- W. C. RANSOM, Secretary of the Class of 1848, sends us, away down from Kansas, a notice of their "first class reunion" to be held Tuesday evening, June 24th, and which will be found in another column. The class of '48 graduated sixteen members; two of whom have the "dead mark" affixed to their names in the Triennial Catalogue for 1871. The fourteen living members are widely scattered, but the presence of a majority of them is expected. Class reunions are also to be held by the classes of '58 and '70, giving promise of a lively commencement week.
- The trial of WM. VAN DYKE, charged with forgery and uttering forged papers, which was postponed in the Circuit Court at the hour we closed our last report was concluded on Friday morning last. The jury was out but a few minutes and returned a verdict, guilty; showing no reliance upon the evidence introduced to prove the falsity which was the sole defense. On Saturday VAN DYKE was sentenced to serve the people at Jackson for the full term of seven years. Judge CHASE in administering sentence said that he concurred in the conclusion which the jury had arrived at. The prisoner was taken to Jackson on Tuesday. An application was made, before sentence, to Judge COOLEY, of the Supreme Court, for a stay of proceedings, which was refused, the Judge thinking that Judge CHASE knew more about the matter than he did.
- On Saturday JAMES HACKETT and HENRY JOHNSON, charged with placing obstructions on the track of the M. C. R. R., in whose case a jury had disagreed, withdrew their plea, pleaded guilty, and were sent to the Detroit House of Correction for one year each. Judge CHASE used his moderate sentence on the ignorance of the law and on the supposition that they were thoughtless rather than malicious. This caused one of them to exclaim: "The damned fool, thought he didn't know 'nuff to put ties on the track!" he!! he!!
- The only other jury trial of the term, Ralph W. Van Fossen vs. Thomas T. and Ann Rodmond, was concluded on Saturday, with a verdict for the defendant.
- The Court adjourned on Saturday to August 4th, and the jury was discharged until August 11th.
- In our issue of the 23d ult. we were beguiled into speaking in this way of the then coming first annual meeting of the "Ann Arbor Home Breeders' Association."
- "The Superintendent advises us that pool selling will be strictly prohibited, and that the sale of any kind will not be permitted on the grounds."
- We visited the grounds but once during the races, Friday afternoon, and immediately discovered that we had been victimized. An auctioneer was doing a business in "pool selling"—and the judges gave him official recognition by declaring a "no heat and all pools and bets off." Eye opener No. 1. And then the frequent visits of men known not to take kindly to a "pop" beverage to the center building, with an exhibition not attributable to harmless or temperance drinks, opened the other eye. All of which didn't put us in a mood to write a very complimentary report of the races; and to meditate a suit for "false pretenses."

Doings of the Common Council.
An adjourned session of the Council was held on Monday evening, June 10th. Absent, the Mayor and Ald. Grossmann, Rogers, and Smith. Ald. Porter was called to the chair.
The subject of the opening of Wells street coming up the Recorder stated that the notice on the following resolution was adopted, by yeas, 6; nays, 4:
Resolved, That the Common Council proceed to lay out and open a street known and described as "an extension of Wells street in J. D. Baldwin's third addition to the city of Ann Arbor, and until it reaches White street in Hill's addition to said city, or White street extended south through the lot of Salom Co."

On motion the Common Council agreed to pay to C. Eberbach \$200 for a release of right of way for said street, conditioned on the payment of \$50 by Mr. Baldwin.
On motion the Common Council adjourned, after which by common consent said motion to adjourn was reconsidered and the Council proceeded to re-organize the Board of Health by the following appointments: First ward, Dr. W. B. Smith; Second, Dr. Jas. Kapp; Third, A. A. Gregory; Fourth, A. De Forest; Fifth, Dr. D. M. Tyler; Sixth, E. B. Gidley.
The Recorder was instructed to notify the persons appointed.
R. D. Kinn, Esq., at the request of R. Schuyler, submitted an amendment to Ordinance No. 61, regulating the conduct of runners or hack drivers at the depot. Referred to City Attorney.
The bond of the City Treasurer was approved.
The bill of Justice McMahon was referred to City Attorney with instructions to examine, amend, and report legal fees, and the Recorder was directed to notify other Justices to make their bills forthwith and present them to the City Attorney.
Adjourned.

