AGREEMENT

This Agreement is entered into, 17th day of September, 2023, by and between the Ann Arbor District Library (“Employer”), and the Ann Arbor District Library Staff Associates (“Association”), affiliated with the Michigan Education Association (“MEA”) and the National Education Association (“NEA”).

ARTICLE II
RECOGNITION

A. Definition of Bargaining Unit. In accordance with Sections 11 and 12 of Act 336 of the Public Acts of 1947, as amended, the Employer hereby recognizes the Association as the exclusive representative for purposes of collective bargaining with respect to rates of pay, wages, hours of employment, and other conditions of employment, of all regular full-time and regular part-time employees holding the classifications of-Clerk I & II, Desk Clerk, Finance Administrative Assistant, Finance Clerk, Bookshelver/Processor, Safety Assistant, Maintenance Worker, Safety Technician and Maintenance Technician employed by the Employer (hereafter “Employees”), including Employees in those classifications listed in Appendix A Group 1; and excluding employees in those classifications listed in Appendix A Group 2, and employees who do not meet the criteria for inclusion in the bargaining unit as defined above.

B. Other Defined Terms.

1. A Regular Full Time Employee is one that is regularly scheduled for 40 hours per week.

2. A Regular Part Time Employee is one that is regularly scheduled for 15 – 20 hours per week.

ARTICLE III
PROHIBITION OF DISCRIMINATION AND HARASSMENT

Neither the Employer, the Association, nor any Employee covered by this Agreement shall discriminate against or harass any Employee because of such Employee’s race, color, religion, national origin, age, sex, sexual orientation, gender identity, height, weight, marital status, handicap, political beliefs or membership or non-membership in the Association or participation in Association activities. The Employer and the Association further agree that they shall comply with all applicable state, federal and local laws and administrative regulations pertaining to the handicapped and veterans.

ARTICLE IV
EMPLOYER RIGHTS

A. The Association recognizes and agrees that the Employer retains sole and exclusive control over any and all matters concerning the operation, management and administration of the entire District Library System, including, by way of illustration but not by way of limitation, the sole and exclusive right and authority to determine library policies, to determine all matters related to the construction, acquisition, maintenance, number, location, and relocation of its buildings and equipment, to determine all matters related to the hiring,

transfer, assignment, supervision, discipline, promotion and termination of staff members, the right to establish and revise rules and regulations governing and pertaining to the work and conduct of its Employees, and the right to decide Employee qualifications.

B. The Association further recognizes and agrees that the Employer shall be free to exercise all of its managerial rights and authority to the extent permitted by law, provided, however, that no actions shall violate any of the express terms of this Agreement and no rules or regulations shall be adopted or revised which shall violate any of the express terms of this Agreement.

ARTICLE V

VOLUNTARY ASSOCIATION MEMBERSHIP

A. Membership in the Association is not compulsory and no Employee shall be compelled to join or remain a member of the Association. Each unit Employee shall have the right to join, or not to join, the Association as they individually prefer, it being agreed that there shall be no discrimination or coercion by the Employer or by the Association in connection with the decision of the individual Employee.

The Association agrees that its members and representatives will not interfere with the free choice of any Employee in an effort to persuade them to join, not join, or to continue or discontinue membership in the Association, and further agrees that it will in no way discriminate in favor of or against any Employee because of their status or membership in the Association.

B. During the life of this Agreement, the Employer will honor written dues deduction requests of unit Employees who have voluntarily executed and presented to the Employer the Association, MEA and NEA Dues Deduction Authorization (“Deduction Authorization”) form attached to this Agreement as Appendix G. Each dues deduction authorization will remain in effect (1) for a specified time in accordance with law, (2) until active employment in a covered classification is terminated, or (3) until the Employer receives written notification that the Employee has revoked the authorization.

C. The Employer shall deduct membership dues on a biweekly basis for those Employees who have voluntarily submitted a properly executed Deduction Authorization form to the Employer at least thirty (30) days before the first deduction is to be made. Any Deduction Authorization form which is incomplete or in error will be returned to the Employee by the Employer. The Employer will also notify the Association of any returned Deduction Authorization forms.

D. The bi-weekly amounts to be deducted for Association local, state and national dues shall be provided by the Association to the Employer’s Human Resources Office on or before August 15th of each year.

E. Deductions shall be made only in accordance with the provisions of the Employee’s Deduction Authorization form, together with the provisions of this Agreement. The Employer shall have no responsibility for the collection of membership dues and special assessments, or any other deductions not in accordance with the express provisions of this Article. Further, the Employer shall have no obligation to make deductions from the pay of any Employee who has insufficient net earnings due to them to cover the full amount of such deductions.

F. Membership dues shall be direct deposited into the Association's bank account each pay period. The Employer shall provide to the Treasurer of the Association an itemized list of Employees from whom deductions have been made, including the amount of the deduction from each Employee, within ten (10) working days after the end of each month to the address furnished in writing to the Employer's Human Resources Office by the Association. The Association assumes full responsibility for the disposition of all monies deducted once they have been forwarded to the Association as set forth above.

G. Authorization forms may be revoked by an Employee by providing written notice to the Employer of said revocation. (Appendix H). Said notice must be hand-delivered or sent via postal or inter-office mail or email to the Employer's Human Resources Office. Employees shall cease to be subject to deduction following the pay period in which the Employer receives notice of revocation or the Employees' employment in the Bargaining Unit terminates. The Association shall be notified by the Employer of the names of the Employees who revoke their authorizations or terminate their employment following the end of the pay period in which the revocation or termination occurs.

H. In cases where a deduction is made that duplicates a payment that an Employee already has made to the Association, or where a deduction is not in conformity with the provisions of the Association's Constitution or Bylaws, or this Agreement, refunds to the Employee will be made by the Association.

I. The Employer shall not be liable to the Association by reason of the requirements of this Agreement for the remittance or payment of any sum other than those constituting actual deductions made from wages earned by the Employee.

J. The Association shall protect and save harmless the Employer from any and all claims, costs, fees, demands, suits, proceedings, and other forms of liability by reason of action taken or not taken by the Employer for the purpose of complying with this Article.

K. Any dispute arising out of the application of this Article shall be subject to the Grievance Procedure, starting at Step Two.

ARTICLE VI

ASSOCIATION RIGHTS

A. The Employer agrees that the Association may use Library conference rooms for Association meetings, subject to approval and such rules, regulations and restrictions on use as may be established by the Employer for the public use of such facilities. The use of Library conference rooms shall be without charge unless special custodial or other services are required, in which event the Association shall reimburse the Employer for the cost of such services.

B. The Association shall be entitled to hold meetings of the membership on the first Monday of each month between 8:00 a.m. and 9:00 a.m. If the Library is closed on the first Monday of the month, the Association shall be entitled to hold its meeting during the same times on the second Monday of the month.

