sand five hundred (4,525), which were accounted for as follows:

We find that everything connected with the election, so far as came within our observation, was done according to law, the seals all intact and the ballots returned properly, with the exception that some wards placed both poll books in the ballot box, whereas in all cases one should be placed in the box and the other should be returned to the City Clerk.

Very respectfully, Louis P. Hall, Chairman, C. FRANK O'HEARN. W. J. MILLER, Secretary, S. W. Beakes, Election Commissioners.
