of water.

Lower Fare on the Michigan Central.

Railroad Commission Osborn has made another very important discovery. The great wave of prosperity which came the Wabash railway system's way some months ago, was not without its drawbacks. The earnings of the system have increased to so great an extent as to subject it to the provisions of the so-called "two-cent a mile" law, of the 1889 session of the legislature. The enforcement of the law would mean a saving to the patrons of the road of fully \$25,000 a year. It is probable that a big legal fight will be the result.

At the last official canvass of the students of the U. of M., it appeared that the number of farmers' children was three times greater than the number of those belonging to any other class.

The bee raisers of Sanilac county were losers during the past winter as well as those in other parts of the state. Only those hives that were abundantly protected show evidences of life.

Mrs. Carrie A. Ingersoll, charged with setting fire to property in Lansing with intent to defraud insurance companies, was convicted in the circuit court by a jury which was out three hours.

An Ithaca man is filling a big contract in hen fruit. The contract calls for the shipment, in 10 days, of 3,200 crates of eggs, or 100,000 dozen. The eggs will be worth in the neighborhood of \$13,000.

Reports from different parts of Isabella county are to the effect that fruit trees are loaded with buds and blossoms, but that a little worm has made its appearance and is doing great damage to the trees.

John Millette, a saloonkeeper of Michigamme, went to jail on a 60 days' sentence with \$700 in cash in his pocket, rather than pay a fine and costs of \$15.40, assessed against him for violation of the liquor laws.

Harry Slater and John Allison, who have been on trial at Kalamazoo, charged with robbing the Union bank at Richland last August, have been convicted. The jury brought in a verdict of guilty after six hours' deliberation.

A freight wreck occurred on the Michigan Central railroad between Sheldon and Denton, caused by the breaking down of a flat car loaded with building stone. Twelve cars were derailed and spread all over the track.

Five tramps were recently arrested in a school house one mile west of Three Rivers, where they were engaged in cooking chickens they had stolen from a farmer in the neighborhood. The school room had the appearance of a slaughter pen.

The house of S. J. Hill, a farmer living one mile north of Wayne, took fire from a lamp used in a chicken incubator and was burned to the ground, entailing a loss of about \$1,000, which is partly covered by insurance.

Rep. George P. McCallum, of Manistique was thrown from his wheel by a dog at Lansing and quite badly injured. He was picked up unconscious and remained in that condition several hours. He suffered a painful scalp wound and concussion of the brain.

An experiment is to be tried at Ludington in the line of road improvements which is interesting because of its novelty. It is proposed to spread refuse salt from the numerous salt blocks in the city on the unpaved streets. The salt is said to hold the sand and work in with it, forming a hard, durable surface.

Reports to the state board of health show that rheumatism, neuralgia, bronchitis, tonsillitis and influenza, in the order named, caused the most sickness in the state, since our last report. Consumption is reported at 151 places, measles at 68, scarlet fever at 35, typhoid fever at 20, diphtheria at 11 and whooping cough at 11.

Last fall an Onaway farmer left several acres of potatoes undug, on account of the low price prevailing at the time. This spring, when he started to plow over the land, he found that the tubers were in good condition, not having been harmed by the frost, which had ruined all of those he had dug and stored in pits.

THE WORLD MOVES.

A Few Hundred Years Ago it Would Have Meant Death to Have Told a Fact Which Every One Now Believes.

Some acts that have been done in the past make us feel that those who did them should have been shut within dungeon walls. You felt just this way when you read how the stupid Italian authorities treated Galileo for telling them of his wonderful discovery that the world moved. He had to take back his words or they would have killed him. But when Dr. King's New Discovery for Consumption was made twenty-five years ago, and proclaimed a cure for the most terrible scourge that afflicts mankind, it brought hope and joy to a vast throng of sufferers. To-day thousands of them are well and strong who had been given up by their doctors to die, because they used this wonderful remedy. People are always filled with surprise when they see how quickly Dr. King's New Discovery cures all diseases of the Chest, Throat and Lungs, including the most stubborn Coughs, severe Colds, Pneumonia, Pleurisy, Bronchitis, La Grippe, Hemorrhage, Lung Fever, Asthma, Hay Fever, Croup, Whooping Cough, etc. It acts directly on the diseased mucous membranes of the throat and lungs, with a healing power almost miraculous. Mrs. Mary A. Wheeler, of Rockford, Ill., was saved when it seemed Consumption had chosen her for a victim. She writes: "I had a very severe attack of the 'grippe,' which left me with one lung affected and a constant and distressing cough, which my doctors could not cure. I had heard of Dr. King's New Discovery and decided to try it, and was entirely cured by one bottle. Since then it has cured many whom I advised to use it. It is the best remedy I have ever known." When you need it never take a substitute. Price, 50 cents and \$1. Money back if not cured. A trial bottle free. At all druggists.

— FIRE! FIRE! —

GREAT FIRE SALE
AT ANN ARBOR!

\$30,000.00 WORTH OF FURNITURE

THE REGISTER,

PUBLISHED WEEKLY BY
SELBY A. MORAN,OFFICE: 125 N. Main Street.
ANN ARBOR, MICH.TERMS:
One Dollar per Year in Advance.
15 Cts if not paid until after one year.Fifty Cents per year additional to
subscribers outside of Washtenaw County.
Fifty Cents addition to Foreign Countries.
Entered at the Ann Arbor Post-Office as
second-class matter.

THURSDAY, MAY 25, 1899.

On the affidavit of the defendant G. Frank Allmendinger that he cannot get at witnesses whose testimony is essential to his defense the libel suit brought against him by Lester Canfield has been put over this term of court. It looks considerably as if the defense in these Judson-Moran and Canfield-Allmendinger libel suits were a little bit afraid of the gun.—Chelsea Herald.

All of which goes to show that the editor of the Herald is talking through his hat.

THE CITY.

Additional city news on page eight.

Miss Mollie Irwin, of Prospect st., is very sick.

Mrs. C. A. Beckwith, of Twelfth st., is seriously sick.

C. T. Storm has opened a law office over the Farmers and Mechanics bank.

Ike Davis, of Ypsilanti, has been appointed deputy game and fish warden for Washtenaw county.

S. W. Clarkson, who has been at the hospital for the past month, was last Friday taken to his home.

Mr. and Mrs. Geo. Yeager of 44 Forest ave., Ypsilanti, celebrated their golden wedding last Saturday.

It is said on good authority that Lieut. Haarer has sent home \$100 a month since he has been in the army.

Mrs. Crocker and daughter will occupy the house of Prof. M. L. D'Ooge during the latter's sojourn in Europe.

Harlow S. Person, of Lansing, has secured the Peter White Fellowship in American history for the coming year.

Miss Emma E. Bower was elected last Thursday as first vice president of the Michigan Woman's Press association.

The Free Press had a write-up of Ann Arbor in last Sunday's half tone supplement, accompanied by a number of pictures.

Henry Meuth sang "Ave Verum" for offertory at the opening services for the mission at St. Patrick's church North-field, Sunday.

Marshal Gerstner has served the ordinance on the street railway company which compels the company to sprinkle ten feet each side of the track.

The case of Philip Fohy vs. the Toledo Ice Co. was taken away from the jury last Thursday by Judge Kinne and a verdict was directed for the defendant.