C. The Employer agrees that Employees may make incidental use of the Employer's equipment, subject to approval and such other rules, regulations and restrictions on use as the Employer may impose from time to time.

D. The Employer agrees to provide bulletin board space in each facility for the posting of Association notices of appointments, meetings, elections, recreational and social events.

E. The Employer shall notify the Association within ten (10) working days of the hiring of new bargaining unit members. Such notice shall include the Employee's name, department and classification. Subject to Employee authorization, the Employer shall also forward to the Association the Employee's home address and telephone number.

F. Association officers and/or representatives will be allowed to meet with members of the Library administration on matters related to the Association and/or its members without loss of time or pay.

G. The Employer agrees to approve an unpaid leave of absence for up to two (2) Association members to attend state or national meetings of the Association to which they have been elected as delegates. The President shall provide the Employer thirty (30) days advance written notice of the names of the persons appointed as delegates and the dates and times of the proposed leave of absence.

ARTICLE VII **ASSOCIATION REPRESENTATION**

The Association shall have the exclusive right to select those who are to represent the Association in various matters with the Employer. The Association shall notify the Employer in writing of who those representatives will be.

ARTICLE VIII **GRIEVANCE AND ARBITRATION PROCEDURE**

A. General. A grievance shall be defined as a dispute arising under this Agreement between an aggrieved Employee (hereinafter "Grievant") or the Association and the Employer with respect to the interpretation or application of the provisions of this Agreement. All grievances shall be adjusted by and between the parties in the manner herein provided, with the exception that arbitration shall only be available for grievances filed during the life of this Agreement.

The time limits specified herein are mandatory unless extended by a written and signed Agreement between the Employer and the Association. If the Grievant or the Association does not file a grievance within the specified time limits, the grievance is forfeited. If the Grievant or the Association fails to process the grievance at any step within the specified time limits, the grievance shall be deemed to have been withdrawn and may not be refiled. If the Employer's representative fails to answer a grievance within the specified time limits, the grievance shall be deemed denied and automatically advanced to the next step of the Grievance Procedure, except to Step Three, Arbitration, as noted below.

The Grievant and, as hereinafter provided, an Association Representative will be released from their jobs without loss of pay or benefits to participate in meetings conducted with the Employer's representatives.

Any resolution or forfeiture of a grievance shall be final and binding upon the Grievant, the Association and the Employer, and shall not be subject to further review. The resolution of a grievance shall not add to, subtract from or modify the terms of this Agreement. However, the parties may, upon written agreement of the Association's authorized representative and the Director, agree that a grievance resolution may have precedential effect for the future interpretation and application of the terms of the Agreement.

Any grievance based upon the suspension or discharge of an Employee shall be filed with the Human Resources Manager (or other designated representative of the Employer) at Step Two within ten (10) workdays following the beginning of the suspension or discharge.

For purposes of this Article, a workday is a day other than Saturday, Sunday or a closure recognized by this Agreement.

B. Procedure. The following procedure shall be utilized in the processing of Employee grievances:

1. Step One. A grievance must be in writing, in the form annexed to this Agreement as Appendix E. A grievance shall be signed by the Grievant or their authorized designee. In the case of a grievance on behalf of the Association, the grievance shall be signed by the Association's authorized representative. Grievances shall be submitted to the Supervisor who is most directly involved in the matter that is the subject of the grievance, within ten (10) workdays of the date the Grievant or the Association knew or reasonably should have known of the alleged event, act, or occurrence giving rise to the grievance. Copies of the grievance shall be concurrently served upon the Employer's Human Resources Office and the Association.

Within ten (10) workdays of receipt of the grievance, the supervisor shall meet with the Grievant and, if requested, the designated representative of the Association and/or the Association's Executive Director, in an effort to resolve the grievance. The Employer's Department Manager, Deputy Director/ Associate Director (or other designated representatives of the Employer), may also attend such meeting if desired by the Employer. The Supervisor shall provide the Grievant and the Association Representative with a written answer to the Grievant within ten (10) workdays of the Step One meeting.

2. Step Two. If the Grievant or the Association is not satisfied with the decision of the supervisor at Step One, the Grievant or Association may appeal the grievance to Step Two by filing a written notice of appeal with the Employer's Human Resources Manager (or other designated representative of the Employer) no later than ten (10) workdays following the date the Association Representative received, or should have received, the Supervisor's answer at Step One.

Within ten (10) workdays of receipt of the grievance at Step Two, by either appeal or automatic advancement, the Human Resources Manager (or other designated representative of the Employer) shall meet with the Grievant and, if requested by the Grievant, the designated representative of the Association and/or the Association's Executive Director in an effort to resolve the grievance. The Employer's Supervisor, Department Manager, Deputy Director/ Associate Director (or other designated

representatives of the Employer) may also attend such meeting if desired by the Employer. The Human Resources Manager (or other designated representative of the Employer) shall provide the Grievant and the Association Representative with a written answer to the grievance within ten (10) workdays of the Step Two meeting.

3. Step Three - Arbitration. If the Association is not satisfied with the decision of the Human Resources Manager (or other designated representative of the Employer) at Step Two, or if no answer has been provided to the Grievant and the Association at Step Two within the time permitted for doing so, the Association may appeal the grievance to Step Three arbitration by filing a written Demand for Arbitration with the Employer's Human Resources Manager (or other designated representative of the Employer) no later than twenty (20) workdays following the date the Association Representative received, or should have received, the Human Resources Manager's (or other designated representative of the Employer) answer at Step Two.

The Association's Executive Director and the Employer's Human Resources Manager shall attempt to agree on the selection of an Arbitrator. If agreement cannot be reached within ten (10) workdays of the Association's submission of the Demand for Arbitration to the Employer's Human Resources Manager (or other designated representative of the Employer), the Association shall have up to forty (40) workdays following the date the Association Representative received, or should have received, the answer at Step Two, as above provided, to file a Demand for Arbitration with the American Arbitration Association (AAA).

The selection of the arbitrator through AAA, and the arbitration hearing, shall be governed by the Voluntary Labor Arbitration Rules of the AAA in effect at the time the Association's Demand for Arbitration is filed. If the Arbitrator has been selected directly by the parties as above provided, the Arbitrator shall mail their decision directly to the parties within thirty (30) calendar days of the close of the arbitration hearing, or such later date as approved by the parties.

The Association shall notify the Employer and seek agreement for the attendance of witnesses for such proceedings without loss of pay or benefits for the witness. Should agreement not occur, or upon request of either party, the Arbitrator shall have the power to issue a subpoena to compel the attendance of witnesses at the arbitration hearing. Such subpoenaed witness shall be released by the Employer without loss of pay or benefits. All witnesses whom the Employer has consented to release for their attendance at the hearing, or who are subpoenaed to appear at said hearing, shall only be released from their regular duties for such a period as is necessary for the witness to report to the hearing, testify, and return to their assigned responsibilities.

