

## **Cookie S'Mores**

### **Ingredients**

- 2 Lotus Biscoff cookies (per serving)
- 1 marshmallow cut in half
- 1 snack size Hershey's Dark Chocolate bar

### **Instructions**

Assemble a sandwich using the cookies on the outside and the chocolate and marshmallow inside.

Wrap in foil. Place a cast iron skillet on the coals of your fire for a few minutes. Add the wrapped S'More to the pan, turning after a minute on each side if possible. Remove the pan, keep the S'mores covered for a minute more to get the chocolate melty.

You can make a bunch of these ahead of time and heat them up together for less messy S'mores!