The Board of Health.
The new Board of Health met at the Gregory House on Wednesday evening, June 11th, and organized by electing Dr. W. B. Smith, President, and Dr. J. Kapp, Secretary. On motion of A. DeForest it was ordered that all complaints to the Board of Health be made in writing and handed to the officer of the ward in which the complaint is made.
The following resolution was offered by Mr. DeForest and adopted:
Resolved, That the sexton of each cemetery shall make a written report to the President of the Board of Health of the number of deaths that occur in the city, stating name, age, and the disease or cause of death, on the first day of each month.

The exhibition of the FOREFASTER "Grand Aggregation" another phrase for Circus, Menagerie, Museum, side-shows, etc., on Friday last, drew an average crowd in the afternoon and a large one in the evening. The procession through the principal streets was as attractive as fine horses, new carriages and cages in paint and gold, and glittering banners could make it. The menagerie included a list of fine and rare animals in good condition, and was very much above the average of Menageries. In fact the free Menagerie tent gave more animal sight-seeing gratis than many menageries for half a dollar. The Museum had many queer and curious and instructive specimens, "wax figures," automata, minestrals, a magnificent case of bright-plumaged birds, &c. The acting in the Circus tent was first-class in every respect, while the vaulting, tumbling and trapeze performances were extra, or we might say XXX. FOREFASTER is a success.

THE UNIVERSITY—EXAMINATIONS FOR ADMISSION.—The June examinations for admission to the University will take place on Saturday, June 21st, and on Sunday, June 22d, beginning at 9 o'clock on each day. On Saturday, beginning at 9 A. M., there will be oral examinations in Greek, Latin, Mathematics, French, and Geometrical Drawing, and at 4 P. M. a written examination in Geology, Zoology, and Botany.
On Monday, beginning at 9 A. M., there will be written examinations in the English Language, Geography, History, and Natural Philosophy.

The Class of '70, which is the programme for its coming reunion, June 24th, at 5 o'clock—the day before Commencement. The exercises will probably be held in the M. E. Church, and consist of: Introductory remarks, by President ANGELL; Welcome to '70, by Dr. COCKER; Oration, by GEO. T. CAMPAU; Poem, by EDWIN FLEMING; Cup Presentation, by C. M. WELLS; Responses: in behalf of WALTER SYLVESTER BALDWIN, by CHAS. BALDWIN; in behalf of HARRY CORSON WINCHELL, by S. R. WINCHELL; interspersed with music. The class numbered 60 at graduation, and the presence of nearly every member is expected.

A committee representing the family, graduates, and students of the State Normal School advertise an excursion from Put-in-Bay to Duluth, which all the teachers of the State and their friends are invited to join. The steamer will leave Put-in-Bay on the evening of July 4th, and the trip will consume about two weeks. The Sault Ste. Marie's River, Pictured Rocks, Silver Island, and the mines of the south are points of interest to be visited en route. The fare is put at \$10 for the round trip, or at \$40 if two hundred excursionists join the party. Letters of inquiry should be addressed to Prof. BELLOWS, Ypsilanti.

University of Michigan—Class of 1848.
The class of 1848 will hold their first reunion at Cook's Hotel in the city of Ann Arbor, on Tuesday evening, June 24th, at 8 o'clock P. M. This being the 25th anniversary of the class it is hoped that as many of the surviving members will be present as possible.

A Great Horror Done away With.
House cleaning is a great horror to nine men out of every ten. When that time comes the "men folk" as a rule, give the domestic berth a "wide berth." Oceans of soda—the product of tons of soap—fairly flood every part of the house. The women, from the mistress down, labor as they never worked before, and with the discomfort, the smell of soda and the dampness, and not infrequently sickness, the product of colds and overwork, matters are generally disagreeable. The simple use of Sarsaparilla instead of soap does away with all this discomfort. It cleanses the blood, and the discomfort, the smell of soda and the dampness, and not infrequently sickness, the product of colds and overwork, matters are generally disagreeable.
