A. M. Clark

President Board of Public Works.

Referred to committee on streets.

Whereas the Common Council did order May 20th. 1895, a cement walk constructed in front of Nos. 44 and 46 west side of South State street, front of property owned by J. H. Nickels, said walk to be (per ordinance) five feet in width, and believing this to be an inadvertance on the part of the council, I call your attention thereto to the end that you may take such action as your honorable body may deem advisable.

Resp'y

A. M. Clark,

President Board of Public Works.

Ald. Moore and Brown entered.

Ald. Maynard moved that all walks on the west side of State street between Liberty and Williams be 12 feet wide.

Ald. Butterfield moved as an amendment, that the matter be referred to the sidewalk committee.

Ann Arbor, June 3rd. 1895.

To the Honorable Common Council of the City of Ann Arbor, Mich.:

Gentlemen—I have the honor to report that I have examined the books of the City Clerk and have found the same correct. I desire to call the attention of the Council to the painstaking care which has been exercised by W. J. Miller and Glen V. Mills in keeping the books of the City. I have examined the books and vouchers of the City Treasurer, and find that the amount in the treasury, June 1st. 1895, is \$23,204.58, that the amount of outstanding unpaid orders is \$140.01.

Respectfully submitted,