Mrs. Charles Edwin Davis, the sister of Evert Scott, was aboard the steamer Barbarossa which had a narrow escape in N. Y. harbor a few days ago.

A photograph of Company A will be taken on the north steps of the court house—the same place that made the background for the "going away" picture.

That new organization, the Y. M. C. A. band, consisting of 20 pieces, with Mr. Theodore Backus as leader, made its debut into the musical world last Friday.

Rowdies tore down two 6x12 United States flags in front of the store of D. E. Glass, last Friday evening. The scoundrels should be run down and punished.

Mrs. Caroline Crombie, aged 63, of Ypsilanti, has begun, through her attorneys, Randall & Jones, proceedings for a divorce from her husband, Robert L. Crombie.

One hundred persons attended a reunion of the University of Michigan alumni in New York last Saturday night. Pres. Angell and Prof. V. C. Vaughan spoke.

Eureka Harness Oil is the best preservative of new leather and the best renovator of old leather. It oils, softens, blackens and protects. Use

on your best harness, your old harness, and your carriage top, and they will not only look better but wear longer. Sold everywhere in cans—also from half pints to five gallons. Made by STANDARD OIL CO.

Deafness Cannot Be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

F. J. CHENEY & CO., Toledo, O.
Sold by Druggists, 75c.
Hall's Family Pills are the best.

The date for Charles Manly's opening at the Clifton house Whitmore Lake, is May 26. A dance and supper will be given. Mr. Manly's many friends should give him a rousing opening.

During the month of April, 166 patients were registered at the University hospital of the University of Michigan. The average number of patients was 82, the highest number 86, the lowest 76.

In the case of Geo. W. Cady vs. the electric road for damages for being put off the car because he refused to pay 25 cents fare but offered 20 cents instead, the jury gave him a verdict of 6 cents.

Mrs. Mary P. Wheeler, of 212 S. State st. died Monday morning aged 80 years. She was a sister of Andrew DeForest, who is now in California. The funeral was held Wednesday afternoon at 515 N. Fifth ave.

Representative McCallum, of Lansing, who was recently thrown from his bicycle and lay in an unconscious state for eight hours, was in the city last Saturday. Mac thinks he must have run into the Pingree machine.

Marshal Gerstner and A. J. Sweet, constable of the Sixth ward, left Monday morning for Detroit to bring Budd Williams to the city, who has been arrested on the charge of procuring goods at Goodspeed's under false pretenses.

The graduates and students of the University of Michigan during the administration of Dr. E. O. Haven as president, have ordered a portrait of Dr. Haven. It is expected to arrive at the University about commencement time.

Invitations are out for the marriage of Rev. Henry P. Horton, assistant in St. Andrew's church, to Miss Cecil A. Bond, daughter of Mrs. Chester R. Bond, of S. Thayer st., at St. Andrew's church on Tuesday evening, June 6, at 8:30 o'clock.

The six-year-old son of Sherman Easton, of 331 Thompson st., fell from a stove wagon last Thursday and was severely bruised. He was found lying by the roadside unconscious by editors Beal and Brokes who were driving along the street.

Mrs. O. M. Martin met with a serious accident last Friday evening. She had stepped upon a railing on her front porch to reach a key, when she slipped and fell. The fall rendered her unconscious for several hours. She is rapidly recovering.

The annual banquet of the New York alumni of the University of Michigan was held in New York City, last Friday evening. The University will be represented at the banquet by President James B. Angell and Dr. Victor C. Vaughan, dean of the medical department.

The skins of two tamarau cows, which were secured in the Philippines by Dr. J. B. Steer in 1887-88, have just been mounted and placed on exhibition in the museum of the University of Michigan. The two specimens are loaned to the University by Mr. H. E. Sargent, curator of the museum.

President Angell, in response to a request from the N. Y. World for a sentiment upon Queen Victoria, appropriates her approaching celebration, said: "This nation may well send its most hearty congratulations to Queen Victoria, who has never failed to do all in her power to preserve friendly relations between her people and us."

A series of Sunday evening sermons is being given in the Adventist church, corner of Liberty and Division streets, on the religious, social and political problems that are agitating the minds of thoughtful people in this and in other lands. These sermons are based on the Bible, especially the books of Daniel and the Revelation. The next one is the series will be given, Sunday May 28, at 7:30 P. M.

The Rev. Frs. Hogan and Hennes, two eloquent Redemptorist Fathers, are preaching a mission during this week at St. Patrick's church, North-field. Every evening a grand and eloquent lecture will be given at 7:30. The good roads and beautiful moonlight nights are proving quite a factor in the increased attendance. Sunday evening at 7:30 the work of the mission closes.

Protect Our Food.

The doctors inform us that alum is a poison, and that alum baking powders should be avoided because they make the food unwholesome. Prominent hygienists, who have given the matter most study, regard these powders as an evil that should be suppressed by a state action. In Minnesota and Wisconsin alum powders are not permitted to be sold unless they are branded to warn consumers of their true character, while in the District of Columbia the authorities have under the direction of Congress, adopted regulations to prohibit the use of alum in bread altogether.

Are not the people of other states, as well as those of Minnesota and Wisconsin, entitled to a warning of a danger which is apparently menacing them at close hand, and is not the whole country entitled to absolute protection, as the people of the District of Columbia are protected, by legislation which entirely is prohibitive?

Until we can have protection in the form of a statute, how can our state boards of health, state analysis or food commissions better serve the public than by publishing in the newspapers from time to time the names of the baking powders which they find to be made from alum?

Meantime, it will aid the housewife in designating the alum powders to remember that all powders sold at twenty-five cents or less per pound are of this dangerous class. Pure cream of tartar powders are usually sold at from forty-five to fifty cents a pound.

PERSONALS.

Frederick Pistorious and daughter Elsa, have gone to Buffalo, N. Y. for a week's visit.

Mrs. W. H. Pettie and Miss Sybil Pettie of Thompson st., went to Detroit Saturday morning.

Louis A. Pratt left for Washington, D. C. on business Sunday.

The Rev. Lawrence Cole of Michigan City Ind. who has been spending a few days with his mother, Mrs. Elizabeth Cole of Monroe st., returned to his charge last Friday.

George R. Kelley and wife left Saturday afternoon for Detroit. While in that city he will be the guest of Dr. Logan.

Mrs. A. W. Straight of Chicago is visiting her parents Mr. and Mrs. J. Z. Harrison, on Lawrence st.

Mrs. J. B. Angell is entertaining her brother Mr. Caswell from Washington, D. C.

Prof. and Mrs. J. P. Jordan will spend the months of June and July in England.

Deputy County Clerk Blum is absent from the court house on account of the illness of his father.

Mrs. Joseph Clark leaves this week for the northern part of the state to be absent five or six weeks visiting friends.

Prof. J. B. Davis left Saturday accompanied by the engineering students, for Leeland, Leelanaw, in the northern part of the state.

Andrew Spalding of Dundee a brother of ex-Congressman Spalding, was in the city last Saturday on business.

Editor Carr, of Dundee, was a caller at THE REGISTER office last Friday.

The Falling Leaves

Give Warning of Winter

So the falling of the hair tells of the approach of age and declining power.

No matter how barren the tree nor how leafless it may seem, you confidently expect leaves again. And why?

Because there is life at the roots.

So you need not worry about the falling of your hair, the threatened departure of youth and beauty. And why?

