by Mr. Geo. W. Chadwick

#### JUBILEE

No cool, gray tones for me:  
Give me the warmest red and green,  
A cornet and a tambourine,  
To paint my Jubilee;  
For when pale flutes and oboes play,  
To sadness I become a prey.  
Give me the violets and the May,  
But no gray skies for me.

#### NOEL

Through the soft, calm moonlight comes a sound—  
A mother lulls her babe; and all around  
The gentle snow lies glistening.  
On such a night, the Virgin Mother mild,  
In dreamless slumber wrapped the Holy Child,  
While angel hosts were listening.

#### A VAGROM BALLAD

A tale of tramps and railway ties,  
And T. D. pipes and rum;  
Of broken heads and blackened eyes,  
And the "thirty days" to come.
