one comic book THE VAMPS TAKE NEW ENGLAND!

Ivy was always the tattle tale in their family! her friends whenever Thorn tried to do something like a human Ivy would TELL! Thorn never got to do anything with out being watched! "um mom do you know how I feel when I’m being watched I feel like you don’t want me to be alone and do fun stuff with my friends." so Thorn’s mother thought and thought and finally said "sure go do fun stuff and play with your best friends go play." So Thorn was so happy and her friends all heard what her mother said "YES YES YES YES YES YOU FINALLY DID IT!" "um guys you might what whisper because my mom can still hear you she’s a vampire remember, were all vamps" so Thorn and her friends went on partying and Ivy stepped out "JUST
WHAT DO YOU THINK YOU ARE DOING” Ivy shouted as the last roll of streamers were rolled out. “JUST BECAUSE MOM SAID YOU ARE ALLOWED TO NOT BE WATHED DOES NOT MEAN YOU CAN THROW A PARTY!” “come on” taunted Thorn “you know you what to.” Ivy finally said “fine but don’t think I like you because I don’t.”

so Ivy and Thorn parted all of the night until their mother and father found out about it they were super mad at Ivy and Thorn. They were in so much trouble they got vampire grounded (twice or three times as much as humans.) so live was really really really boring if you were Ivy and Thorn so you would not like to be them right now maybe later. AS Ivy and Thorn were moping around like they do (now) it was not fun not even a little bit they all ways said “fine” in a sad mopey voice and
all they ever did was mope mope mope it was all not going well but finally their parents saw how sad they were and lifted the ground (they were not grounded any more.) So thorn was so happy that she went to her room and finished her whole series of vamps take new England. (she would never do that even if she was not grounded in the first place she never never never ever ever ever do!) once she finished she went and put on an extra layer of sbv(sun bloke for vampires) it was exciting! “yes yes yes yes yes yes yes” shouted Thorn.

Thorn wanted to go outside and slide out at night and was felling good about it she was
surprised that no one was there and stayed outside!

CHAPTER:2 The Sun

Thorn wanted to stay outside and see what would happen to her, will she go down in flames or melt or turn to ice, or DUST?! Now her mother was worrying about her and her father probably worrying to. Probably not her sister, Ivy. ‘Will I have my reasons to be jealous she has all of the attention But I can’t just act like this in front of
my parents or my friend! said Ivy. ‘Now I better get going so I don’t get in trouble. Her mother was coming out and said “THORN YOU ARE OUT SIDE AT DAY COME IN RIGHT NOW!!!” Thorn smiled and said

‘I know that she is not telling the truth now I’m going to tell mother HA! WAIT WAIT IM the narrater NOT YOU IVY OK! So as I was saying before I was interrupted Thorn was going inside the house or was she?

Chapter: three NOT THE SUN!
Thorn was still outside her mother had locked the door and now she could see what happens if she stayed outside. Now the sun was coming up Thorn Yelled “I THINK IM GOING TO THROW UP!” she was in a dark cloak her mother gave her she could not think of anything but not seeing her family EVER AGAIN! She could not bare the thought of not seeing her family again. She was half sad half mad. But she knew that she had to get inside. She wrapped herself in dark cloak her mother gave her when she was 4 and a 1/2 she put it on and remembered how it was gave to her and how it was to be young.

CHAPTER :FOUR LET ME IN!

Thorn had tricked every one again she was still outside and no one knew where she was but the sun was rising and thorn YELLED “I THINK IM GOING TO BE SICK”! Thorn wrapped herself in a dark black cloak her mother gave to her. She ran as fast as her vampire legs could. (which was really fast) The door was locked and thorn was pounding at the door crying “LET ME
IN LET ME IN LET ME IN” Her mother saw her outside and shouted “HOW DID YOU JUST COME IN. WHY WERE YOU OUTSIDE”? “Will i just said that i would come in so you would leave and i would be able to see what would happen to me if i was to stay outside!” So Thorn told her mother the story of how she wanted to stay outside and she shouted I THINK IM GOING TO BE SICK! So Thorn got in trouble and had to pell onions (NOT GARLIC) for no reason!

CHAPTER: FIVE THE THIEF!

Thorn was a sleep when she heard an ominous sound coming from down stairs BOOM BOOM BOOM BOOM! She was still hearing it, BOOM BOOM BOOM BOOM! She could not take it

She thought the thing raised its ears higher than usual it sniffed and said, “’s that a Vampire I smell? GULP DOUBLE GULB ! a yes. Thorn was scared alive ! Thorn was so scared she started to weep why why have you come here I know that I’m a vampire and your a werewolf but you don’t have to steal all of our stuff!” so the werewolf who’s name was biter said “okay i’ll go!” so the werewolf left and personally Thorn didn’t know the worst was coming! a hole pack was outside! she was hesitating a hole pack werewolf's were to much for her
to handle, suddenly her sister (IVY) came down and said “REALY DON’T ATTACK MY SISTER FOR PEACE IF THATS WHAT, YOU WANT OH AND DON’T THINK ABOUT ROBBING us!
