Communications and Petitions

Communication from Board of Pub-
lic Works in form of report annual.

**The Annual Report of City Engineer
Groves**

Ann Arbor, Mich., Jan. 1, 1907

Board of Public Works,

Gentlemen—I herewith submit my
annual report of the work done by
my office during the year ending Jan.
1st, 1907.

I have condensed this report as
much as possible, believing you will
be interested only in general results.

William C. Weinhardt, Pres.

During the past year grades have
been given for 16,726 lineal feet of
sidewalks, the greater portion of
which have been built. Grades have
been given for 1,687 feet of curbing
and gutters exclusive of that on Wil-
liam street.

Owing to the inability of the D., Y.,
A. A. & J. Ry. Co. to secure ma-
terial for a new track on William
street, that street was not paved dur-
ing the past season. However, the
curb and gutter was built and this
street will probably be paved during
the coming season. On August 2,
1906, we paid the Central Bitulithic
Paving Company, contractors for Wil-
liam street pavement, as follows:

4,698.8 ft. cement curb and	
gutter at 50c	\$2,349.40
30 inlets at \$10	300.00
	<hr/>
	\$ 2,649.40
Less 10 per cent.	264.94
	<hr/>

Amount paid\$ 2,384.46

The following statement relative to
sewers will be readily understood:

In addition to the sewers built
plans, estimates and specifications
have been prepared for sewers as fol-
lows:

Enter Ald. Kurtz.

To the Honorable the Common Council of the City of Ann Arbor.

Gentlemen:

The attention of the ordinance committee has been called to the fact that the complainants in the case of Chas. A. Sauer and others vs. the City are willing to waive all costs against the city in the event that the appeal in said suit be dismissed. The members of your committee are also impressed by the fact that conditions ave changed somewhat since the ordinance in controversy in said suit was passed, and after a full discussion of the matter are of the opinion that it is not desirable under present circumstances to continue said litigation. We therefore recommend

that the City Attorney be directed to discontinue the same upon the terms above mentioned.

Respectfully submitted

GEO. H. FISCHER,
H. J. ABBOTT,
E. B. MANWARING,

Ordinance Committee

Moved by Ald. Fischer, supported by Ald. Markey that report be concurred in.

Yeas—Ald. Gill, Kurtz, Miller, Sweet, St. James, Markey, Manwaring, Sherk, Goodyear, Blaich, Abbott, Fischer.—12.

Nays—Pres. Gilmore.

The special committee on adding machines made no recommendation as a committee, Mr. Manwaring being in favor of the Wales machine and Mr. Gill and Mr. Goodyear favoring the Burroughs Adding Machine.

Moved by Mr. Abbott that the city buy the Wales machine, supported by Ald. Miller and adopted as follows:

Yeas—Ald. Kurtz, Miller, Sweet, Markey, Manwaring, Sherk, Blaich, Abbott, Fischer.—9.