Because if there is a spark of life remaining in the roots of the hair

AYER'S HAIR VIGOR

will arouse it into healthy activity. The hair ceases to come out; it begins to grow; and the glory of your youth is restored to you.

We have a book on the Hair and its Diseases. It is free.

The Best Advice Free.

If you do not obtain all the benefits you expect from the use of the Vigor, write the doctor about it. Probably there is some difficulty with your general system which may be easily removed. Address,

DR. J. C. AYER, Lowell, Mass.

STATE LEGISLATURE.

Bills Signed by the Governor.
The following bills have been signed by the governor:

Providing that purchasers of tax titles shall notify the owners of property of such purchase; amending the law relative to the incorporation of mercantile companies; prohibiting the pollution of the water of Wolf Creek, Leelanaw county; amending the charter of the city of Adrian; providing for the payment of taxes, etc.; amending the law relative to the auditors to investigate the claim of Geo. J. La Due, of Newberry; allowing the village of Three Oaks to extend its water works and electric light plants beyond the village limits; providing for a county road system in the county of Saginaw; providing for a state inspector of coal mines; amending the law relative to the Detroit fire commission, providing for firemen, etc.; annexing school district No. 1, Spaulding township, Saginaw county, to Saginaw city for taxing purposes; providing for a board of public works for Springwells township, Wayne county; providing that fans and blowers shall be used in workshops having emery wheels; requiring that owners of lands in Saginaw county shall clean out creeks and drains running through such lands; providing for printing the reports of the state board of geological survey; authorizing the council of Bay City to borrow money to pay certain water bonds; compelling the maintenance of water closets for workmen on buildings during course of erection; providing for the protection of walks and sidewalks.

Senator A. G. Smith has a substitute for his bill for the encouragement of trout raising, which he believes will be passed by the senate. It provides that a trout raiser may hatch and keep his fish in ponds that are not part of streams, but which are fed by them, and that he may sell at all seasons of the year under supervision of the game warden. Senator Smith argues that there are a number of persons now engaged in trout raising. They find it profitable and the industry will grow if it is encouraged. He believes the raising of trout should be encouraged as much as the raising of poultry, and that it will become a very important industry in the northern part of the state.

Gov. Pingree has sent to the senate the following nominations: Samuel J. Tomlinson, of Pontiac, O. land county, as member of the board of trustees of the upper peninsula hospital for insane for the term ending April 17, 1903, vice Con D. Danaher, resigned; George W. Dunphy, of Quincy, as state veterinarian, in place of George Coester, of Detroit, whose term expires next July; Comfort A. Tyler, of Nottawa, St. Joseph county, as member of the state live stock commission to succeed Jonathan J. Woodman.

Senator Graham, of Kent county, is working on a bill for the taxation of telegraph and telephone companies to take the place of the law knocked out by the supreme court. He would tax telegraph companies 65 cents a mile on their wires, which is two cents a mile less than they paid under the old law. He would make the rate for telephone companies 50 cents. Graham is interested in a Grand Rapids telephone concern.

The house ways and means committee has agreed on the following appropriations: For the expenses of the Agricultural college, \$129,000; \$65,000 for the expenses of the fish commission; \$3,000 for library supplies; \$200,000 for a new state office building at Lansing; \$160,000 for the mining school at Houghton, and \$270,725 for the Flint school for the deaf.

One of the bills in which the liquor men of the state are especially interested, the so-called holiday bill, permitting liquor to be sold on the Fourth of July, was called up in the house on the 17th by Rep. Burch and defeated by a vote of 44 yeas and 49 nays. The debate lasted about half an hour and was fairly warm.

The bill abolishing the water board of Detroit now lacks the governor's signature to become a law.

The Lake county state park bill has been knocked out temporarily in the house.

BASE BALL.

Below we publish the number of games of ball played by the Western and National Leagues, giving the number of games won and lost, together with the percentage of each club to date, Monday, May 22th:

| WESTERN LEAGUE STANDING. | | | | |

STATE LEGISLATURE.

The governor has sent to the senate the following nominations: Arthur L. Worden, of Detroit, Wayne county, as a member of the state board of corrections and charities for the term of eight years, from and after May 1, 1899, to succeed Edward Jenks; Minn H. Hunt, of Redford township, Wayne county, as a member of the commissioners of Wayne county, for the term of six years from and after May 1, 1899, to succeed Henry Loss; Otto Stoll, of Detroit, Wayne county, as a member of the board of jury commissioners for Wayne county, for the term of six years from and after May 1, 1899, to succeed David Meginnity; Wm. F. Moeller, of Detroit, Wayne county, as a member of the board of jury commissioners for Wayne county, for the term of six years from and after May 1, 1899, to succeed Eugene H. Hill; Herman P. Nagel, of Detroit, Wayne county, as a member of the railroad and street crossings board, for the term of four years from and after Jan. 1, 1899, to succeed Wm. H. Lockerby.

Shisler's bill for the relief of soldiers of the late Spanish war was the subject of a long discussion in the house, Chamberlain leading in favor of it, and it was finally passed. It is similar to the one passed some time ago except that the defect which made that one practically useless was remedied by providing that the relief may extend to expenditures already incurred for indigent soldiers. The rate was also raised from four-one-hundredths of a mill, and an amendment was tacked on providing that in Wayne county the relief shall go through the regular soldiers' relief commission. It was given immediate effect and sent to the senate.

The house military committee reported favorably Kelly's bill giving soldiers of the late Spanish war who left the state \$15 per month extra pay, and those who didn't leave the state \$10. It went to the ways and means committee. Gen. Case of the military board strongly opposes the bill because it provides that the extra pay shall stop when peace was declared. He says that would shut out the boys of the 35th and 31st from getting any extra pay for the long service they have just concluded, and would only give a mere bagatelle to any of the boys.

Here offered a resolution that hereafter the sessions of the house shall begin at 10 o'clock in the morning instead of 2 in the afternoon. Kelly and others opposed it, saying that it is not yet time to begin the morning sessions, and that more can be accomplished by devoting the morning hours to committee work. Chamberlain warned the new members that if they do not get their bills acted on pretty soon they would find it impossible to do it a little later. The resolution for morning sessions was adopted.

The bill to increase the mill tax for the support of the state university from one sixth of a mill to one-fourth, was reported out favorably by the senate committee. The sixth mill tax produces about \$184,000, and the fourth mill will produce about \$276,000, or \$92,000 more. If this bill goes through it will of course be in lieu of the \$90,000 the university is asking for improvements.

A measure for the establishment of local day schools for deaf children that is in all essential respects exactly what Miss Donahue, teacher of the deaf class in the Detroit schools, and her friends on the Detroit board of education want and have been agitating for so long, has at last been agreed on and reported out by the house committee on schools for the deaf.

Goodell's bill providing that village councils may order street paving done, to be paid for on the installment plan, which some of the people of Highland Park village opposed so vigorously recently, was rushed through the senate without going through the committee of the whole and now the opponents of the bill are warm under the collar.

Grip brings weakness, exhaustion, nervous prostration; Dr. Miles' Nerve cures them.

The Thresher You're After

is the one that will earn and save the most money—that will thresh the most grain and separate it most perfectly, at the lowest cost.