The parties agree that they will attempt to exchange witness lists and documents to be presented in their case no less than five (5) workdays before the initial hearing date. Evidence and witnesses not disclosed by that time limit may be used, but the party just learning of the evidence at the hearing may move to postpone or recess the hearing based on the new evidence or witnesses.

Grievances shall be arbitrated separately unless otherwise agreed in writing between the Employer and the Association.

The fees and approved expenses of the Arbitrator and the cost of any room or other facility needed for the arbitration shall be borne equally by the Association and the Employer. If the hearing is held at the Employer's or the Association's facilities there shall be no charge. All other expenses, including, but not limited to, the cost of compensating its own representatives and witnesses, shall be borne by the party incurring them. All hearings shall be held at a mutually agreeable site.

The Arbitrator shall have no power to add to, subtract from or modify any of the terms of this Agreement, nor shall the Arbitrator substitute their discretion for that of the Employer or the Association where such discretion has been retained by the Employer or the Association.

The Arbitrator's decision, when made in accordance with their jurisdiction and authority established by this Agreement, shall be final and binding upon the Employer, the Association and the Employee or Employees involved.

Nothing in this Agreement shall be construed to prevent any individual from presenting and adjusting a grievance directly with the Employer, without intervention by the Association and subject to the limitations provided by Act 379 of the Michigan Public Acts of 1965. However, the arbitration provisions of this Agreement are expressly and exclusively reserved to the Association and the Employer. No Employee or group of Employees shall have the right to appeal or process a grievance beyond Step Two of the grievance procedure.

ARTICLE IX **STRIKES AND LOCKOUTS**

A. During the life of this Agreement, the Association, its officers and Employees, shall not cause, authorize, condone, or take part in, any illegal strike (including a sympathy strike), work stoppage, interruption, sick out, sit down, stay-in, slowdown, or any other restriction of work or interference with the operations of the Employer.

B. In the event an individual Employee or group of Employees engages in any of the prohibited activities set forth above, the Employer shall have the right, at its discretion, to discipline or discharge such Employee or group of Employees. However, it is understood and agreed that if there is a dispute as to whether an Employee has engaged in the prohibited activities set forth above, the Employee or Employees may process a grievance, starting at Step Two of the Grievance Procedure, provided a written grievance is filed with the Employer within ten (10) working days after such discipline or discharge. Such grievances shall be limited to the issue of whether the Employee(s) engaged in the prohibited activity.

C. The Employer agrees that it will not lockout any Employee during the term of this Agreement. However, if any Employee is unable to work because equipment, facilities, labor or other resources are not available due to a strike, work stoppage, slowdown or other interference by the Employees of the Employer, such inability to work shall not be declared a lockout.

ARTICLE X **PROBATIONARY PERIOD**

A. All Employees hired before January 23, 2023 who are covered by this Agreement, whether or not previously employed by the Employer, shall be on probation for the first ninety (90) days worked, computed from their last date of hire in the bargaining unit. All Employees hired on or after January 23, 2023 who are covered by this Agreement, whether or not previously employed by the Employer, shall be on probation for the first twelve (12) months worked, computed from their last date of hire in the bargaining unit.

B. Seniority shall not accrue to Employees during their probationary period. However, upon successful completion of the probationary period, an Employee shall be entered on the seniority list retroactive to their last date of hire in the bargaining unit. This seniority date shall be subject to other provisions in the Agreement.

C. Probationary Employees may be dismissed during their probationary period at the Employer's sole and exclusive discretion. The Employer's action with respect to such probationary Employees shall not be subject to the grievance and arbitration procedure in this Agreement.

ARTICLE XI **SENIORITY**

A. Seniority shall be based on length of service as a regular Employee in the bargaining unit from the date of their last hire by the Employer, less any time the Employee may be on layoff, or on leave of absence for a period in excess of thirty (30) calendar days. "Date of last hire" shall mean the date on which the Employee actually begins work, irrespective of when such Employee was advised that they had been hired. Except as hereinafter provided, seniority from other bargaining units or other employment with this Employer or any other Employer is not transferable to this bargaining unit under any circumstances. (Exception: Those Employees who were employed in a regular position with the Ann Arbor Public Schools as of June 30, 1996, shall also be credited with seniority for such period as they were continuously employed in that capacity immediately preceding said date.)

B. If two (2) or more Employees have the same seniority date, they shall be ranked by the last four (4) numbers of their respective Social Security numbers, the Employee with the lowest number being given the highest rank.

Employees who have at least five (5) years seniority and who resign from employment with the employer, but then return to employment within two (2) years, shall have their seniority restored to them as it was at the time of resignation.

Employees who resign from a position in the bargaining unit to work for the Employer in another position shall, if they are re-employed in this bargaining unit, have their seniority restored to them as it was at the time of resignation from this bargaining unit. This provision does not give the Employee bumping rights or the right to a vacancy in the bargaining unit, except as provided in the layoff provisions of this Agreement and in the section following this section.

C. Loss of Seniority. An Employee shall lose their seniority and shall be terminated for the following reasons:

1. The Employee voluntarily terminates their employment.

2. The Employee is discharged for cause, and such discharge is not reversed through the grievance procedure.

3. The Employee retires or receives retirement benefits from any plan or program recognized under this Agreement.

4. The Employee is absent from their job for three (3) consecutive working days without notifying the Employer, unless the Employee is unable to give such notice for reasons beyond their control.

5. The Employee fails to respond and/or report for work as required by the provisions of Article XII, Layoff and Recall.

6. The Employee fails to return to work upon the expiration of a leave of absence or an extended leave of absence.

7. The Employee is not recalled to work during the period when such recall is required in Article XII, Layoff and Recall.

D. The seniority list published in accordance with the provisions of this Article shall be binding on all Employees in the bargaining unit. The seniority list will be made available to the Association upon its reasonable request.

ARTICLE XII LAYOFF AND RECALL

A. For the purposes of this Article the following definitions will apply:

1. The term qualified shall be defined as an Employee possessing the minimum education, training and experience specified in the classification specification for the position.

2. The term capable shall be defined as an Employee being able to perform the duties of the position with an orientation period not to exceed 30 working days.

