

## **Snack Skewers**

½ package of cream cheese, softened  
½ teaspoon Everything Bagel seasoning  
½ cucumber, peeled, and cut into chunks  
6 grape tomatoes, cut diagonally  
6 pieces of salami

Mix softened cream cheese in a bowl with seasoning. Roll into tomato-sized balls. Thread onto a decorative pick. Add tomato halves turned to shape like a heart, and cucumber chunks. Gather salami in the center on the bottom of a piece and pull taut to have it resemble a flower before threading.

Or leave the meat off and add more veggies if desired. Other items can include olives, pepperoncini, or other cheese chunks.
