

# *The Water Fountain*

Once upon a time, a mouse named Mira was shopping at the Briarwood Mall. She said, "I am going to take a bath." Then, she saw the water fountain, and said, "Perfect!" And jumped in with splash! And dove underwater. The, she swam to the middle and was on top of the fountain part of the water. After, she climbed down the water. Then, she decided to explore the statues. She did and then full off. She woke up in a magical land.

Then, a magical fairy appeared and said, "Welcome to ZooTopia." Mira was stunned. She wanted to go to that place forever! She had read about it in the book "The book of Magical Secrets". She thought this was an imagined fake place. She never knew this would happen.

Then, she thought, "I shouldn't be here. I need to go home!" she looked around to find an exit. But the fairy saw her and knew she wanted to escape.

The fairy said, "Don't worry, I will help you get home, but you need to find a key to open "The door to Briarwood Mall." Mira was shocked. She had to find a key? That was going to be hard.

The fairy said, "Rocket will come to help you find the clue.

"Who is Rocket?" Mira asked. "Rocket is a unicorn," said the fairy. Will Mira get hack home? ....

Mira was shocked! She was in ZooTopia and she gets help from a unicorn?

“This is awesome!” thought Mira. While later, she figured that she would call the fairy Rebecca Then, Mira was like a bunny in a rocket.

Mira asked, “Where’s Rocket?”

“In the enchanted forest where all of the other animals are” Rebecca replied. She pointed towards the enchanted forest. Mira followed her hand and headed towards the forest.

Suddenly, Rocket appeared out of nowhere! Rocket introduced himself “I am the mighty Rocket!” Mira was surprised.

“I thought you were in the forest!” wondered Mira aloud.

Then Rocket said, “Didn’t Rebecca say I would appear out of nowhere?” Then Mira replied, “No, she said you would be in the forest with all the other animals!” “ So the fairy’s name is Rebecca.” Mira said. “What are you talking about?” Rocket burst in. “Oh, nothing.” She said back

“Anyways, here is a wristband,” said Rocket.

“What for?” asked Mira.

“You will click the button if you need help and I will appear in front of you.”

“Ok, seems easy enough.” Mira said thoughtfully.

Then Rocket gave Mira the first and last clue.

“The first clue is a riddle. What get wetter and wetter the more it dries?” asked Rocket.

Then Mira thought for a while and said, "Towel!"

Then Rocket disappeared.

Then Mira thought, "Where are towels? ... Oh! I know bathroom!" Then Mira found the nearest bathroom and found the key in the bathroom!

Mira clicked the button and Rocket appeared, Mira said, "I found the key!"

Rocket said, "Drop the key twice and say your name."

"Okay"

Then they both said farewell and when Mira opened her eyes she was in the fountain again! Then she said "I will never take a bath in a water fountain again." And she never did. And returned safely home.
