PRESIDENT'S MESSAGE

Welcome to Ann Arbor Civic Theater's opener of the 1953-54 season. We hope you really enjoy the play and look forward, as we do, to our other productions.

This play is our first major production but not our first activity of the season. Behind us already are the organizational meetings of the summer, our annual "Corn Roast" where a white elephant sale is always the feature attraction, and the many other duties connected with getting a "major" under way.

The Ann Arbor Civic Theatre provides a varied program for our more than a hundred active members. Our Workshop Theatre is now underway on a physical improvement program along the lines of play reading, playwriting, acting, directing make-up, etc., with experience in one-act plays.

There is a place for you in this broad and varied program, and we are anxious to expand it to better suit the needs of Ann Arbor's theater-minded citizen. It is a simple matter, requiring no initiation, a very small fee which barely covers the postage and notices which all members receive. The only requirement being the love of theater which needs to be expressed.

The nights of production are very important and rewarding for all of the members who have worked on the show. When your applause reaches the stage tonight, it will not only be heard by the cast, but will reach the hearts of every one in the crew regardless of how minute his or her job has been.

Please accept my many thanks for your deeply appreciated support of The Ann Arbor Civic Theater and my invitation to be with us for our other productions.

Sincerely yours,

GERARD M. SCOFIELD

ABOUT THE DIRECTOR . . . TED HEUSEL

We have seen grow up right here in our city the director who stands more nearly a professional today than his boyhood friends thought possible. The many times Ted has taken the lead as well as the director's mantle for another success, will demonstrate to you this boy's versatility as well as his love of the folks in the theater. "*Silver Whistle*" and "*The Spider*" were Teusel's by a long lead. "*Strange Bedfellows*", "*Life With Mother*" and two other comedies in the 1949-50 season are some of his accomplishments as a pleasing director. More recently was his splendid job as helmsman for Civic Theater's success of Philip Barry's comedy "*Holiday*". His part as Lincoln in "*Abe Lincoln in Illinois*" will probably stand as supreme as long as theater is talked about in Ann Arbor. But that is only one of the many splendid parts Ted did while with the U. of M. Play Production. Two degrees have been won by Heusel from U. of M. and he is now working on his Ph.D.