Every part of the Nichols-Shepard Separator is designed to do the best work in the best way, in the shortest time—at the least expense for power, help and repairs. Every feature and attachment—from the self-feeder to the stacker—is of the most improved pattern; efficient, strong, durable. Purchasers of the

Nichols-Shepard SEPARATOR

have the choice of various styles of stackers. The **Seburn** Stacker is the newest form of wind stacker, and has many features that will instantly commend it to thrasher buyers.

Some of its Advantages:—The chute starts from the top of the separator; is higher from the ground; swings in a complete circle; it can be loaded or unloaded by one man.

Write for free catalogue and learn all about the Nichols-Shepard Separator and its attachments, and the Nichols-Shepard Traction Engine.

NEARLY

Fifty-eight Years Old !!!

It's a long life, but devotion to the ruerie stands and prosperity of the American people has won for it new friends as the years rolled by and the original members of its family passed to their reward, and these admirers are loyal and steadfast to-day, with faith in its teachings, and confidence in the information which it brings to their homes and firesides.

As a natural consequence it enjoys in its old age all the vitality and vigor of its youth, strengthened and ripened by the experience of over half a century.

It has lived on its merits, and on the cordial support of progressive Americans.

It is "The New-York Weekly Tribune," acknowledged the country over as the leading National Family Newspaper. Recognizing its value to those who desire all the news of the State and Nation, the publisher of The Ann Arbor Register (your own favorite home paper) has entered into an alliance with "The New-York Weekly Tribune" which enables him to furnish both papers at the trifling cost of \$1.25 per year.

Every farmer and every villager owes to himself, to his family, and to the community in which he lives a cordial support of his local newspaper, as it works constantly and untiringly for his interests in every way, brings to his home all the news and happenings of his neighborhood, the doings of his friends, the condition and prospects for different crops, the prices in home markets, and, in fact, is a weekly visitor which should be found in every wide-awake, progressive family.

Just Think of It! Both of these papers for only \$1.22 a year.

Send all subscriptions to THE REGISTER, Ann Arbor, Mich.

"WHERE DIRT GATHERS, WASTE RULES." GREAT SAVING RESULTS FROM THE USE OF

SAPOLIO

AMONG OUR NEIGHBORS.

CHELSEA STANDARD.

Congressman H. C. Smith is going to be in a position to keep his fences up, having accepted the vice presidency of a fence company.

Prof. W. W. Gifford received a telegram from Toledo Wednesday afternoon, announcing the sudden death of his sister.

Prof. Sherzer, of Ypsilanti, inspected the Chelsea school Friday on behalf of the normal school. He said that the work being done by the teachers and pupils was perfectly satisfactory, and that he would recommend that the school remain on the approved list.

Miss Fannie Warner has been appointed manager of the Bell Telephone Co's. interests here. Workmen have been at work all the week changing the wires and switchboard and the office is now located in the Kempf bank block.

DEXTER LEADER.

In the three well known cases of Luther L. James, Patrick Sloan and Edward Croarkin vs. Zenus Sweet, Walter C. Mack, Charles W. Wagner, Wm. C. Rhinehardt and Delbert C. Goodspeed, security for cost were filed Monday and approved by Judge Kinnr. For Mr. James, James A. Gallagher; for Edward Croarkin, John Croarkin; for Patrick Sloan, Daniel E. Hoey.

There was a small strike among the teamsters at the gravel pit one day last week and a number of them quit one afternoon. All but one, however, went back to work the next morning.

We are informed that a recent item published to the effect that the double track will be completed to Dexter this year was incorrect. The track will only be laid as far as Ann Arbor.

Work on the abutments of the new bridge will be begun about June 19th. The abutments are to be completed by July 21st and the bridge is to open for traffic Aug. 6th. During the work of construction, a foot-bridge will be temporarily erected.

Wm. Morri-on informs us that he sheared for Clay Waite last week a Black Top ram; the fleece of which weighed 21½ lbs.

Valen ine Bros. shipped to Texas by express, Monday, 6 full blooded Shropshire yearling ewes.

CHELSEA HERALD.

W. F. Riemenschneider, accompanied by George P. Glazier, went to St. Louis Tuesday, where he will try what the baths will do to help him.

The Washtenaw County Teachers Institute will this year be held at the Normal College, Ypsilanti, and will continue four weeks from July 5 to July 28. It will be conducted by members of the Normal College faculty and Commissioner W. N. Lister.

The wool season is now fairly open and the price ranges from 11 to 13 cents for fine unwashed and 15 to 17 cents for coarse unwashed wool per pound.

D. P. Markey, of Port Huron, will be in Chelsea, Sunday, June 11, and will deliver the address at the Macabee Memorial Day exercises then to be held.

The marriage of Mr. John Cappy Miss Amy Alber was quietly celebrated at the home of the bride's parents on South Main street, Saturday evening at 6 o'clock. Rev. Mr. Wuerfel, Francisco, performing the ceremony. A bountiful wedding supper was afterwards served to the large number of friends who were present. A number of nice presents were given to the newly married couple.

A man and his wife came to Chelsea Friday from Waterloo and when they arrived here found they had left their valise behind. He telephoned to have it brought over left if it could be done before the train left. In just 40 minutes from the time he went into the telephone office John Collins, of Waterloo, delivered the satchel to him all right, having made the trip over on his wheel.

Martin Widmayer, of Lima, died at his home Saturday of consumption, after an illness extending over a period of three years, age 39 years. The funeral services were held at the house Monday afternoon at 1 o'clock. Rev. L. Koebing officiating. He leaves a wife who is in very poor health and a family of five small children.

THE SALINE OBSERVER.

In this immediate vicinity the wheat crop outlook is badly blotted, but as a crop throughout the State it is reported as being in a fair condition and the average will doubtless be better than a two-thirds yield.

Work on the electric road is rapidly pushing along, the track is nearly laid out to the Begole farm and the grading quite a little beyond. Another grade was started by John Hauser's Monday and is now made nearly to C. B. Isbell's.

The Macabees responded with \$2,000 to Mrs. Lamkin's claim in just seven days after Mr. Lamkin's death.

MILAN LEADER.

William Henry, the colored man who carries the mail between this place and Stony Creek, has figured out how many moons he has lived and reports the number as 1,038. He is 79 years and 10 months old.

A. B. Smith, formerly of the Milan Leader, has purchased a half interest in The Mail (Los Gatos, California). The Mail is one of the best papers of that part of California, and is a seven-column folio in size, printed all at home. Mr. Smith is an all-round newspaper man and we wish him success in his new venture.

The fourteenth annual commencement exercises of the Milan Public Schools will occur at Gay's opera house Thursday evening, June 8. The baccalaureate sermon will be at the Baptist church Sunday evening, June 4, by Rev. George E. Wilson.

C. M. Blackmer returned home from his California trip Saturday evening. Mr. Blackmer is much improved in health.

MANCHESTER ENTERPRISE.

Mat Wurster was breaking an old hoop a few days ago when a nail penetrated his wrist, making a painful wound.

Manchester schools have an excellent corps of teachers, and patrons appear to be well satisfied with the work they have done the past year, but would be glad if some change could be made to divide one or two rooms, and at least one new teacher employed.

