Ald. Fischer presented the following ordinance for its third reading:

AN ORDINANCE to Amend Sections 1, 2 and 3 of an Ordinance, Entitled "An Ordinance Relative to Fire Limits and Fires," Passed October 6, 1885; Approved October 12, 1885; Amended June 4, 1900.

The Common Council of the City of Ann Arbor Ordain:

That Sections 1, 2 and 3 of an Ordinance, entitled, "An Ordinance Relative to Fire Limits and Fires" shall be, and hereby are amended to read as follows:

Section 1. No person, firm or corporation shall hereafter place, enlarge, or erect any building or other structure on any lot or part of a lot fronting on any of the following streets or parts of streets, to-wit:

On Main street, between Kingsley street and William; on Huron street, between First street and Fifth avenue; on Washington street, between the Ann Arbor Railroad and Fifth avenue; on Liberty street between First street and Fifth avenue; on Catherine street, between Ashley street and Fifth avenue; on Fourth avenue, between Kingsley and Liberty street; on the west side of Fifth avenue, between Kingsley and Liberty streets; on Ashley, between Catherine and William streets; on the west side of State street, between William and Huron streets; on east side of State street, between North University avenue and Washington street; on the north side of William street, between State and Maynard; on the east side of Maynard street, between William and Liberty streets; on the south side of Liberty street, between Maynard and State streets; on Detroit street, between Fourth avenue and Depot street; on the block bounded as follows, to-wit: On the north by Fuller street, on the south by Kingsley street, on the east by North State street, and on the west by Elizabeth street; and on North University avenue between South State street and South Thayer street, in this city, unless such building or such other structure shall be constructed of stone or brick with party or fire walls of the same material.

Provided that the board of fire commissioners may in its discretion, grant permission for the erection within said limits of buildigs or other structures veneered with brick or iron, and for the erection of frame buildings, dwellings, barns and out-houses in and on all of that part of the above described district lying north of Catherine street, west of Ashley, south of Liberty and on State street, between Liberty and Huron streets.

Section 2. No person or persons, firm or corporation shall, within the said fire limits, erect, repair or rebuild any wooden building which has been partially destroyed by fire or any other cause; nor elevate from the ground or in any way increase the height of any wooden building within the said fire limits; or erect or construct any kind of structure (including bill-boards) on the roof or walls of any building within said fire limits; nor remove any building or any part thereof from one lot to another, or from one part of a lot to another part thereof, without first obtaining the permission of the board of fire commissioners therefor. And for each and every week during which any building or structure placed, erected, enlarged, repaired, removed or elevated contrary to the provisions of this ordinance shall be allowed to remain, the owner and every part owner of such building or structure may be complained of as for a distinct offense and punished as hereinafter provided.

Section 3. No person, firm or corporation, shall erect or enlarge an attached or detached building or other structure within said fire limits without first making application in writing to the board of fire commissioners for permission therefor. Such application shall set forth the location and dimensions of the proposed building or other structure the purpose for which it is intended, and the time to be occupied in its construction, with approximate date of completion; and in such application, the party making the same shall further agree to conform to all the regulations and ordinances of this city relative to fire protection. Upon receipt of such application the said board of fire commissioners shall, if they deem it proper to do so, issue a permit for the erection or enlargement of said building. It shall be the duty of the said board of fire commissioners to cause any building or structure in course of erection or alteration under their permission, to be inspected from time to time by the chief of the fire department or some other competent person for the purpose of determining whether the regulations of this city with respect to fire protection are being satisfactorily observed. The said applicant shall, at the time of the filing of his

application, pay to the city clerk, who is hereby authorized to receive the same and issue a receipt therefor in the name of the city, a fee to be determined in amount as follows: If the estimated cost of the building or alteration shall be less than one thousand dollars, one dollar; if more than one thousand dollars and less than five thousand dollars, two dollars; and for every additional thousand dollars, above five thousand, fifty cents. And the said city clerk shall report monthly to the common council all permits issued and shall pay all fees received under the provisions of this ordinance into the city treasury.

This ordinance shall go into effect ten days after legal publication.

The chair put the question: "Shall this ordinance pass?"

Passed as follows:

Yeas—Ald. Gill, Schlenker, Kurtz, Sherk, Manwaring, Coon, Fischer, Abbott, Pres. Gilmore—9.

Nays—None.

To the Honorable the Common Council.

Gentlemen:—Your committee on sewers to whom the matter of storm sewer on East Washington street was referred respectfully recommend that a storm sewer be built on East Washington street from Fifth avenue to Ingalls street, with a branch south on Ingalls and Thayer.

C. SCHLENKER,
LEWIS KURTZ,

Moved by Ald. Fischer that the council concur in the recommendation of the committee and authorize the Board of Public Works to advertise for bids for the construction of East Washington street storm sewer according to plans and specifications furnished by the city engineer.

Adopted as follows:

Yeas—Ald. Gill, Schlenker, Kurtz, Sherk, Manwaring, Coon, Fischer, Abbott—8.

Nays—Pres. Gilmore—1.