3. In the event the Employer determines it is necessary to reduce the number of Employees, or to discontinue a position to which an Employee is assigned, the following procedures shall be used:

4. Movement Within Job Classification

a. The affected Employee shall first be transferred to any vacant position, which then exists within their job classification, provided they are qualified and capable of performing the available work.

b. If there is no such vacant position and the Employee is on probation, the Employee shall be terminated or, at the Employer's discretion, placed in a position held by another probationary Employee.

c. If the Employee has seniority, such Employee shall displace a probationary Employee, if any, within their job classification provided the Employee is qualified and capable of performing the available work.

d. If there is no probationary Employee holding a position to which the Employee may transfer as above provided, the Employee shall displace the least senior Employee within their classification provided the Employee is qualified and capable of performing the available work.

5. Movement Within Pay Grade

a. If there is no less senior Employee holding a position to which the Employee may transfer as above provided, the Employee shall be placed in a job vacancy, if available, in their then current pay grade, provided the Employee is qualified and capable of performing the available work.

b. If there is no such vacancy in the Employee's then current pay grade, the Employee shall displace a probationary Employee within their pay grade, if any, provided the Employee is qualified and capable of performing the available work.

c. If there is no probationary Employee within their pay grade who is holding a position to which the Employee is qualified and capable of performing the available work, the Employee shall displace the least senior Employee within their pay grade, provided the Employee is qualified and capable of performing the available work.

6. Movement to Lower Pay Grade

If the affected Employee is not able to secure an alternate position as provided above, the procedures set forth in subsection 2 above shall be repeated throughout each of the lower pay grades in successive order. If the Employee cannot be placed in another position utilizing this procedure the Employee shall be laid off.

B. If the affected Employee holds a part-time position and wishes to maintain part-time hours and the first option of bumping is a full-time position, they may bump into a part-time position provided (1) that position is held by an Employee who would be affected through the natural course of the bumping process, (2) the Employee has less seniority than the affected Employee, and (3) the bumping Employee is qualified and capable of performing the available work. The same process may also be used to ensure a full-time Employee maintains their hours if such Employee's first option for bumping is a part-time position.

C. If no vacant position exists and the affected Employee opts to accept layoff rather than bump a less senior Employee, they may do so without any loss to their unemployment compensation.

D. Employees shall be provided a minimum of thirty (30) calendar days advance notice of layoff except in the following circumstances. If due to an emergency a library building is anticipated to be closed for more than fourteen (14) calendar days, the Employees shall be notified immediately and layoffs, if necessary, will commence on the fifteenth (15th) day. (This provision shall not apply to transfers to position vacancies, or other displacements not resulting in an Employee's actual layoff).

E. Recall of Employees Displaced Due to Layoffs

1. When the workforce is increased after a layoff, an Employee who has been displaced from a position which has become vacant (and the employer has determined it will fill again) shall be recalled to their former position provided a more senior Employee who is qualified and capable of performing the available work is not currently on layoff.

2. If a displaced Employee has been reduced in pay grade, the Employee shall be recalled to the first available vacant position in their former pay grade or a higher pay grade than their current pay grade but lower than their former pay grade, provided a more senior Employee who is qualified and capable of performing the available work is not currently on layoff.

3. If a displaced Employee has been reduced in hours the Employee will be recalled to the first available vacant full-time position for which they are qualified and capable of performing the available work, provided a more senior Employee who is qualified and capable of performing such work is not currently on layoff. If the full-time vacancy is a lower pay grade than the Employee's current pay grade, the Employee may choose to remain in their current position.

F. When the workforce is increased after a layoff, Employees who have been laid off will be recalled in order of seniority, most senior first, provided the Employees with greater seniority are qualified and capable of performing the available work.

G. Employees shall be subject to recall for a period of eighteen (18) months from the date of layoff, or a period equal to the Employee's length of seniority, whichever is less. The Employer shall in no event be obligated to recall an Employee more than eighteen (18) months following the date of layoff.

H. Each Employee being recalled shall be notified by registered or certified mail (or other provable means of delivery) at their last known address. Each Employee being recalled shall have ten (10) calendar days from the date of initial attempted delivery to notify the Employer of their intent to return. If the Employee fails to notify the Employer's Human Resources office of their intent to return within ten (10) calendar days as provided above, and/or fails to report for work as directed in the notice of recall, the Employee shall automatically forfeit all employment rights, and shall be considered a voluntary quit. The Employer shall notify the Association of all recalls.

I. Upon return to service with the Ann Arbor District Library, those Employees who were laid off between July - December shall be placed at the same salary step they were on at the time of layoff.

J. Employees laid-off between January - June and returned to employment the same fiscal year as their layoff will be placed on the same salary step they were on at the time of layoff. If the Employee is returned after the fiscal year they will be placed one step higher on the salary schedule, if such a step exists.

ARTICLE XIII
DISCIPLINE

A. The Association acknowledges the right of the Employer to discipline Employees, up to and including discharge. However, the parties agree that no Employee who has completed probation shall be disciplined without just cause.

B. The parties endorse the use of corrective discipline in appropriate cases. Additionally, if a Supervisor observes or notes conduct or performance that could lead to discipline if it is continued, the Supervisor may meet with the Employee, and tell the Employee of the concern and what may happen if the conduct or performance continues. If the Supervisor elects to meet with the Employee, the Supervisor should initiate such a meeting as soon as possible after the alleged conduct or performance occurs. If an Employee receives an oral warning and wishes to have further conversation about the matter with an Association Representative present, the Employee may make such a request and a meeting will be scheduled.

C. Any discipline, other than oral warnings, shall be given in writing to both the Employee and the designated Association Representative. If the Employer elects to reduce an oral warning to writing and give it to the Employee, a copy of such document shall also be given to the designated Association Representative.

D. Employees who are called in for a disciplinary investigation meeting with a supervisor or other Library administrator will be informed by the supervisor or Library administrator of the purpose of the meeting prior to the start of the meeting. If the meeting is for investigative purposes which could lead to or is for the imposition of discipline, or if at any point during the meeting the Employee reasonably believes the meeting may result in discipline, the Employee may request and shall be provided the presence of an Association Representative.

E. No Employee shall be disciplined without first being given the opportunity to ask and answer questions regarding the allegation(s) and provide their version of the events leading up to the allegation(s).

ARTICLE XIV
HOURS OF WORK

A. Regular Workweek. The regular workweek for a full-time Employee shall consist of forty (40) hours of work over five (5) work days in the workweek, except when otherwise agreed upon by both the Employee and the Employer. The regular workday shall be eight (8) hours of work, except that in those workweeks in which the Employee works on Sunday, two (2) regular workdays shall not exceed nine (9) hours of work. For the purpose of this provision and computing the pay of Employees, the workweek shall consist of seven (7) consecutive calendar days commencing at 12:01 a.m. on Sunday and ending at midnight the following Saturday. There are two (2) workweeks in a payroll period.