The full intensity of living is reached only by the perfectly healthy. Sick-ness discounts the capacity for enjoyment. If his body is all out of order and run-down he will not be able to enjoy anything no matter how full of enjoyment it may be for other people. If he is just a little bit out of order, if he "is not sick but does not feel just right" he will only be able to enjoy things in a half-hearted sort of way. The nearer he is to being perfectly well, the nearer will his capacity for enjoyment be perfect. If this condition doesn't exist something ought to be done. That means nine cases in ten the use of Dr. Pierce's Golden Medical Discovery. It works directly on the digestive organs, and on the blood and through these on every tissue of the body. It makes the appetite good, digestion and nutrition perfect and supplies rich, red blood to all the tissues building up rich healthful flesh.

Send 21 cents in one-cent stamps to World's Dispensary Medical Association Buffalo N. Y., and receive Dr. Pierce's 1008 page "Common Sense Medical Adviser" profusely illustrated.

At Ypsilanti May 27.

Limited space will allow but the mention of a few of the many novelties introduced by the Man Circus this season which exhibits at Ypsilanti May 27. Among the most prominent features will be a detachment from the famous Roosevelt Rough Riders; the smallest elephant in existence; the celebrated Livingstone family of acrobats; the great Wertz family—six in number; Miss Rose Dockrill, the most beautiful and accomplished of all lady riders; Martina Lowanda, the Brazilian horse-back and champion somersault rider of all the world; young Herbert, the ten year old boy clown; Lil Kerslake, a Springfield, Vt., farmer and his troupe of performing pigs; Wm. Conrad with his horseback riding monkey; a troupe of genuine Bedouin Arabs; Cooper, the Giant, the tallest man; Wild Rose, the wild girl; Delavoy and Fritz, the funniest and most eccentric of all circus comedians.

Dr. Bull's Cough Syrup is pleasant to take; it tastes good; children like it no trouble to administer it and it always cures. Buy the genuine Dr. John W. Bull's Cough Syrup.

For A Good Cause.

There is an effort being made to gather articles of clothing for the Orphanage children whose home at Berne, Ind., was burned April 18. This fire left forty-three little girls entirely destitute of clothing, nothing being saved except a few summer dresses. The Christian and Missionary Alliance is interested in this work, and will be glad to receive articles of clothing or money for this purpose and see to it that they reach these little sufferers from fire without cost to any funds that may be placed in our hands. Gifts of money or clothing may be left at the Y. W. C. A. rooms on Main st., or at Miss Salyer's, No. 554 Elizabeth st., or if those having articles to dispose of in this way will send a card to the above address they will be called for.

THE C. AND M. A.

Some Women

Doubt

Many women think the bearing of children is a necessary period of great pain and distress. They doubt whether any medicine can relieve their sufferings. Well may they hesitate about taking those injurious internal mixtures so widely sold. But they may place implicit faith in

MOTHER'S FRIEND

which is a soothing, relaxing and soothing liniment for external use. Doubting women should get a bottle at the drug store for \$1, and test it. There is no possibility of its doing harm, and there is every likelihood of its saving them many hours of pain.

CAPTURED FOR BRIEF READING.

Murder Committed by an Insane Lover
In Barry County—The Celebrated
Mains Case Has Been Brought to a
Close—Howard City Murderer got Life

Eaton County Murder.

Not since the famous Canfield crime
has Eaton county been turned into
such excitement as it was on the
16th, when Miss Mollie Flagler, of
Dimondale, was found murdered with
a bullet hole in her temple, the work
of an assassin. Suspicion immediately
fell on James Brumm, a well-known
cattle and stock buyer, who was stop-
ping with Mrs. Flagler just previous
to the murder and since the discovery
his whereabouts are unknown. It
was supposed Brumm was engaged to
Miss Flagler and that in a fit of jeal-
ousy he committed the murder. Miss
Flagler was 22 years of age.

Later—the supposition that Brumm
committed the murder is correct. He
turned up at his mother's home in Lan-
sing on the 18th, and was delivered to
the officials by his brother, George.
After committing the murder Brumm
roamed the woods and was exposed to
the inclement weather for two days
and was in a famished condition when he
reached his mother's home. Officials
are of the opinion that he is doubt-
less insane.

The Famous Mains Case at an End.

At last the celebrated Mains case—
less suggestively known as the Con-
solidated Steel & Wire Co. vs. John Mains,
Charles R. Mains and Horace V.
Swarthout litigation—has come to an
end. The jury after being out about
seven hours, returned a verdict for the
plaintiffs. The verdict is a practical
vindication of Stephen S. Hulbert and
his honesty, and saddled upon Charles
R. Mains, Ada C. Sheldon and Anson
Shupe the burden of alleged perjury.
Mr. Hulbert announces his intention
of instituting such proceedings im-
mediately through the instrumentality
of the district attorney. Mr. Mains and
his attorneys announce that they
will immediately appeal the case.

Detroit Visited by a Cyclone.

West Detroit was visited by a young
cyclone on the 16th that did consid-
erable damage. Houses were tipped
over, barns smashed into kindling
wood and in some cases buildings were
carried for half a block. Strange to
state no lives were lost and no serious
personal damage to any individual has
been reported. However, about 40
houses and barns belonging to poor
people was destroyed and the loss will
be severely felt. The property loss is
roughly estimated at \$40,000.

Calumet's Snow Mountain.

The snow mountain a the public
square of Calumet, which attracted so
much attention last winter, is still in
existence and receives additional snow
during two storms which occurred a
few days ago. The snow mountain
has melted considerably from the ef-
fect of the May sun, but is still 20 feet
in height. There are a great many
bets that the snow, or some of it, will
still be on the square on the first of
June.

New Electric Road.

An enthusiastic meeting was held at
the town hall in Sumpter township for
the purpose of granting a franchise to
Detroit parties for an electric road
through the township. A number were
against it, but it was carried by a
good vote. The proposed route will
run from Belleville directly south to
Monroe and to Toledo. The project has
been agitated for some time, and it is
now thought the road is a sure thing.

Foul Play Suspected.

Joseph Mortell was found dead on
the 17th at the home of Wm. Clayton
at Sandtown. Foul play was suspected
and a postmortem will be held. Mor-
tell's discolored face shows evidence of
his having been strangled, though no
marks of violence can be seen. He was
a Frenchman about 40 years of
age, and had made his home at Clay-
ton's for some time. Clayton has dis-
appeared.

Goes Up for Life.

Joe Harvey, of Howard City, pleaded
guilty to murder at Stanton, and Judge
Davis sentenced him to Jackson for
life. He took his dose with a smile.
On Thursday night, May 11, Harvey
killed Mrs. Caroline Pierson, his
grandmother; Robert Pierson, his un-
cle; Irene Harvey, his wife, and after
wounding his father-in-law and child,
tried to kill himself.

Lieut. Winnans will shortly open up
a recruiting station at Jackson.

W. J. Nixon, of Alpena, was robbed
of a gold roll at Toledo by a man
who claimed to be a brother Oddfellow.

Frosts prevailed in Lapeer and Alle-
gan counties on the 18th. In the lat-
ter county young vegetables and clover
were injured.

The chief of police of Kalamazoo
has issued orders to saloonkeepers for-
bidding them to allow women to frequent
their wine rooms.

The city officials and people of Jack-
son are coming to believe that crushed
stone is the only method to make the
streets serviceable.

Large quantities of wheat in Van
Buren county are being destroyed by
the Hessian fly. On one spear of wheat
27 flies were found.

