method of posting public legal no-

to consist of a board just large  
enough to hold the notice with a hole  
at the top to hook over nail or step  
on telephone pole. These notices to  
be removed immediately after the  
election. In case the city finds these  
boards are being removed or stolen,  
place a staple and padlock at the

more. This method is to be recom-
