Report of the Committee of the Whole

Ann Arbor, Michigan
March 31, 1930

Pursuant to call of President, Council met as a Committee of the Whole on Monday, March 31st, at 7:30 o'clock P. M., to consider matters relative to Water Works Bond Issue.

Meeting called to order by Pres. Myers and following members were present: Ald. Wuerth, Schlenker, Harris, Bradley, Kurth, Freeman, Fisher, Pres. Myers, 8.

Moved by Ald. Freeman and supported by Ald. Fisher that Committee of the Whole recommend to the Common Council that the following resolution be adopted:

Whereas, in connection with the present bond campaign for more water mains and a new reservoir, it has been brought to the attention of the Council by its representatives on the Citizens Water Committee that there is a strong and widespread sentiment among the citizens of the city in favor of softening the supply and taking the iron out of it, in addition to the strengthening of the water distribution system and the fire protection service; and

Whereas, various citizens have expressed the fear that if the proposed bonds for mains and reservoir are voted now the question of water softening and iron removal will then be ignored or indefinitely postponed; and

Whereas, the Council has been advised and is convinced that the proposed new reservoir and the feeder and connecting mains now asked for constitute the most pressing need of the water plant, but at the same time it recognizes that the next most needed improvement is the softening and re-

moval of iron from the supply; now, therefore,

Be it resolved, that it will be the purpose and intention of the Council, as soon as the bonds for mains and reservoir have been approved, or as soon as these most pressing needs have been otherwise provided for, to take prompt and effective steps to investigate the feasibility of installing a water softening plant and if the same is found advisable they will submit the question of financing its construction and operation to a referendum of the qualified electors to arrange for softening and removing the iron from the present water supply, and to adopt a program for developing additional wells in future to meet the growing water supply needs of the City, so far as these objects may be found to be practicable and possible of achievement.

Adopted by all members present.

Respectfully submitted,

FRED C. PERRY,
City Clerk.

Moved by Ald. Freeman that report of the Committee of the Whole be adopted and made a part of the records of this Council.

Adopted by the following vote: Yeas, Ald. Wuerth, Sauer, Graf, Schlenker, Harris, Bradley, Kurth, Townley, Freeman, Fisher, Lutz, Pres. Myers, 12. Nays, none.

From Board of Police Commissioners, reporting Traffic Bureau forfeitures for month of March, \$87.00, was received and ordered on file.

Report of Curb Market Committee

To the Honorable
Common Council,
Gentlemen:

Herewith is submitted the annual report of your Curb Market Committee.

This has been a very successful year in spite of the fact of a few

days of inclement weather. Our Market Master reports better food qualities, better displayed and cleaner, with more complete "sell-outs," and a finer spirit of co-operation than ever before.

The year closed with everyone satisfied with existing conditions and anticipating a continuing success for the season 1930.

The credit for this, the best market year of the entire ten years of existence, belongs to our tireless and efficient Market Master, Mrs. Riedermann.

There were six more markets held this year than formerly, 66 in all, with an average attendance of 79. The heaviest day was September 11, with 157 in attendance, and the lightest was December 21, with four present.

To the Finance Committee
of the Honorable Common Council
Gentlemen:

Hereto find attached several tax items, which in March, 1928, were returned to the County Treasurer as "Special Taxes" due and unpaid for the year of 1927.

The owners of said properties have presented the regular "City of Ann Arbor Treasurer's receipt" for these taxes and your writer is of the opinion that said taxes were paid in regular period and manner and that through possible error the Tax Rolls were not credited with same.

If your Honorable Body decides cover these taxes it is further my opinion that warrant be drawn in favor of the County Treasurer for the stated amounts as that would include the least expense as also accounting.

Should more information be desired relative to this matter then kindly call for the writer.

Total amount, \$175.35.

Very respectfully yours,

ERNST M. WURSTER,
