# The Ladies' LIBRARY

Situated on the south side of Huron Street, was established in 1866 through the strenuous efforts of several ladies. It has been the recipient of many gifts and bequests but it depends largely upon the support which it gets from its annual and semi-annual subscribers.

The Board of Managers desire to thank all who have so cordially co-operated with them tonight, and they extend all, both ladies and gentlemen, a most cordial invitation to become members of the Library. The payment of one dollar a year or fifty cents for six months, entitles a member to draw books daily. Others than members can obtain books by paying five cents per book.

The Library has a comfortable well lighted reading-room where the principle magazines can be found.