The Employer hereby expressly reserves the right to determine each Employee's work schedule and hours of work, and the right to assign Employees overtime before or after their regularly scheduled hours of work. Notwithstanding the foregoing, the Employer agrees:

1. That Employees hired on or before June 19, 2002 shall not be required to (but may if they and their supervisor so agree) work more than: (1) two (2) weekend days every four (4) weeks, (2) more than one (1) Sunday every four (4) weeks, nor (3) both a Saturday and a Sunday on the same weekend. (Note: It is expressly agreed that this provision shall not prohibit an Employee and the Employer from mutually agreeing to the Employee working a Saturday and Sunday on the same weekend in fulfillment of the Employee's weekend work obligations as herein provided.)

2. That Employees hired on or before June 19, 2002 who are required to work on Sundays shall be provided a minimum of six hours work or pay on such Sundays, regardless of the hours the facility they are assigned is open to the public.

3. That Employees hired on or before June 19, 2002 shall not be required (but may if they and their supervisor so agree) to work more than two weeknights a week or a split shift.

4. That Employees hired on or before June 19, 2002 shall not be required to work on the Sunday immediately preceding both Memorial Day and Labor Day of a calendar year.

5. Part Time staff will work a minimum of a 3-hour shift. With the agreement of the Supervisor and the Employee, the Employee may work fewer than 3 hours.

B. Relief and Meal Periods. Employees who work eight (8) hours in a day shall be provided two (2) fifteen (15) minute paid relief periods. In addition to said payment, the Employee shall also be entitled to closure pay if they are so eligible under the provisions of Paragraphs A and B above.

Employees hired after June 19, 2002 shall be advanced the first six (6) months sick leave accrual at the time of hire. No further accrual shall be permitted during such six (6) month period. Subsequent accrual shall commence with the end of the first pay period following the completion of six (6) months service. 2. Accrued sick time may be utilized by Employees for the mental or physical illness, injury, or health condition of themselves or a member of their family member (i.e., their children, spouse, parents, parents-in-law, foster parents, foster children, legal wards, stepchildren, stepparents, or a child to whom the eligible Employee stands in loco parentis, siblings, grandparents, or grandchildren, or a legal guardian of an eligible Employee or an eligible Employee's spouse, or an individual who stood in loco parentis when the eligible Employee was a minor child), including for medical diagnosis, care, treatment, and preventative medical care (e.g., medical or dental appointments). Sick leave may also be used for medical care, counseling, relocation, or legal appearances relating to domestic violence or sexual assault against an Employee or Employee's family member. In addition, sick leave may be used for leave caused by the closure of the Employee's child's school due to a public health emergency, or due to a health authority's determination that the Employee or family member's presence in the community would jeopardize the health of others due to the Employee or family member's exposure to a communicable disease.

3. All Full Time Employees are entitled to carry over their accrued unused sick leave from year to year up to a maximum of 720 hours (90 days). Part Time Employees are entitled to carry over their accrued unused sick leave from year to year up to a maximum of 360 hours (90 days). Employees who have in excess of 720 or 360

5. The Employer may require an appropriate physician’s statement in support of a request for use of a sick day on a day immediately before or after a closure or vacation period. A physician’s verification may also be required for any use of sick leave exceeding three (3) consecutive workdays.

6. Employees employed as of June 19, 2002 who have less than ten (10) years of service with the Employer shall have the sick leave they have accumulated as of June 19, 2002 placed in an auxiliary bank. The auxiliary sick leave bank shall only be used if the Employee exhausts the active sick leave bank. The auxiliary sick leave bank shall never be added to.

Within thirty (30) days following completion of ten (10) years of service with the Employer, the Employee may request a lump-sum payment for all or a portion of the unused sick leave hours then remaining in auxiliary bank. Such payment shall be calculated as follows:

Number of sick leave hours for which payment is sought	X	50%	X	Rate of pay earned by the Employee as of June 19, 2002.
--	---	-----	---	---

The auxiliary sick leave bank shall only be used if the Employee exhausts the active sick leave bank. The auxiliary sick leave bank shall never be added to. At the time of separation from the Library, the Employee shall be paid for the sick leave hours then remaining in their auxiliary account. Such payment shall be calculated as follows:

Balance of Auxiliary Account	X	50%	X	Rate of pay earned by the Employee as of June 19, 2002.
------------------------------	---	-----	---	---

B. Parental Leave

Any Employee who is eligible for FMLA shall receive up to 12 weeks of paid parental leave. Paid parental leave is separate from the employee's accrued sick leave or vacation days and is available to all eligible parents and legal guardians to bond with a new or adopted child(ren). This leave shall commence no earlier than the date of birth or adoption, and must be continuous. The leave must be taken within one year of said birth or adoption. This leave will run concurrent with FMLA.

C. Family and Medical Leave.

1. Basic Leave Entitlement

The Employer shall provide up to 12 weeks of unpaid, job-protected leave to eligible Employees for the following reasons:

- for incapacity due to pregnancy, prenatal medical care or child birth;
- to care for the Employee's child after birth, or placement for adoption or foster care;
- to care for the Employee's spouse, son, daughter or parent, who has a serious health condition; or
- for a serious health condition that makes the Employee unable to perform the Employee's job.

2. Military Family Leave Entitlements

Eligible Employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible Employees to take up to 26 weeks of leave to care for a covered service-member during a single 12-

month period. A covered servicemember is: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible Employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

***The FMLA definitions of “serious injury or illness” for current servicemembers and veterans are distinct from the FMLA definition of “serious health condition.”**

3. Benefits and Protections

During FMLA leave, the Employer agrees to maintain the Employee’s health coverage on the same terms as if the Employee had continued to work. Upon return from FMLA leave, Employees will in most cases be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave will not result in the loss of any employment benefit that accrued prior to the start of an Employee’s leave. Seniority shall accrue during a FMLA leave

4. Eligibility Requirements

Employees are eligible if they have worked for the Employer for at least 12 months, have 1,250 hours of service in the previous 12 months, and if at least 50 employees are employed by the Employer within 75 miles.

5. Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the Employee from performing the functions of the Employee’s job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

6. Use of Leave

An Employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment

so as not to unduly disrupt the Employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

7. Substitution of Paid Leave for Unpaid Leave

Employees are required to use accrued paid sick leave and earned vacation days while taking FMLA leave.

8. Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the Employee must provide notice as soon as practicable and generally must comply with an Employer's normal call-in procedures.

Employees must provide sufficient information for the Employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the Employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the Employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

9. Federal Compliance

The above provisions are intended to comply with the Family and Medical leave Act of 1993, and any terms used herein will be as defined in the Act. To the extent that any of the foregoing provisions are in conflict with the provisions of the Act, the provisions of the Act shall control.

