PRESIDENT'S MESSAGE

Dear Friend of the Ann Arbor Civic Theater:

As the curtain goes up on tonight's play, we are officially opening our 1952-53 season. I say officially because actually the theater board of directors has been busy every week since taking office last June. Recalling some of the events of the summer, such as the Oscar Award Banquet, the Annual Corn Roast, and many pleasant informal get-togethers, lend themselves to our belief that this can be one of the Civic Theater's best years.

Among the many objectives of our group this year is the desire to create more opportunities for YOU to not only enjoy better productions, but also for YOU to participate in helping us create these productions. A list of our board of directors is printed on the inside cover. I hope you will recognize a familiar name and that you will call one of us to find out how you can add to your enjoyment of the theater by becoming a "doer" as well as a "viewer."

Sincerely,

KENNETH MacDONALD
President
