ATTENTION HEARING AID USERS:

Are You Unhappy With Your Hearing Aid?

If you've made a considerable investment in better hearing, but are not satisfied with the results, we have good news for you!

We now have a new Real Ear measurement System, sophisticated computer technology that actually measures your hearing aid's performance while it's in your ear!

This special evaluation lets us verify that your aid is precisely matched to your individual listening requirements.

Don't miss this special limited opportunity to protect your significant investment in better hearing with our new Real Ear Measurement System. Appointments are limited so call today!

- Are Sounds Too Loud? Or Too Soft?
- Having Trouble On The Phone? With TV?
- Sounds Tinny or Like You're In A Barrel?

Our Real Ear Test System will verify that your hearing aid's performance matches your individual

hearing needs.