D. Supplemental Leaves.

1. Any Full Time Employee shall, upon their request and upon thirty (30) days advance written notice to the Employer, be granted up to a three (3) month extension of a continuous FMLA leave for which the Employee may otherwise have continued to be eligible had the twelve (12) week period authorized under the FMLA not otherwise expired. Except as provided below, such leave shall be without compensation or Employer paid benefits.

2. Any Employee who is granted an extension of an FMLA leave shall, for the period of such leave, utilize accrued sick leave, and vacation benefits. Subject to the Employee's continued payment of any required premium payments or co-payments, the Employer shall continue the Employee's group insurance benefits during the time that accrued sick leave, personal and vacation benefits are payable on such extended leave. Upon the expiration of any such sick leave, personal and vacation benefits, an Employee may continue group insurance benefits for the duration of the leave, provided they pays the full premium cost of such continued benefits.

3. Any Employee who is granted an extension of an approved FMLA leave shall, upon thirty (30) days advance written notice to the Employer, be returned to their former position (or an equivalent position), if available, within the bargaining unit upon expiration of the approved leave period. Failure to provide such notice shall relieve the Employer of any obligation to return the Employee to work.

4. If an approved leave becomes unnecessary for any reason, the Employer shall, upon the Employee's written request, return the Employee to work prior to the termination of such leave, provided the Employee's former position (or an equivalent position) within the bargaining unit is then available or becomes available prior to the date the Employee's scheduled leave was otherwise due to expire.

5. If an Employee's former position, or an equivalent position, is unavailable upon expiration of an Employee's leave of absence, the Employee shall be placed in accordance with the provisions of Article XII, Layoff and Recall.

E. Bereavement Leave.

1. An Employee is allowed three (3) working days off, with pay, to attend a funeral or memorial service and make other necessary arrangements associated with the death of a member of their immediate family. An Employee is not eligible for pay on any day or days that the Employee is not scheduled to work.

For the purposes of this provision the phrase "immediate family" shall be defined as: spouse, biological parent or child, sister, brother, mother-in-law, father-in-law, grandchild, grandparent, adopted or foster parent, adopted or foster child, step-parent, stepchild, or legal ward, or other comparable family member named as an "immediate family member" at the time of hire, updatable during the Library's Open Enrollment period.

2. An Employee who wishes to attend a funeral or memorial service for other members of their family may take one (1) day off, with pay. An Employee may take up to two (2) days if the funeral or memorial service is farther than 200 miles one-way.

3. With approval of the Employee's Department Manager, an Employee may extend their bereavement leave through the use of vacation leave days available to the Employee. The Employer agrees that approval shall not be unreasonably withheld.

4. Employees shall notify their immediate supervisors as soon as possible after they are informed of the circumstances necessitating a leave.

5. If an Employee is on approved vacation leave and a death occurs that falls under this Article for entitlement of bereavement leave, the Employee may substitute bereavement leave for their vacation leave.

F. Jury Duty.

1. Employees shall be granted a leave of absence with pay for jury duty. The Employer shall pay the difference between the Employee's normal rate of pay and monies received from the Court for jury duty, excluding reimbursement for expenses

- a. Notify their supervisor within three days after notification to serve.
- b. Provide documentation to the Human Resources office certifying the period of actual service as a juror and all payments received from the court.

2. If the time required for jury service (including reasonable travel time) is less than six (6) hours, the Employee shall report to work for the balance of their work day, unless excused by the Employer.

3. In no event shall time paid for jury duty service be time worked for overtime calculation.

G. Other Unpaid Leaves.

1. The Employer may, in its sole discretion, grant Employees other unpaid leaves of absence upon such terms and conditions as it deems appropriate.

2. Except as otherwise provided in Section 3 below, an Employee granted an unpaid leave shall be returned to employment in the bargaining unit with all rights and benefits accumulated as of the time such leave commenced, provided they returns-upon the expiration of the leave or extension of the leave.

3. During an Employee's unpaid leave of absence the Employee shall be subject to the provisions of Article XII, Layoff and Recall. If the Employee is on an unpaid leave of absence, but would have been subject to layoff had they otherwise been working, the Employee's unpaid leave status shall be converted to layoff status. If the Employee would have been subject to reassignment under such Article, the Employee may continue their leave until its scheduled expiration. Upon expiration of the unpaid leave, the Employee shall be placed in accordance with the provisions of Article XII, Layoff and Recall.

4. An Employee on an unpaid leave may continue all group insurance benefits for the duration of the leave, provided they pays the full premium cost of such continued benefits.

4. Except as otherwise provided above, an Employee's vision care benefits shall terminate on the date the Employee goes on a leave of absence, terminates, retires, or is laid off.

5. An Employee who is on layoff or leave of absence, or who terminates may elect under COBRA to continue the vision care coverage herein provided at their expense.

6. The Employer reserves the right to change the carrier and/or the manner in which it provides the above benefits, provided that the benefits are equal to or better than the benefits outlined above. The Employer shall inform the Association of such changes prior to their becoming effective.

E. Term Life and Accidental Death and Dismemberment Benefits.

1. The Employer shall provide each Full Time Employee with term life and accidental death and dismemberment benefits in an amount equal to two times the Employee's annual salary rounded to the nearest thousand. To qualify for term life and accidental death and dismemberment benefits as above described, each Employee must individually enroll and make proper application for such benefits at the Benefits Office upon the commencement of their regular employment with the Employer. Forms shall be provided by the HR Office.

3. Subject to insurance carrier underwriting requirements and approval, when on an authorized unpaid leave of absence, the Employee will be permitted to continue their term life and accidental death and dismemberment benefits coverage for the period they are not on the active payroll. Employees electing to continue such coverage shall pay the full cost of such continued coverage. Proper application and arrangements for the payment of such continued benefits must be made at the HR Office prior to the commencement of the leave. 4. A Full Time Employee's group term life and accidental death and dismemberment coverage shall terminate on the date the Employee goes on a leave of absence, terminates, retires or is laid off.

5. The Employer reserves the right to change the carrier and/or the manner in which it provides the above benefits, provided that the benefits are equal to or better than the benefits outlined above. The Employer shall inform the Association of such changes prior to their becoming effective.

F. Long Term Disability

The Employer agrees to provide each Full Time Employee with the same long term disability coverage as the Employer may elect to offer to its non-bargained for employees. Such coverage shall be subject to the terms, conditions, exclusions, limitations, and other provisions of such plans.

ARTICLE XXII
RETIREMENT

A. The Employer will continue to pay the necessary Employer payments to the Michigan Public School Employees Retirement System (MPERS) for those Employees who worked for the Ann Arbor Public Schools at the Public Library prior to July 1, 1996.

B. For each Full Time Employee who is not eligible to join MPERS, the Employer will contribute 10% of the Employee's gross pay into a 403(b) tax sheltered annuity plan. Employees may also contribute through payroll deduction to such plan, subject to the terms and conditions of such plan.

