New 91 Day Certificate!

**Banks have them, too...but we
pay $\frac{1}{4}\%$ more interest.**

High interest and short term. Both come with our new 91 Day Certificate. Term of our new certificate is just 91 days and the high interest rate is tied to the rate on 13 week Treasury Bills. We pay $\frac{1}{4}\%$ more interest than banks do, and your dollars are safely insured to \$100,000 with an agency of the federal government. Minimum deposit is \$7500.

Federal regulations prohibit the compounding of interest on 91 Day Certificates and require substantial penalty for early withdrawals.