Two big dams on the south branch
of Point river were swept out recently.
It will cost \$10,000 to rebuild them.
The river is still very high.

allay excitement in southern portion
Island and west coast Celu.

"Have denied request of Aguinaldo
commissioners for armistice."

"OTIS."

REBELS ANXIOUS TO SURRENDER.

Leaders, However, Are in Fear That
They May Be Executed.

New York, May 23.—A dispatch to
the Journal and Advertiser from Man-
ila says: In an interview with Gregorio
del Pilar, in the presence of Dr. Robair,
a close friend of Aguinaldo, and an-
other peace commissioner, Zialetta, who
approved the sentiments expressed,
Gen. del Pilar said:

"The insurgents are anxious to sur-
render, but want the assurance first
that there will be no putting to death
of the leaders in the rebellion, and
some proof that the Americans will
carry out the generous statements
made in their proclamation. We have
been acquainted with the Americans
only a short time. If they are sin-
cere, we will agree to unconditionally
surrender."

"In negotiations entered into with
authorized Spanish officers in the pre-
vious rebellion similar promises were
made, but not carried out. Ruiz and
others were put to death, in spite of
these promises."

"If we give up our arms we are at
the complete mercy of the Americans.
We realize the hopelessness of a Fili-
pino republic, for the people are now
impoverished and a continuance of hos-
tilities would only increase the suffer-
ing."

OTIS TOLD TO GO AHEAD.

His Telegram to Washington, However,
Produces Disappointment.

Washington, May 23.—A last de-
termined aggressive movement is to
be made against the fragments of the in-
surgent army by Gen. Otis to compel
unconditional surrender.

A dispatch from the commander of
the American forces told of the failure
of peace negotiations, the refusal to
grant an armistice and intimated a
movement was to be made against the
Filipinos by Gen. Lawton at once.

To say the Otis cable was disappoint-
ing mildly describes the situation that
has for the last few weeks been one of
the successive disappointments to the
government. The war department con-
fidently expected to hear of the surren-
der of the Filipino army. It expects
this consummation is still only a few
days off, but the dilatory tactics of the
Filipinos are beyond the ken of the
administration.

Gen. Otis' plans for an aggressive
movement are highly commended. An
approving message went to him from
the war department.

The Warren at Manila.

San Francisco, May 23.—The war de-
partment has received the following
cablegram from Gen. Otis:

"Manila, May 11.—Adjutant General,
Washington: Transport Warren ar-
rived 18th inst; no casualties."

"OTIS."

The Warren sailed from San Fran-
cisco April 20, with headquarters, B.
D. E. F. G. H. L. and M. Sixth artil-
lery, and detachment recruits; total, 25
officers and 1,205 enlisted men, under
command of Gen. E. B. Williston.

Sixth Infantry to Sail.

San Francisco, Cal., May 23.—The
United States transport Sherman is
under orders to sail for Manila with
the Sixth infantry and a number of
soldiers assigned to various regiments.
Gen. Fred Grant will go on the
Sherman in command of the expedi-
tion.

STONED OUR CONSULATE.

Action of a Mob at Manaus Causes In-
ternational Complications.

New York, May 23.—A special to the
Herald from Washington says: "Com-
mercial jealousies between the cities
on the River Amazon are responsible
for the insults offered the gunboat
Wilmington and the stoning of the
American consulate at Manaus by a
Brazilian mob. Reports received by
the state and navy departments pre-
sent the facts which have been made
the basis of proper representation to
the Brazilian government."

"The Brazilian authorities sincerely
regret that the incident should have
arisen because of the undoubted friend-
ship of the Brazilian government for
the United States, and they are sat-
isfied that all proper amends will be
made."

Fire Destroys Grand Stand at Harlem.

Chicago, May 23.—Fire totally de-
stroyed the grand stand and the build-
ing on the paddock at the Harlem
race track this morning, about 4
o'clock. Nothing remains of the big
structures but smoke and ashes. The
fire at one time threatened the valu-
able horses and only the dying down
of the wind that fanned the flames
saved the stables. The loss is estimated
at \$100,000, with no insurance. The
fire is believed to have been of incendi-
ary origin.

Arrangements for the opening on
May 30 had been practically completed
and there was every prospect of a pros-
perous meeting.

After California Oil Fields.

Los Angeles, Cal., May 22.—Repres-
entatives of the Standard Oil Com-
pany have been in southern California
for several weeks making a thorough
investigation of the oil districts. The
intention of the Standard Oil Com-
pany, it is now asserted, is to secure oil
property in southern California and es-
tablish refineries and enter the Asiatic
market. The oil industry has grown to
be one of the chief industries of the
southern part of the state and a prom-
ising field is now being opened in Kern
and Fresno counties in central Cali-
fornia.

Women and the Wheel.

The Danger of Excessive Riding Becomes Apparent.
One Girl Illustrates the Experience of Many.

From the Gazette, Delaware, Ohio.

The healthfulness of bicycle riding for
women is still a disputed question between
eminent physicians and health reformers.

That the wheel has created a revolution
in the lives and manners of modern women
cannot be doubted. Used in moderation it
surely creates for women a means of out-door
exercise, the benefit of which all physicians
concede. Used to excess, like any other
pastime, its effect is likely to be dangerous
to a high degree.

No better illustration of this can be offered
than the case of Miss Bertha Reed, the
seventeen-year-old daughter of Mr. and Mrs.
J. R. Reed, 535 Lake Street, Delaware, Ohio.

In describing her daughter's experience,
Mrs. Reed says: "In the fall of 1896 my
daughter's health began to fail in an alarm-
ing manner. It was evident that she was
over-exerting herself by riding her wheel.
We put it away for a time to see if health
would return with rest and quiet; but, to our
disappointment and disappointment, she be-
came worse and grew steadily paler and
thinner until we concluded she must have
consumption, and we sent her to a physician
for consultation. He told her that her lungs
were in a sound condition.

"However, he found that her pulse regis-
tered one hundred and four beats per min-
ute, and it actually remained at that num-
ber for two weeks.

"The doctor said that her condition was
due to an almost bloodless condition of the
body, so that the heart had to beat so much
more rapidly to supply the wants of the body.

"My daughter had lost her appetite, and could
not take sufficient food to nourish the system.

"The doctor prescribed some medicine,
which was procured and a dose given. By
this time she had become so weak that we
almost gave her up.

"Meanwhile, I procured some of Dr. Wil-
liams' Pink Pills for Pale People, as they

had been recommended to me by Mrs. Wash-
burn, who lives in Galena, and who had
been wonderfully cured by them, and I be-
gan to administer the pills in place of the
doctor's prescription. I was greatly relieved
to notice that she began to improve at once,
and by the time she had taken two boxes was
completely restored.

"It is because I feel so grateful for the
restoration of my daughter's health that I
hope, by recommending them, I may be able
to help some one else to happiness and
health by causing them to try the same resto-
rative."

Mrs. J. R. Reed.

Scorn to and subscribed in my presence
this 24 day of August, 1897.

H. W. PATRICK, Notary Public.

Miss Reed's affliction was caused by the
loss of vital force aggravated by over-tax-
ation of her strength. To restore her system
to a normal condition it was necessary to
infuse the blood with new life; to make it
rich, red and abundant. With this accom-
plished by Dr. Williams' Pink Pills for Pale
People nature asserted herself again and
good health returned with all its joys.