C. Changes in the current group of Providers for the 403(b) plan shall be mutually agreed upon.

D. The Employer will provide the Association with a list of the 403(b) Plan Providers with their addresses and contact information.

ARTICLE XXIII
SPECIAL CONFERENCES

Upon agreement of the Association and the Employer, a Special Conference may be held for the purpose of considering matters of mutual interest. All such Conferences shall be arranged through the President of the Association and the Employer's Human Resources Manager. Representatives of the Association, as identified elsewhere in this Agreement, shall be released with pay for the purpose of attending a Special Conference. Each party shall be limited to three participants unless there is mutual agreement for a larger number in advance of the Conference.

Any matters discussed or any agreements reached in a Special Conference shall in no way change, alter, modify, add to or detract from, any of the provisions of the Collective Bargaining Agreement, or the rights of either the Employer, the Association, or Employees under this agreement. Action may be postponed by either party for consultation prior to final agreement.

ARTICLE XXIV
CLASSIFICATIONS

A. The Employer will maintain classification specifications for all jobs covered by this agreement, which specifications shall be subject to periodic review and revision as the Employer deems appropriate. Classification specifications will be made available to an Association representative or interested Employees upon their reasonable request.

B. In the event the Employer creates a new job classification in the bargaining unit, the Employer shall notify the Association of the new job classification and its pay grade prior to posting. The Employer shall also provide the Association with a copy of the new job's classification specification. If requested within ten (10) calendar days after such notification, the Employer shall meet with the Association to discuss the pay grade of the new job classification. If, following such discussion, there is a dispute as to the pay grade for the new job classification, such dispute shall be an appropriate matter for a grievance initiated at Step Two of the grievance procedure. If a grievance is subsequently referred to an arbitrator, they shall use

as the basis for their decision the factors referenced in the Employer's Job Information Questionnaire, the Job Evaluation Plan, and the classification of jobs and any amendments thereto, that have been mutually agreed upon by the parties.

C. If during the term of this Agreement an Employee believes the Employer has instituted a change in their job classification so as to warrant a change in pay grade, the Employee may request a position review. Such request shall be processed as follows:

1. The Employee shall complete the Employer's Job Information Questionnaire and forward it, and such other information as the Employee deems appropriate, to the Employer's Human Resources Manager. The Human Resources Manager shall review the Employee's position and, within thirty (30) calendar days of receipt of the Employee's request, advise the Employee and the Association of their determination.

2. If requested within fifteen (15) calendar days after informing the Employee and the Association of such determination, the Human Resources Manager shall meet with the Employee and the Association to discuss the basis for said determination. If following such discussion there is a dispute as to the pay grade for the revised job classification, such dispute shall be an appropriate matter for a grievance initiated at Step Two of the grievance procedure.

3. If a grievance is subsequently referred to an arbitrator, the arbitrator shall use as the basis for their decision the factors referenced in the Employer's Job Information Questionnaire, the Job Evaluation Plan, and the classification of jobs and any amendments thereto, that have been mutually agreed upon by the parties.

4. If the arbitrator determines the position contains job duties which warrant a higher pay grade, the arbitrator shall list those duties in the arbitrator's decision.

D. If at any time during or following the foregoing process the Employer determines, either directly or through the decision of an arbitrator, that the duties assigned an Employee warrant a pay grade higher than that which the Employer wishes to fund, the Employer shall have the right to revise the Employee's duties to bring them within the scope of the lower rated classification. If the Employer determines that duties removed from the affected position are essential to be performed within the Library, the Employer and the Association shall meet to assess whether the duties have been exclusively performed by members of the bargaining unit. If it is agreed that the duties have been exclusively performed by members of the bargaining unit, such duties shall be reassigned by the Employer to another Employee within the Employee bargaining unit.

E. The Employer agrees to consult with the Association preceding the reduction of an Employee's pay grade or the standard number of hours worked per workweek. If following such consultation, the Employer elects to reduce the Employee's pay grade or standard number of hours worked per workweek, the affected Employee may elect to be transferred or laid off (as if the Employee's position had been eliminated) in accordance with the provisions of Article XII, Layoff and Recall.

ARTICLE XXV
WORK PERFORMED BY INDIVIDUALS AND
ORGANIZATIONS OUTSIDE OF THE BARGAINING UNIT

It is recognized by the Employer and the Association that department managers, supervisors, staff associates, library associates and other non-bargaining unit employees may perform the same tasks as Employees in the bargaining unit. The Employer's use of such Employees to perform such work shall not be limited.

ARTICLE XXVI
PERFORMANCE EVALUATIONS

A. Performance evaluations will be undertaken by the Employer to provide constructive feedback to Employees with respect to their performance including, but not limited to, progress toward goals and objectives established by the Employer.

B. Employees shall be formally evaluated at least twice during the first twelve (12) months of their assignment to a position, and annually thereafter.

C. Evaluations shall be conducted by an administrator in the Employee's chain of command, preferably the supervisor who has most recently supervised the Employee for a period of three months or longer, if available. Before a final decision is made on the Employee's evaluation, the evaluator who is conducting the Employee's evaluation shall hold a conference with the Employee to be evaluated for purposes of discussing matters related to the evaluation and to solicit the Employee's response to the proposed evaluation. The Employee shall be given 48 hours advance notice of the time and participants in such conference.

D. Where appropriate, evaluations citing deficiencies should include developmental objectives for improvement of the Employee's performance.

E. Each evaluation shall include the statement:

Your signature does not necessarily mean that you agree with this review; it is only to acknowledge that your evaluator has met and reviewed it with you.

F. The Employee and the evaluator shall sign the evaluation. If an Employee feels their evaluation is incomplete or unjust, they may put their objections in writing and have them attached to the evaluation report to be placed in the personnel record. A copy of the signed evaluation shall be provided to the Employee.

G. The current evaluation instruments to be used in the evaluation process are attached as Appendix F. Any changes that may be made to these instruments in the future shall be disseminated to all staff.

ARTICLE XXVII
RULES AND REGULATIONS

The Employer shall have the right to make, modify and enforce rules and regulations relating to Employee conduct which are not in conflict with this Agreement or law. Those rules

and regulations shall be observed by all bargaining unit Employees. The Employer's rules and regulations shall be provided to each Employee and the Association.

ARTICLE XXVIII **PERSONNEL RECORD**

A. Upon reasonable advance request, and in the presence of a representative of the Library administration, an Employee may review the official personnel record that is maintained by the District Library pertaining to their employment. The Employee may be accompanied by a representative of the Association if they so choose. In accordance with the provisions herein provided, an Employee may also authorize a representative of the Association to examine their personnel record pursuant to the discharge of its duties as exclusive bargaining representatives. Such authorization shall be submitted in writing to the Employer.

