#### HACKS AND TAXI CAB ORDINANCE.

AN ORDINANCE TO LICENSE PUBLIC CARRIAGES, OMNIBUSES, HACKS, CABS, AUTOMOBILES, TAXICABS, AND TO PRESCRIBE THE RIGHTS AND DUTIES OF THE OWNERS AND DRIVERS THEREOF.

The Common Council of the City of Ann Arbor ordain:

Section 1. Every public carriage, cab, hack, hackney, coach, omnibus, automobile or taxicab kept, used, driven or employed within the City of Ann Arbor for the transfer of persons or passengers from place to place for hire shall be deemed a public vehicle within the meaning of this ordinance, and no person, persons, firm or corporation shall keep, operate or use any such public vehicle without having first obtained a license therefor from the clerk of the City of Ann Arbor, as hereinafter provided.

Section 2. Any person, persons, firm or corporation of good moral character may obtain a license for operating such public vehicle by making application in writing to the City Clerk, conforming to the hereinafter named requirements, and by paying the hereinafter named fees, and by filing a good and satisfactory bond as hereinafter set forth. Such application shall be made upon blanks furnished by the City Clerk and shall contain the name of the person, persons, firm or corporation desiring to operate such vehicle, the location of the place of business of such person, persons, firm or corporation, a description of the public vehicle so in-

tended to be operated—that is, whether it be a one or two-horse vehicle, or a vehicle driven by other power, and the size and kind of vehicle. Such application shall contain the date of the expiration of the license, which shall be upon the first day of May following, except in cases of short term licenses, and such application shall be signed by the owner or owners of such public vehicle.

Section 3. The application set forth in the preceding section shall be accompanied by a license fee as follows: For any person, persons, firm or corporation having a bona fide residence within the City of Ann Arbor, five dollars (\$5.00) each for the first five hacks, omnibuses or other vehicles drawn by two horses, to be used by such person, persons, firm or corporation in the conveying of passengers within the City of Ann Arbor for hire, and one dollar (\$1.00) for each of said hacks, omnibuses or other vehicles over five owned by the same person, persons, firm or corporation. Four dollars (\$4.00) each for the first five hacks, omnibuses or other vehicles drawn by one horse, to be used by such person, persons, firm or corporation in conveying passengers within the limits of the said city for hire, and one dollar (\$1.00) for each of said hacks, omnibuses or other vehicles over five owned by the same person, persons, firm or corporation. Eight dollars (\$8.00) each for the first ten automobiles, taxicabs or vehicles driven by motor power and having a standard rated carrying capacity of five people or less, and to be used by such person, persons, firm or corporation for conveying passengers within the limits of the said city for hire; and two dollars (\$2.00) for each of said automobiles or motor vehicles over ten owned by the same person, persons, firm or corporation. Fifteen dollars (\$15.00) for each and every automobile, taxicab or other vehicle driven by motor power, having a standard rated carrying capacity of not more than ten or less than five people, to be used by such person, persons, firm or corporation in conveying passengers within the limits of the said city for hire. Said license fee shall be for a period of one year, to and including the first day of May following the granting of said license. Provided, however, in case said applicant shall desire only to operate said public vehicle or public vehicles for a short time, the license fee shall be as follows: The sum of two dollars per day for each and every hack, omnibus or other vehicle drawn by one horse; three dollars per day for each and every hack, omnibus or other vehicle drawn by two horses or more; five dollars per day for each and every automobile, taxicab or other vehicle driven by motor power, having a standard rated carrying capacity of five people or less, and seven dollars per day for each and every automobile, taxicab or other vehicle driven by motor power, having a standard rated carrying capacity of not to exceed ten or less than five people. Provided, further, that any person, persons, firm or corporation desiring to take out a license as aforesaid, shall file with said application a bond in the penal sum of one thousand dollars (\$1,000.00), conditioned upon the faithful performance of the duties of a common carrier, and of each and every one of the provisions of this ordinance, and that he, she or they will not run or allow any other persons to run any public vehicle not owned by them under the license issued on account of this application, and that said licensee shall pay all fines and penalties which may be imposed upon him for violation of any of the provisions of the ordinances of the City of Ann Arbor, said bond to be a surety company bond and to be approved by the Common Council of the City of Ann Arbor.

Section 4. Each license issued in pursuance of section two of this ordinance shall bear a certain number, and the City Clerk shall deliver to each applicant a plate of a size to be determined by the mayor of the City of Ann Arbor, said plates to have printed thereon in legible figures a number, which said number shall correspond with the number of the license issued, and said plates to be in duplicate, and said licensee shall

No person or persons, unless operating or driving a licensed vehicle as herein provided, shall procure passengers nor charge nor receive any fare for any public conveyance. The driver or

owner of any public conveyance, licensed as aforesaid, may demand and receive for carrying passengers from any place within the city of Ann Arbor to any place within the City of Ann Arbor the following prices, and no more, viz.: From five o'clock a. m. to eleven o'clock p. m., thirty-five cents; between the hours of eleven o'clock p. m. and five o'clock a. m., fifty cents.