All the elements necessary to give new life
and richness to the blood and restore shattered
nerves are contained in a condensed form, in
Dr. Williams' Pink Pills for Pale People.
They are an unfailing specific for such diseases
as locomotor ataxia, partial paralysis, St. Vitus'
dance, sciatica, neuralgia, rheumatism, nerv-
ous headache, the after effect of influenza, grippe,
palpitation of the heart, pale and sallow
complexions, all forms of weakness either in
male or female, and all diseases resulting
from vitiated humors in the blood. Dr. Wil-
liams' Pink Pills are sold by all dealers, or
will be sent post paid on receipt of price, 50
cents a box, or six boxes for \$2.50 (they are
never sold in bulk or by the 100) by addressing
Dr. Williams' Medicine Company, Schenec-
tady, N. Y.

THE CITY.

Col. H. S. Dean, who has been quite ill for the past week is improving.

Mrs. Jennie Totten, of Jerome, Mich., is visiting Mr. P. E. Metcalf, of 628 Brook st.

County treasurer Mann has let the contract for his new home to John Walz for \$2,200.

The Lyra Singing Society will give an excursion to Put-In-Bay next Sunday Round trip \$1.25

Mr. Jerome Johnson and wife of Marion, Mich., formerly of this city, are visiting their son Mr. George Johnson.

The steam heating plant in the Presbyterian church is being entirely overhauled and other improvements made.

The little one story projection that has always appeared like a wart on the north end of University Hall, is being removed. The change will improve the appearance of the building.

The growing price for wool is 13 cents for fine fleeces, and generally 17 cents for coarse. But occasionally 18 cents is given. Several farmers of Washtenaw county have sold their fleeces.

The students in the High School will render the "Modern Merchant of Venice" at High School hall tomorrow night. It is said to be brim full of good features. The admission is 25c.

While riding down hill on her wheel near the Ann Arbor depot Miss Louise Stanger was thrown and severely injured Monday afternoon. The accident was caused by a loose chain coming off.

There will be a meeting this evening at 8 o'clock at the School of Music to organize a committee to take charge of and put in repair the Whitmore Lake bicycle path. All those interested in wheeling are urged to be present.

The men's meeting at the Y. M. C. A. next Sunday afternoon at 2:45 will be addressed by Rev. J. M. Gelston. His subject will be "Men and Christianity." All men should attend this service. Special music will also be provided for.

Willard C. Gore, a graduate of the University of Michigan in the class of 1894, has just been appointed to an important position in Armour Institute and associate professor of English in the technical college. Mr. Gore pursued graduate work at the University during the year 1894-95, receiving in 1895 the degree of Ph. D. He was also assistant in English in the University. For the past three years he has been principal of the high school at Riverside, Ill.

On the eve of Decoration day a grand social dancing party will be given in Germania hall by the Harugari Maennerchor, for the purpose of entertaining Company A. The music will be furnished by the Chequamegon, and they will spare no pains to make the selection of pieces to be used the best they have in stock. Company A will be welcome free of charge, and the society will do their best to make the evening a pleasing one. Some of the members of Company A are also members of the Maennerchor.

Jay Warren, clerk in D. Y. & A. A. office, received a map from his brother Arthur, who has been with the company for the past year. On the map is written, "Just tell them not to wait for me, for I'm not coming home." He went by way of New York, accompanied by the following young men, who are members of Co. A: Fred Bury and Sergt. Wilson. Among the places they will visit are Newport News, Baltimore, Washington and New York, and they intend to arrive in Ann Arbor about the 26th or 27th.

Lawrence C. Hull, who has just been appointed principal of the academic department of the Brooklyn Polytechnic Institute, is a graduate of the University of Michigan in the class of 1877. Speaking of the appointment Dr. Truman J. Bakus of Packer Institute recently paid the following tribute to Mr. Hull and the University of Michigan. "He is a man of the highest self-respect, resolute, forceful and strong. He is a type of the healthy, vigorous educator, the product of Michigan University, of which he is a graduate.

The case of Philip H. Fohey vs. the Toledo Ice Co. was in the circuit court last Thursday. It is a case of ejectment in which the plaintiff claims by adverse possession. He owned some land at Whitmore Lake, which he purchased in 1880. Part of the land which he supposed he owned was situated between the road and the lake, and this the Toledo Ice Co. is now occupying. Mr. Fohey never had a deed to this, but claims the right by possession, openly, notoriously and adversely. The case was decided against Mr. Fohey.

STATE LEGISLATURE.

Bills Signed by the Governor.
The following bills have been signed by the governor:

A bill entitled "an act to revise and amend the charter of the city of Flint"; an act to amend an act regulating the catching of fish in the waters of this state by the use of pond or trap nets, gill nets, seines or other apparatus; an act to amend an act to consolidate the laws relative to the establishment and improvement and maintenance of highways and private roads and the building, repairing and preservation of bridges within this state; an act to amend an act to authorize the use of condemned state arms by the organization known as the Sons of Veterans; an act to amend an act relative to free schools in the city of Grand Rapids; an act to provide for the levy and sale upon execution of certain property; an act to amend an act to protect the primary election and conventions of political parties; an act to amend an act relative to the proceedings of circuit courts in chancery; an act relative to the practice in courts held by justices of the peace in suits brought against two or more defendants; to authorize the county of Gogebic to purchase and maintain a system of abstracts of title of all lands in the county; to prevent the adulteration of city ground grain by use of oat hulls; to provide for the filing of a copy of the minutes made by surveyors and civil engineers of all lands within this state; to regulate the width of bridges; to amend an act authorizing the incorporation of homes for aged, infirm and indigent men or women; to amend an act authorizing dissection in certain cases for the advancement of science; an act in regard to examinations before a state veterinary board; to organize union school district of the township of Burr in Cheboygan county; to amend an act relative to mutual benefit associations; to provide for the relief of Thos. Allen; to authorize and empower the city of Manistee to purchase water works; for the protection of fish in Round Lake in Jackson county; to amend an act allowing the spearing of fish; to amend an act of probate courts; to amend an act to incorporate the city of Alpena; to amend an act relative to the organization and powers of fire and marine insurance companies in this state; to amend an act relative to the bonded indebtedness of school districts; authorizing the township of Gladwin in Gladwin county to incorporate the city of Gladwin; an act relative to the incorporation of the city of Ann Arbor.

An income tax bill has passed the senate by a vote of 26 to 1. It was the special order, and was first considered at length in committee of the whole and passed on third reading. The bill was introduced by Sayre, but Senators Graham and Helme made a fight for and secured an amendment that makes it a far more important and sweeping measure than it was intended to be, while Sayre opposed the amendment. The bill provides for the levy of a tax on all gross incomes. Incomes over \$1,000 and less than \$2,500 shall be taxed at the rate of one-fourth of one per cent. All over \$2,500 and less than \$5,000 shall pay one-half of one per cent on that portion that is over \$2,500. Incomes of over \$5,000 shall pay one per cent.