B. An Employee shall be provided a copy of any letter of complaint, letter of discipline, performance evaluation, or any other document critical of their performance, prior to the placement of any such document in their official personnel record.

C. If the Employer receives a Freedom of Information Act ("FOIA") request for documents in an Employee's official personnel record, the Employer shall make a good faith attempt to promptly notify the Employee and the Association of the receipt of the request. Upon request and insofar as time reasonably permits, the Employer's designated FOIA officer shall meet with the affected Employee and/or the Employee's Association representative to review the Employer's proposed response to the request. If the Employee and Association so request, the Employer shall also delay granting the FOIA request to the extent permitted by law (ordinarily five business days after the receipt of the written request) in order to permit the Employee and Association to pursue such legal recourse as may be available.

D. Each Employee shall have the right to have placed in the personnel record pertaining to that Employee, materials which attest to a change in education or experience.

E. At the Employee's request, the Employer shall reproduce any material in the Employee's official personnel record (except confidential pre-employment recommendations), provided a reasonable duplication fee is paid by the Employee.

ARTICLE XXIX **WORKERS' COMPENSATION**

If an Employee is injured on the job and becomes eligible for compensation under the Michigan Workers' Compensation Act, they may choose one (1) of the following options:

1. The Employee may elect to be paid the benefit for which they are eligible under the Act.

2. The Employee may elect to receive the benefit for which they are eligible under the Act supplemented by the difference between the gross weekly compensation benefit received by the Employee under the Act and their regular gross weekly salary, which difference shall be charged against the Employee's accumulated sick leave days on a pro-rated basis. This difference shall be paid until such time as the Employee's accumulated sick leave days are used up or the Employee changes to Option 1 above.

ARTICLE XXX
INCLEMENT WEATHER

Employees who have been excused by the Employer from work due to inclement weather or lack of utilities shall not have any deductions from their pay, sick leave or vacation leave.

ARTICLE XXXI
SAFETY AND HEALTH

A. The Employer shall make reasonable provisions for health, safety and first-aid of its Employees. The Employer shall consider Employee concerns about these matters. If the Employee believes the Employer has not made reasonable provisions or taken timely action to remedy situations which are not in compliance with this provision, the Employee may file a grievance on the matter.

B. If an Employee believes that they are exposed to a condition that presents an immediate threat of severe physical injury, the Employee may take those actions that are reasonably necessary to remove themselves from the threatening condition and shall immediately thereafter notify their Department Manager (or if unavailable, a more senior member of management) for appropriate direction. If the situation is not resolved in a timely manner, the matter may be referred to the grievance procedure.

ARTICLE XXXII
INDEMNIFICATION OF EMPLOYEES

The Employer and the Association agree that the indemnification of Employees for actions taken within the scope of their employment shall be governed by the Bylaws of the Ann Arbor District Library Board of Trustees as they may be in effect from time to time.

ARTICLE XXXIII
MISCELLANEOUS

A. Smoking in Employer Facilities. Smoking by Employees in the Employer's facilities is strictly prohibited.

B. Name, Address and Telephone changes. The Employer shall be entitled to rely upon an Employee's last name, mailing address and telephone number (provided the Employee has a telephone) as reflected in the Employee's official personnel record for all purposes pertaining to the Employee's employment and this Agreement. Employees shall notify the Employer's Human Resources Department of any changes in this data within five (5) calendar days after such change has been made.

C. Resignation.

1. Any Employee desiring to resign shall submit their resignation in writing to their supervisor a minimum of two (2) weeks or ten (10) working days prior to the effective date of resignation.

2. Any Employee who voluntarily discontinues their service without such prior written notification shall forfeit all accrued benefits, rights and privileges including, but not limited to, accrued sick leave, vacation, and other benefits which may have been granted by the Ann Arbor District Library to its Employees. In any conflict between the application of this section and any other section in this Agreement, this section shall prevail.

D. Travel.

1. Adequate time shall be allowed for all Employees whose assignment requires travel to and between buildings. Such travel time is not to be considered part of the lunch period. (For purposes of this provision, “adequate” shall be defined as the time required to physically travel at a moderate pace by motor vehicle from one building to another.)

2. Employees who work in more than one building or otherwise travel performing their responsibilities, and use their car therefore, shall be paid mileage at the current IRS rate.

E. Examinations by Employer-Designated Physicians.

The Director or Deputy Director/ Associate Director may at any time require the examination of an Employee by an Employer-designated physician at the Employer’s expense. Employees who are required to leave work by reason of such examination shall have no deductions made from their sick leave account for the balance of such workday.

If the Employer-designated physician determines that there is no “incapacity,” any deductions from the Employee’s sick leave account will be restored, or if no sick leave was available to the Employee, then compensated at the Employee’s regular rate.

F. Electronic Copy.

The Employer will provide the Association with an electronic copy of this Agreement in the Microsoft Word format.

ARTICLE XXXIV
SCOPE OF AGREEMENT

A. Entire Agreement. This Agreement represents the entire agreement between the Employer, the Association, and the Employer's Employees which the Association represents. This Agreement supersedes and cancels all previous agreements. It also supersedes all policies of the Employer to the extent that they are in conflict with this Agreement. Any agreement which supplements this Agreement shall not be binding or effective for any purpose whatsoever unless reduced to writing and signed by representatives of the Employer and the Association.

B. Agreement Binding. Any agreement reached between the Employer and the Association is binding upon the Employer, the Association and all Employees in the bargaining unit who are affected by such agreement.

C. Severability. If any provision of this Agreement or any application of the Agreement to any Employee or group of Employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting extent to the extent permitted by law, but all other provisions or applications of the Agreement shall continue in full force and effect.

ARTICLE XXXV
DURATION AND AMENDMENT

A. This Agreement shall become effective, September 17, 2023, and shall continue in full force and effect to and including, June 30, 2028. The Agreement shall continue in effect from year-to-year thereafter unless either party notifies the other in writing between the ninetieth (90th) day and sixtieth (60th) day prior to the expiration date that a modification or termination of the Agreement is desired. Should either party to this Agreement serve such notice upon the other party, the Employer and the Association shall meet for the purpose of negotiation and shall commence consideration of proposed changes or modification in the Agreement within two (2) weeks of service of said notice and in no event less than fifty (50) days prior to the expiration of the Agreement.

B. If, pursuant to such negotiations, an Agreement on the renewal or modification of this Agreement is not reached prior to the expiration date, the Agreement shall remain in effect on a day to day basis until either party gives twenty (20) days advance written notice to the other party of its desire to terminate the Agreement in which event the Agreement shall automatically expire at the end of said twenty (20) day notice period.

IN WITNESS WHEREOF, the parties hereto have, by their duly authorized representatives, signed and sealed this Agreement.
