

Basic Training 7:00

Wiseman sensitively examines the hollow pride of an institution that has lost both the support of the country and its internal conviction of right. Wiseman has recorded the rites of passage by which boys have become soldiers in our society and throughout history.

Essene 9:00

A record of daily life in an Anglican monastery, the film reveals the infiltration of modern problems even into a society that is so isolated and highly structured. "Mr. Wiseman has given the viewer a superb human comedy — funny, pathetic, touching, absurd, moving." —New York Times

THURSDAY
Feb 9

1:00 Primate

An eloquent challenge of the humanity and the validity of "pure scientific research" emerges from this study of our nearest animal kin that ranges in tone from Woody Allen to Kafka.

SUNDAY
Feb 12

3:00 Talk with WISEMAN

7:00 Welfare

A fascinating, moving, and surprising look at a New York City welfare office that will challenge liberals, and conservatives alike. Life becomes a black comedy in the tradition of Feiffer or Neil Simon as the doors are opened on one of our society's greatest challenges.