Rep. Bryan's bill creating a board of public works in Springwell, and Rep. Dickinson's bill relative to the fur-loughs of Detroit firemen, have been passed by the senate and are now up to the governor. Gustin's bill to regulate commerce on the plan of the interstate commerce law went through the house and is up to the senate. Other important bills that passed the house are Elkhoff's increasing the appropriation of the labor bureau and strengthening the factory inspection law relative to child labor; Chamberlain's garnishee bills, and Chamberlain's bill to incorporate Mackinac Island as a city. The annual appropriation for the Mt. Pleasant normal school has passed the committee of the whole of the house. The appropriation is \$62,500 for the current expenses for two ensuing fiscal years; \$89,000 for improvements, and \$3,000 for land, a total of \$154,000. The land item relates to a tract of about four acres, which the authorities of the school deem necessary to its requirements.

The special committee investigating the state contract for printing with the Robert Smith Co., of Lansing, has made its report. It finds that all departments of the state government kicked on the work turned out, and scores the company for its methods.

The bill providing fixed salaries for supervisors, graded according to the population of the county in which they reside, failed of passage; yeas 13, nays 6. The usual reconsideration was voted and the bill was laid on the table.

The house fish committee reported out the appropriation for the state fish commission. It carries \$65,000, as against nearly \$100,000 asked for by the commission. The bill is now in the hands of the ways and means committee.

It is said that the state's balance sheet is shy about \$400,000. The appropriations thus far exceeds those of 1897 by about \$3,300,000. The sugar bounty is a big item. Under these conditions taxes will doubtless be very heavy.

The faculty concert arranged to be held in Frieze Memorial hall May 27 has been dropped. The last faculty concert of the season will be given Thursday evening, June 1. All lovers of music should not forget this date. This will be the last opportunity until next fall to hear the artists composing the faculty of the University School of Music.

Proposals For Paving.

Ann Arbor, Mich., May 17, 1899.
The Board of Public Works will receive sealed proposals for the construction of three blocks of pavement on Washington st. according to the plans and specifications on file in the Engineer's office, till Thursday, June 1st, at 6 p. m. Bids for both brick and asphalt will be considered. (The approximate quantities are:
5250 sq. yd. pavement,
1250 cu. yd. curb stone,
1750 cu. yd. excavation,
875 cu. yd. concrete,
150 lin. ft. trenching under 6 ft deep
150 lin. ft. 12 in vitrified sewer pipe,
4 sewer inlets,
1 catch-basin,
1 man-hole.
Certified check of \$500.00 to accompany bid.
Geo. F. Key, J. E. McKersies,
City Engineer. Clerk.

LATEST COUNTY NEWS.

To insure insertion our Correspondents should mail their items not later than Tuesday a. m. of each week. If sent later they are likely to be crowded out.

DIXBORO.

Wm. Parker is remodeling his home. The concert given by the Epworth League last Friday evening, was a success. The organ fund was increased by about \$20.

Rev. Arthur W. Stalker, of Sault St. Marie, a former pastor at Dixboro, spent a part of Sunday and Monday in our township.

Memorial services will be held in the M. E. Church next Sabbath. The pastor will preach. An earnest invitation to attend is extended to all who have ever served in the army or navy of the United States.

STONE CREEK.

Mrs. Bell Barr returned to Grand Rapids Tuesday.

Rev. Marsh and family spent several days of the week calling on his parishners at West Sumpter.

Miss Alice Lowden, of Ypsilanti, spent Sunday at home.

Mrs. Cora Davis and son have returned to their home at Dexter.

The Misses Martha and Phebe Minzey returned Monday from Bellevue Ohio, where they were suddenly called by the death of their niece.

Messrs. Fred and Elmer Minzey spent a part of last week at Bellevue, Ohio.

The work of painting the Presbyterian Parsonage has begun.

THE CASE IN A NUTSHELL.

Alabastine is a finish or final coating for walls and ceilings, designed as a great improvement upon and to take the place of both the kalsomines and the wall paper, the former being unpopular because they scale and fall off and rub off from the wall (and therefore cannot make a durable surface and cannot be covered or even recoated), while wall paper is the most unhealthful of wall finishes and can only be put on by experts long trained to the business. Alabastine is made from a cement base, which sets with the wall, instead of (like the glue and whitening of the kalsomine) being stuck on the wall or ceiling. Alabastine is practically a stone cement, as hard and smooth as paint, but much less expensive, and is applied just as easily by anyone, especially as the powder can be used with either cold or hot water and is applied with the regular kalsomine brush. It alone can prove its durability by time tests.

Ten years from now when your child wishes "I might have had the opportunity to learn music when I was young," will be a painful expression to hear and your remembered reason "I cannot afford it," when seen from a distance will be a very poor excuse. Avoid conditions which would make such expressions possible. You can buy a piano from \$50.00 upwards, and settle for them on the payment plan.

MRS. PINKHAM'S ADVICE.

What Mrs. Nell Hurst has to Say About It.

DEAR MRS. PINKHAM:—When I wrote to you I had not been well for five years; had doctored all the time but got no better. I had womb trouble very bad. My womb pressed backward, causing piles. I was in such misery I could scarcely walk across the floor. Menstruation was irregular and too profuse, was also

I felt very much better and was able to do nearly all my own work. I continued the use of your medicine, and feel that I owe my recovery to you. I cannot thank you enough for your advice and your wonderful medicine. Any one doubting my statement may write to me and I will gladly answer all inquiries.—Mrs. NELL HURST, Deepwater, Mo.

Letters like the foregoing, constantly being received, contribute not a little to the satisfaction felt by Mrs. Pinkham that her medicine and counsel are assisting women to bear their heavy burdens.

Mrs. Pinkham's address is Lynn, Mass. All suffering women are invited to write to her for advice, which will be given without charge. It is an experienced woman's advice to women.

Ann Arbor Blanc Mange

The following recipe was furnished by Mrs. M. of West Liberty street, and we are confident that it fills the bill as well as the appetite: Put half a pint of milk, with just a pinch of salt in a double boiler, dissolve one tablespoon corn starch in a little milk; when the milk comes to the boiling point, stir in corn starch and when cooked pour into a brick shaped mould. Take another half pint, proceed as before, flavor with rose and color with rose sugar, turn on to the white, for last half pint use same amount of corn starch, one tablespoon grated chocolate, one tablespoon sugar, flavor with vanilla, serve cold with sugar and cream. To get the best results from this recipe you should purchase your cooking utensils from The Racket, 202 E. Washington st. House cleaning time will soon be with us. We have the whole outfit;

Dr. Miles' Heart Cure

Cures a Prominent Attorney.

M. R. C. PHELPS, the leading pension
attorney of Belfast, N. Y., writes:
"I was discharged from the army on
account of ill health, and suffered from
heart trouble ever since. I frequently had
fainting and smothering spells. My form
was bent as a man of 50. I constantly wore
an overcoat, even in summer, for fear of
taking cold. I could not attend to my busi-
ness. My rest was broken by severe pains
about the heart and left shoulder. Three
years ago I commenced using Dr. Miles'
Heart Cure, notwithstanding I had used so
much patent medicine and taken drugs from
doctors for years without being helped. Dr.
Miles' Heart Cure restored me to health. It
is truly a wonderful medicine and it affords
me much pleasure to recommend this reme-
dy to everyone."

Dr. Miles' Remedies
are sold by all drug-
gists under a positive
guarantee, first bottle
benefits or money re-
funded. Book on dis-
eases of the heart and
nerves free. Address,
DR. MILES MEDICAL CO., Elkhart, Ind.
